INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Clare Holdings, LLC 401(k) Plan
North Aurora, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Clare Holdings, LLC 401(k) Plan** (formerly known as Euclid Beverage, LLC 401(k) Before Tax Savings Plan) (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes at the end of the year – Schedule H, Line 4i as of December 31, 2022 and of delinquent participant contributions at the end of the year – Schedule H, Line 4a as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is/are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Clare Holdings, LLC 401(k) Plan Notes to the Financial Statements

1. Description of Plan

The following brief description of the Clare Holdings, LLC 401(k) Plan (formerly known as the Euclid Beverage, LLC 401(k) Before Tax Savings Plan) (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all eligible employees of Clare Holdings, LLC, Euclid Beverage, LLC, Merchants Export, LLC, Merchants Market Group, LLC, Merchants Market, LLC, Merchants Market St. Croix, LLC, and Island Saints, LLC (collectively, the Company), except for collective bargaining employees hired after July 1, 2006, non-resident aliens, and part-time employees whose regularly scheduled service is less than 1,000 hours. Such employees are eligible to participate in the Plan immediately upon employment commencement date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute pre-tax annual compensation, as defined by the Plan, subject to statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make discretionary matching contributions to Plan participants, as defined by the Plan. During 2022, the Company made a discretionary match of up to 50% of 6% of eligible compensation deferred to the Plan by the participants.

Participants' Accounts – Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's discretionary contribution, if any, (b) Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions and rollovers, plus actual earnings thereon. Participants become vested in their discretionary profit sharing contribution account balances based on years of continuous service. The Plan provides for a six-year vesting period for discretionary profit sharing contributions with 20% vested after year 2, and an additional 20% vesting each year thereafter. A participant who incurs a severance from employment as a result of death or disability is entitled to 100% of their vested account balance.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or fifty (50) percent of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from one to five years. However, loans used to acquire the primary residence shall provide for periodic repayment over a reasonable period of time that may exceed five (5) years but not ten (10) years. The loans are secured by the balance in the participant's account, and bear interest at 4.25% - 6.50%, which is equal to the prime rate plus one percent as published by *The Wall Street Journal* on the first business day of

the month. Principal and interest are paid ratably through monthly payroll deductions; however, lump-sum repayments are permitted.

Payment of Benefits – On termination of service upon attaining 65 years of age or due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount or periodic installments equal to the value of the participant's vested interest in his or her account. Upon attaining 59½ years of age, a participant has the option to take an in-service distribution for any reason. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan allows participants to take hardship withdrawals only from the participant's elective deferrals.

Forfeitures – Forfeited balances of terminated participants' nonvested accounts are used to reduce employer contributions or pay Plan expenses. There were forfeited nonvested balances of \$12,418 at December 31, 2022 (\$14,371 at December 31, 2021). During 2022, no forfeitures were used to reduce employer contributions of the Plan (none in 2021), and, \$25,625 were used to pay Plan expenses during 2022 (\$2,282 in 2021).

Plan Amendment – On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act). The Plan adopted an amendment to address the provisions of the CARES Act. As a result, changes were made related to Plan withdrawals and loans to participants, for impacted participants, their spouse and dependent(s) who have been diagnosed with virus SARS-CoV-2 or with COVID-19, as well as participants that have experienced adverse financial consequences. The changes applicable to the Plan are summarized below:

- Impacted participants may receive up to \$100,000 in aggregate withdrawals before December 31, 2020.
- 10% penalty tax for early withdrawal is waived.
- Mandatory 20% withholding on distributions will not apply.
- No limit to the number of withdrawals an impacted participant can make.
- Repayment of withdrawal amount is permitted if repayment occurs within three years of the distribution.
- Impact Participants may borrow up to the lesser of \$100,000 or 100% of their vested balance for 180 days beginning March 27, 2020.
- Impacted participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year.
- Required Minimum Distribution (RMD) rules for distributions required for the 2020 calendar year are temporarily waived.

