SUPPLEMENTAL SCHEDULE

December 31, 2022 and 2021

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

The Administrative Committee of
BrightSphere Inc. Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of BrightSphere Inc. Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- the information in the accompanying 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors. Management elected to have the 2021 audit performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), the predecessor auditor's audit need not extend to any investment information by banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by qualified institutions. Their report dated October 14, 2022, indicated an unmodified opinion in accordance with ERISA Section 103(a)(3)(C) over the financial statements and supplemental schedule required by ERISA.

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of Plan

The following description of BrightSphere Inc. Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for more information.

General

The Plan is a defined contribution retirement and savings plan covering employees of BrightSphere Investment Group (BSIG) and certain of its majority owned subsidiaries ("Affiliate" or collectively "Affiliates") who elect to participate in the Plan. Employees are eligible to participate in the Plan upon full-time employment. The Plan is subject to the provisions of the Internal Revenue Code of 1986 (the Code) and Employee Retirement Income Security Act of 1974 ("ERISA"), both as amended. The Plan is administered by the Administrative Committee of the Plan.

Contributions

The total amount of any employer profit sharing contribution ("employer contribution") is determined annually by BSIG and each Affiliate (the Company) and is subject to certain limitations on the amount that can be contributed on behalf of any single participant. During the year ended December 31, 2022, the Company made a \$5,322,339 profit sharing contribution to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Forfeitures resulting from the application of vesting provisions, as defined, are used to offset future employer contributions.

Participants may voluntarily make contributions ("employee contributions") subject to certain limitations. BSIG and certain Affiliates participating in the Plan have elected to cover their employees under automatic enrollment provisions specific to each Affiliate. Unless an employee elects otherwise, an automatic enrollment contribution rate of 3-6% is utilized during the first year a participant is subject to automatic enrollment. The automatic enrollment rate increases by 1% each year until a rate of 6-10% is reached, depending on the employee's election. Employees subject to automatic enrollment may change their contribution rate or elect out of automatic enrollment in accordance with Plan provisions. Automatic contributions are invested in default fund(s) selected by the Investment Committee. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

All employees, upon commencement of employment, are provided the option of making a rollover contribution into the Plan from another qualified plan, a 403(b) plan, a governmental 457(b) plan, or a conduit IRA in accordance with the Code.

Notes to Financial Statements

December 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the employee and employer contributions as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant is responsible for determining how his or her individual account balance is invested.

Vesting

All employee contributions and earnings thereon are fully vested at all times. Vesting in employer contributions and earnings thereon is based on years of service. A participant is fully vested in employer contributions and earnings thereon after five years of service, with partial vesting beginning after two years of service.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years	100%

Notes Receivable from Participants

Participants may borrow from the Plan a minimum of \$1,000 up to the lesser of 50% of their vested account balance or \$50,000. Participants are limited to no more than two loans outstanding at any given time. Notes receivable from participants are secured by the balance in the participant's accounts. Principal and interest are paid through payroll deductions.

Payment of Benefits

Participants shall become eligible to receive their vested account balances upon retirement (normal retirement age is 65), death, disability or termination. Participants will receive their benefit payments in a single lump-sum. In addition, participants may withdraw their contributions upon demonstration to the plan administrator that they are suffering a hardship, as defined in Section 401(k) of the Code.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$237,712 and \$231,222, respectively. These accounts will be used to reduce future employer contributions. In 2022, employer contributions were reduced by \$237,000 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as distributions on the basis of the terms of the Plan agreement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants before March 15, 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are generally paid by BSIG and its Affiliates. Certain expenses related to maintaining a self-directed brokerage account under the Plan are specifically charged to those participants.

BRIGHTSPHERE INC. PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Subsequent Events

The Plan has evaluated subsequent events through September 18, 2023, the date the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued using market quotations.

Collective trust: Valued based on inputs that are derived principally from or corroborated by observable market data by correlation of the underlying assets and valued using the market approach based on the net asset value (NAV) of the units held by the Plan at year-end. The NAV is provided by the custodians and is used as a practical expedient to estimate fair value. The primary investment objective of the collective trust is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. Daily redemption of the collective trust is allowed.

BRIGHTSPHERE INC. PROFIT SHARING AND 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Stable value collective trust fund: A stable value fund that is composed primarily of investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Notes to Financial Statements

December 31, 2022 and 2021

4. Party-in-Interest Transactions

The Plan's recordkeepers are Charles Schwab – Retirement Plan Services, Inc. (SRPS) and Vanguard Fiduciary Trust Company (VFTC). The Plan's custodians are Charles Schwab Trust Bank, an affiliate of SRPS, and VFTC. Both the recordkeepers and their affiliates are parties-in-interest to the Plan. The Plan allows participants to invest in mutual funds managed by SRPS and VFTC related affiliates, and therefore these investments qualify for parties-in-interest to the Plan. The Plan incurred administrative expenses with the recordkeepers amounting to \$104,177 for the year ended December 31, 2022.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Tax Status

The IRS has determined and informed the Company by a letter dated November 20, 2017, that the Plan is designed in accordance with applicable sections of the the Code. The Plan has been amended since receiving the letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Information Prepared and Certified by Custodians

The investments, investment transactions, notes receivable from participants, net depreciation in fair value of investments, and interest and dividend amounts were obtained by management and agreed to or derived from the information certified by the custodians, as complete and accurate. This information is included in the following:
