Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gateways to Better Living, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gateways to Better Living, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gateways to Better Living, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gateways to Better Living, Inc. 401(k) Plan's ability to continue as a going concern within one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gateways to Better Living, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gateways to Better Living, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule H part IV, line 4i - schedule of assets held for investment purposes at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

GATEWAYS TO BETTER LIVING, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Gateways to Better Living, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of Gateways to Better Living, Inc. (the Company) who have completed one year of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

The Plan provides for employee salary 401(k) contributions up to the maximum tax deferred limitations established by the Internal Revenue Code. The maximum voluntary contribution for 2022 and 2021 was \$20,500 and \$19,500, respectively. An additional contribution of \$6,500 is allowable in 2022 and 2021, for those employees that are age 50 and older. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Company also makes a discretionary 50 percent matching contribution up to the first 6 percent of employee deferrals to the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, plan earnings, and forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting:

Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants are 20% vested in matching contributions after 2 years and an additional 20% each year thereafter until they become fully vested after 6 years of service.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants:

Participants may borrow from their accounts subject to certain maximum and minimum amounts as prescribed in the Plan and in the Internal Revenue Code. Participant notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

Benefit Payments:

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

Hardship Withdrawals:

Participants may request that all or a portion of their account be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Forfeitures:

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future Company contributions. At December 31, 2022 and 2021, forfeited account balances totaled \$7,501 and \$4,137, respectively. Employer contributions were reduced by forfeitures by \$0 and \$2,037 in 2022 and 2021, respectively.

Administration:

The Company is the sponsor of the Plan. The administrative committee, as provided in the plan agreement, functions as both the plan administrator and plan trustee and has responsibility for the administration of the Plan. Minnesota Life Insurance Company functions as the custodian. Investment management fees are paid by the Plan in accordance with the Plan agreement.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

401(k) PLAN

December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition:

Investments held by the Plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants:

Notes receivable from participants are recorded at their unpaid principal balances plus any accrued interest. Notes receivable from participants are written off when deemed uncollectible.

Benefit Payments:

Benefits are recorded when paid.

Administrative Expenses:

Various administrative costs are paid by the Company.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events:

The plan sponsor evaluated all activity of the Plan through September 26, 2023, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained certifications from Minnesota Life Insurance Company that all information relating to the Plan's investments and related investment income and notes receivable from participants are complete and accurate. Information as to the value of the investments in the trust fund managed by the trustee, investment income and all information in the supplemental schedule is presented in reliance solely upon certifications.

The following investment information included in the accompanying financial statements and supplemental schedule was obtained from data prepared and certified to as complete and accurate by the custodian as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Investments at net asset value	\$ 3,657,364	\$ 4,125,257
Investments at contract value	1,605,641	1,517,739
Participant notes receivable	333,102	313,137

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

	<u>2022</u>	<u>2021</u>
Fair value of investments	(\$ 592,791)	\$ 598,915

The Plan had the following sources of investment income as of December 31:

	<u>2022</u>	<u>2021</u>
Interest from unallocated contract	\$ 23,338	\$ 23,837

The Plan had the following sources of income from participant notes receivable as of December 31:

	<u>2022</u>	<u>2021</u>
Interest from participant notes receivable	\$ 15,018	\$ 13,808

NOTE D - INVESTMENTS AT NET ASSET VALUE

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>Fund</u>	<u>Fair Value at December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2022</u>	<u>2021</u>	<u>Commitments</u>	<u>Frequency (If Currently Eligible)</u>	<u>Notice Period</u>
Pooled separate accounts	\$3,657,364	\$4,125,257	N/A	Daily	12 months

NOTE E - PLAN TERMINATION

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a traditional investment contract in the Minnesota Life guaranteed return account. This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts by the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

GATEWAYS TO BETTER LIVING, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE G - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The key difference between a synthetic investment contract and a traditional investment contract is that the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. With traditional investment contracts, the Plan owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The traditional investment contracts held by the Plan include wrapper contracts that provide a guarantee that the credit rate will not fall below 1.5 percent. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary), that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

GATEWAYS TO BETTER LIVING, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE G - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured breach of the Plan's investment guidelines
2. A violation of a material obligation under the contract
3. A material misrepresentation
4. A material amendment to the contract without the consent of the issuer.

NOTE H - INCOME TAXES

The Internal Revenue Service has determined and informed the Prototype Plan Sponsor by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

NOTE I - PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are invested in funds managed by Minnesota Life Insurance Company. Minnesota Life Insurance Company is the third-party administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Recordkeeping, custodial and other expenses paid by the Plan were incurred with parties-in-interest as defined in Section 3(14) of ERISA.