Notes to the Financial Statements (cont'd)

1. Description of Plan (cont'd)

Plan Amendment (cont'd)

The Plan will formally adopt an amendment to address these changes at a later date in accordance with applicable law and IRS guidance. On Aug. 3, 2022, the IRS issued Notice 2022-33, which extends the deadlines for qualified retirement plans to adopt amendments reflecting certain optional and required changes under the SECURE, CARES, and Miners Acts. Plan sponsors of defined contribution plans generally have until December 31, 2025, to amend their plans if they took advantage of benefit changes permitted by these laws, including changes allowed by the CARES Act as part of COVID-19 relief.

2. Summary of Significant Accounting Policies

Basis of Presentation – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Clare Holdings, LLC 401(k) Plan
Notes to the Financial Statements (cont'd)

2. Summary of Significant Accounting Policies (cont'd)

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events – Subsequent events have been evaluated through September 28, 2023, which is the date the financial statements were available to be issued.

3. Information Prepared and Certified by Trustee

The Company, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Reliance Trust, the trustee of the Plan, and furnished to the Company. The Company has obtained certifications from the trustee as of December 31, 2022 and December 31, 2021, and for the year ended December 31, 2022, that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 17,025,349	\$ 20,953,198
Notes receivable from participants	246,885	283,406
Net investment income – dividends and interest	245,822	
Interest on notes receivable from participants	12,380	
Net depreciation in fair value of investments	(4,484,848)	

4. Fair Value of Financial Instruments

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a three-level valuation hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows:

Level 1 – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in

Clare Holdings, LLC 401(k) Plan
Notes to the Financial Statements (cont'd)

4. Fair Value of Financial Instruments (cont'd)

markets that are not active; and model-derived valuations whose significant inputs are observable.

Level 3 – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

Following is a description of valuation methodologies used for investments measured at fair value on the statement of net assets available for Plan benefits, and the classification of such investments pursuant to the valuation hierarchy.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust's participation units fair value is based upon the net asset values of such fund, as reported in the audited financial statements of the fund. Subject to certain restrictions, withdrawals from the stable value fund are generally permitted daily at contract value.

At December 31, 2022, the Plan's assets measured at fair value on a recurring basis were categorized as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 10,373,628</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,373,628</u>
Collective investment trust *				<u>6,651,721</u>
Total				<u>\$ 17,025,349</u>

At December 31, 2021, the Plan's assets measured at fair value on a recurring basis were categorized as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 19,639,155</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,639,155</u>
Collective investment trust *				<u>1,314,043</u>
Total				<u>\$ 20,953,198</u>

Clare Holdings, LLC 401(k) Plan
Notes to the Financial Statements (cont'd)

4. Fair Value of Financial Instruments (cont'd)

*A collective trust is an investment measured at fair value using net asset per share (or its equivalent) as a practical expedient which has not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for Plan benefits.

5. Related-Party and Party-in-Interest Transactions

Certain Plan investments are under a contract managed by JP Morgan Chase Bank, N.A. (JP Morgan). JP Morgan is the custodian of the Plan's contract; therefore, these transactions qualify as party-in-interest transactions and are allowed under a waiver. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third-party administrator of \$66,551 which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. Tax Status

The Internal Revenue Service issued an opinion letter dated March 31, 2014, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt except as noted below.

Accounting principles generally accepted in the United States of America, require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements except as noted below. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Clare Holdings, LLC 401(k) Plan
Notes to the Financial Statements (cont'd)

8. Correction of Errors

The Plan identified certain late deposits totaling \$9,289 that occurred in 2022. The amounts were corrected through the Department of Labor Voluntary Fiduciary Compliance Program.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

10. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the net decrease in net assets available for Plan benefits per the financial statements for the year ended December 31, 2022, to Schedule H of Form 5500:

Total contributions per the financial statements	\$ 2,143,300
Less current year participant contribution receivable	(9,289)
