INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Crain Walnut Shelling, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Crain Walnut Shelling, Inc. 401(k) Profit Sharing Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRAIN WALNUT SHELLING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of Crain Walnut Shelling, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only summarized general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was originally established as of January 1, 2004, and has been subsequently amended and restated. The Plan is a defined contribution retirement plan covering employees of Crain Walnut Shelling, Inc. (the “Plan Sponsor”), Crain Orchards, Inc., Eco-Shell, Inc., Wolf Ranch, Inc., Walnut Partners, Inc., Eco Shell, LP, Grupo Progresivo, Inc., and Crain Walnut Shelling, LP., who have completed one year of service (1,000 hours) and are at least 21 years of age and are not covered by the terms of a collective bargaining agreement and are not nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company serves as the Plan custodian.

The Plan was amended and restated effective July 1, 2021, in order to incorporate prior amendments and update the plan document to reflect recent legislative and regulatory changes.

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan allows for the following types of contributions:

- **Employee Salary Deferral 401(k) Contributions**
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”). Participants may voluntarily contribute up to 90% of their eligible compensation, subject to various nondiscrimination tests and limitations prescribed by the Code. Participants may also make after-tax elective deferral contributions.
- **Employer Safe Harbor Matching Contributions**
The Plan Sponsor will make a safe harbor matching contribution equal to 100% of each participants’ elective deferrals not exceeding 3% of the participant’s compensation, plus 50% of each participants’ elective deferrals in excess of 3% but not in excess of 5% of the participant’s compensation. The Plan Sponsor made safe harbor matching contributions of \$268,913 and \$264,248 for the years ended December 31, 2022 and 2021, respectively.
- **Discretionary Employer Matching Contributions**
The Plan Sponsor may make matching contributions equal to a discretionary amount to be determined by the Plan Sponsor. The Plan Sponsor elected not to make a discretionary matching contribution for the years ended December 31, 2022 and 2021.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Contributions (Continued)

- **Discretionary Employer Non-Elective Contributions**
The Plan Sponsor may make nonelective contributions equal to a discretionary amount to be determined by the Plan Sponsor. Participants must be employed with the Plan Sponsor on the last day of the Plan Year and have 1,000 hours of service in the Plan year in order to receive a nonelective contribution. The Plan Sponsor elected not to make a discretionary nonelective contribution for the years ended December 31, 2022 and 2021.
- **Rollover Contributions**
Participants may make rollover contributions from another qualified plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, employer contributions, an allocation of Plan earnings, and an allocation of certain Plan expenses, as defined by the Plan document. The yield (interest, dividends, and net realized and unrealized gains and losses) on investments is allocated to each participant's account based on each participant's pro rata share of the total investments in the particular fund. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Allocations

The Plan provides various investment fund options and allows participants to self-direct their contributions and investments. Investment earnings and losses are allocated to participants' accounts based on the earning or losses on the investments selected.

Vesting

Participants are always 100% vested in their voluntary contributions as well as any employer safe harbor matching contributions and all earnings thereon. Vesting on discretionary employer contributions is based on years of continuous service. Participants become vested in discretionary employer contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

For vesting purposes, a year of service is the equivalent of 1,000 hours of service during the Plan year. Effective February, 1, 2019, the plan amended discretionary employer contributions to be 100% vested immediately.

Forfeitures

Forfeitures may be used to pay expenses, allocate additional discretionary employer contributions, or reduce discretionary employer contributions. At December 31, 2022 and 2021, there were \$0 and \$21, respectively, of forfeitures available to pay plan expenses, allocate or reduce discretionary employer contributions.

Retirement

Normal retirement under the Plan is age 59 ½.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) disability; 4) death of the participant; or 5) upon demonstration of financial hardship. The form of benefit payments may be in a single lump sum or in periodic installments over a period of time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Participants are limited to one outstanding loan at any given time. The term of the loan shall be limited to 5 years except for loans specified for the purchase of a principal residence. Principal and interest are repaid ratably through payroll deductions and are secured by the balance in the participant's account.

Administrative Expenses

Administrative expenses are paid by the Plan and the Plan Sponsor at the discretion of the Plan Committee. Expenses related to specific participant transactions are charged to the respective participant's account.

Temporary CARES Act Relief

During 2020, the Plan implemented the optional provisions related to the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) including Coronavirus Related Distributions (CRD). The Plan allowed all affected participants to take a CRD up to \$100,000 between January 1, 2020 and December 31, 2020. CRD's will have no mandatory federal tax withholding, are exempt from 10% early withdrawal penalty and can be repaid as a rollover within three years. In addition, the CARES Act temporarily increased participant loan limits to 100% of their non-forfeitable balance up to \$100,000 for loans issued between March 27, 2020 and September 22, 2020.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are maintained on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Contributions Receivable

Contributions receivable are recorded in the financial statements for amounts contributed but not received by the Plan as of year-end.

Investment Valuation and Income Recognition

Mutual funds, and the money market account are stated at fair value, which is based on underlying quoted market prices when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Depreciation in the unit values are reflected in each participant's self-directed account. Investments are valued daily.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan in default, the participant loan balance is reduced and benefit payment is recorded.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and their reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Plan adopted a volume submitter profit sharing plan which obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however there are currently no examinations for any tax periods in progress.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN

The following amounts are included in these financial statements and were taken directly from statements provided and certified as complete and accurate by the Plan custodian, Fidelity Management Trust Company, as of and for the years ended December 31, 2022 and 2021, respectively:

	<u>2022</u>	<u>2021</u>
Money market account	\$ 156,464	\$ 135,824
Mutual funds	\$ 6,955,324	\$ 7,859,829
Notes receivable from participants	\$ 213,961	\$ 131,958
Net (depreciation) appreciation in fair market value of investments	\$ (1,822,948)	\$ 511,296
Dividend and interest income	\$ 499,836	\$ 588,780
Interest income, notes receivable from participants	\$ 7,940	\$ 4,014

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Account: Underlying short term investments with quoted prices in active markets to preserve the value of the investment at \$1.00 per share.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,955,324	\$ -	\$ -	\$ 6,955,324
Money market account	156,464	-	-	156,464
Total Assets at Fair Value	<u>\$ 7,111,788</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,111,788</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,859,829	\$ -	\$ -	\$ 7,859,829
Money market account	135,824	-	-	135,824
Total Assets at Fair Value	<u>\$ 7,995,653</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,995,653</u>

NOTE 5: RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the custodian, as defined by the Plan document and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are recorded in net appreciation in fair value of investments. Fees for certain administrative expenses are paid to the third party administrator of the Plan. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 2, 2023, the date the financial statements were available to be issued, and Plan management has determined that no events have occurred that should be disclosed.
