Report of Independent Auditors

To the Administrator of The Shubert Organization, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2022 financial statements of The Shubert Organization, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2022 financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended not presented herein, other than the statement of net assets available for benefits. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 5, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report

that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.³

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.³

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure

under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Shubert Organization, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Plan Description

Effective November 1, 2001, The Shubert Organization, Inc. established The Shubert Organization, Inc. 401(k) Plan (the "Plan"). The Plan has been adopted by The Shubert Foundation, Inc. and those subsidiary companies identified on the Participating Employers Addendum to the Plan (each, an "Employer"). The Plan is a defined contribution plan available to employees of an Employer who are age 21 or older, have completed 6 months of service, and otherwise meet the Plan's eligibility criteria. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan Document for more complete information.

As of November 1, 2001, the Plan designated Fidelity Management Trust Company ("Fidelity") as the trustee of the Plan. Participants in the Plan have the option of investing in the Fidelity International Index Fund Premium Class, Fidelity 500 Index Fund Premium Class, Fidelity U.S. Bond Index Fund Premium Class, Fidelity Mid Cap Index Fund Premium Class, Fidelity Contrafund Class K, Fidelity Diversified International Fund Class K, Fidelity Emerging Markets Fund Class K, Fidelity Growth Company Fund Class K, Fidelity Equity Income Class K, Fidelity Investment Grade Bond Fund, Fidelity Low-Priced Stock Fund Class K, Fidelity Puritan Fund Class K, Fidelity Small Cap Discovery Fund, Fidelity Small Cap Growth Fund, Invesco Emerging Markets All Cap Fund Class R6, Neuberger Berman Sustainable Equity Fund Class R6, T. Rowe Price Real Estate Fund I Class, T. Rowe Price Overseas Stock Fund, Columbia Dividend Income Fund Institutional 3 Class, PGIM High Yield Fund Class R6, Fidelity Freedom Index 2015 Fund, Fidelity Freedom Index 2020 Fund, Fidelity Freedom Index 2025 Fund, Fidelity Freedom Index 2030 Fund, Fidelity Freedom Index 2035 Fund, Fidelity Freedom Index 2040 Fund, Fidelity Freedom Index 2045 Fund, Fidelity Freedom Index 2050 Fund, Fidelity Freedom Index 2055 Fund, Fidelity Freedom Index 2060 Fund, Fidelity Freedom Index Income Fund, Fidelity Government Money Market Fund, Allspring Special Small Cap Value Fund Class R6, and the Managed Income Portfolio Class 2. Participants also have the option to invest up to 50% of their net plan assets in the Fidelity BrokerageLink, a self-directed brokerage account.

Each participant's account is credited with the participant's contributions, each Employer's matching contribution, the participant's share in the investment income (loss) and any realized or unrealized gain (loss) in the Plan's assets, net of certain expenses that may be incurred by a participant.

Contributions

All active participants may elect to contribute a percentage, up to 60%, of their pretax annual compensation, subject to Internal Revenue Code ("IRC") limitations. The maximum allowable amounts prescribed by the IRC were \$20,500 and \$19,500 for 2022 and 2021 respectively. In addition, participants age 50 and over may contribute a "catch-up" contribution up to \$6,500 for 2022 and 2021. Participants are permitted to make rollover contributions from certain other qualified plans.

Each Employer also contributes an amount matching the employees' contribution up to 5% of the participants' eligible compensation, contributed to the Plan as a pre-tax contribution. Additionally, each Employer may elect to make qualified nonelective contributions, as defined in the Plan Documents, at its discretion.

Notes to Financial Statements

December 31, 2022 and 2021

Vesting

Participants are always 100% vested in their contributions and the Employer's contributions. Contributions vest immediately and can only be withdrawn pursuant to the appropriate provisions of the Plan and the IRC.

Benefit Payments

Active participants may receive distributions from the vested amounts in their accounts at any time after attaining the age of 59-1/2 or due to hardships as defined by the Plan.

Participants who have left the Plan for reasons other than death, disability or retirement are entitled to receive their account balance. Account balances of \$1,000 or less are automatically paid out in the form of an immediate lump-sum payment.

Notes Receivable From Participants

The Plan provides for loans to active participants. Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Loans must bear a reasonable rate of interest based on the prevailing commercial rate for loans of similar types. The rate of interest on outstanding loans ranges from 4.25% to 7.25% and 4.25% to 6.5% at December 31, 2022 and 2021, respectively. Repayment of a loan is required to be made at least quarterly on an after-tax basis in level payments of principal and interest and must be completed within five years, except for a loan taken for the purchase of a primary residence which may be paid over a longer period (up to a maximum of 10 years).

The Plan Administrator will consider a loan in default if any scheduled repayment remains unpaid at the end of the calendar quarter following the calendar quarter in which a scheduled repayment was due or if there is an outstanding principal balance existing on a loan after the last scheduled repayment date. Loans in default will be deemed a taxable distribution to the participant and the loan balance will be cancelled per the plan terms.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Fair Value Measurements

The Plan's administrator applies provisions of authoritative guidance, Accounting Standards Codification Topic 820 ("ASC 820") "Fair Value Measurements and Disclosures," in fair value measurement and disclosure of its financial assets and liabilities, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The guidance establishes three levels of the fair value hierarchy as follows:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active, accessible market for identical assets or liabilities. |
| Level 2 | Other inputs that are directly or indirectly observable in the marketplace. |
| Level 3 | Unobservable inputs which are supported by little or no market activity. |

The Shubert Organization, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such assets pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2022 and 2021.

BrokerageLink Account and Mutual Funds: Investments in BrokerageLink and mutual funds are valued at the net asset value of shares reported in the active market in which the individual fund is traded. The Plan considers the published NAVs of its investments in Regulated Investment Companies ("RICs") to be the readily determinable fair value in accordance with GAAP.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Plan Investments and Income Recognition

Plan investments are recorded at fair value based on redemption values determined by the trustee on the last business day of the Plan year or quoted prices in active markets.

Purchases and sales of securities are recorded on a trade-date basis. The Plan presents net appreciation (depreciation) in market value of investments which consists of realized gains and losses and unrealized appreciation (depreciation) on those investments in the Statement of Changes in Net Assets Available for Benefits. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distribution based upon the terms of the Plan document.

Benefit Payments

The Plan records benefits when they are paid to participants.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. The most significant estimates are the assumptions and estimates used in the determination of the fair value of investments. Actual results could differ from those estimates.

3. Fair Value of Financial Instruments

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Total investments at fair value	\$ 72,103,264	-	-	\$ 72,103,264

4. Information Certified by the Trustee

In accordance with Section 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, Fidelity has certified that the investments, investment information, investment income, notes receivable from participants and related income to the Plan, which has been used to prepare the Plan's financial statements and notes, are complete and accurate. In addition, the information in the supplemental Schedule of Assets (Held at End of Year) has been certified by Fidelity.

5. Plan Amendment or Termination

Although it has not expressed any intention to do so, each Employer can terminate the Plan at any time, subject to the provisions of ERISA. In the event of a termination of the Plan, the net assets of the Plan will be allocated among the participants and their beneficiaries in accordance with the provisions of ERISA. The Employer has the right to amend the Plan at any time.

6. Tax Status

Each Employer that adopted the Plan has adopted a prototype non-standardized profit sharing plan which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

The Shubert Organization, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7. Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

8. Administrative Expenses

Administrative expenses of the Plan were primarily paid by The Shubert Organization, Inc. in 2022 and 2021, with the exception of loan fees.

9. Related Party and Party-in-Interest Transactions

Certain Plan investments are mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, certain participants borrowed from the Plan. Such participants are parties-in-interest to the Plan.

10. Subsequent Events

The Plan has evaluated all events and transactions that have occurred through August 8, 2023 the date the financial statements were available to be issued and has determined that there are no other items requiring adjustment of the financial statements or additional disclosures.
