## **Independent Auditor's Report**

To the Plan Administrator of the  
Utility Resource Group Employee 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Utility Resource Group Employee 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets in liquidation available for benefits as of December 31, 2022, and December 31, 2021, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Utility Resource Group Employee 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Utility Resource Group Employee 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquidation basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Utility Resource Group Employee 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Utility Resource Group Employee 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Utility Resource Group Employee 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Basis of Accounting**

As described in Note 1 to the financial statements, on April 30, 2022, the governing body of Utility Resource Group Employee 401(k) Plan approved a plan of liquidation and management determined that liquidation of the Plan is imminent. As a result, the Plan has changed its basis of accounting from the ongoing basis to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

### 1. Description of Plan

The following description of the Utility Resource Group, LLC (“Company”) 401(k) Employee 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### **Plan Liquidation:**

On April 30, 2022, the Plan sponsor approved an amendment to terminate the Plan and distribute the assets. Upon termination, participants will become 100 percent vested in their accounts. As of December 31, 2022, all balances were distributed to participant IRA accounts or the participant’s current employer plan.

#### **General:**

Effective January 1, 2009, the Company adopted the Plan. The Plan is for the exclusive benefit of the Company’s employees. The Plan is a defined contribution plan covering all employees of the Company who have worked for the Company a minimum of 1,000 hours or have completed a year of service. The employee may enter the Plan on the first day of the Plan year of the first day of the seventh month of the Plan year coinciding after eligibility is met.

#### **Contributions:**

The Plan is contributory and participants may contribute any percentage of their pre-tax or after-tax (as a Roth deferral) annual compensation, up to the limit in effect for the year as defined by the Internal Revenue Code (“IRC”). Participants aged 50 or older may make an additional “catch-up” contribution. The Company may also make a discretionary profit-sharing contribution which may be determined as a uniform percentage of compensation or a uniform dollar amount. In addition to the discretionary contribution, the Company may elect to make a qualified non-elective contribution (QNEC). Any QNEC contributed to the Plan will be divided equally among all eligible participants as an equal percentage of Plan compensation. For the years ended December 31, 2022 and 2021, the Company made discretionary matching contributions of \$8 and \$135, respectively. Participants may also contribute amounts representing distributions (as a rollover) from other qualified plans.

#### **Party-in interest transactions:**

Certain plan assets are in investment funds managed by Principal Life Insurance Company or Ameritas Life Insurance Corp., or their affiliates and are custodians of the Plan’s investments. Therefore, these transactions qualify as party-in-interest transactions as permitted party-in-interest transactions.

### 1. Description of Plan (continued)

#### **Participant accounts:**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and an allocation of Company discretionary contributions and Plan earnings and charged with withdrawals and allocation of Plan losses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Investment options:**

Participants direct the investment of their contributions into mutual fund investment options offered by the Plan. Company contributions are invested in each participant's account according to participant's selected allocation. Participants may change or transfer their investment options at any time via telephone to a call center or through a designated on-line system.

#### **Vesting:**

Participants are immediately vested in their voluntary contribution and any special contributions that are made by the Plan on the participants' behalf plus actual earnings thereon. Participants became fully vested in the Company's matching discretionary contributions portion of their accounts effective on April 30, 2022, the Plan sponsor approved an amendment to terminate the Plan and distribute the assets.

#### **Plan Amendment:**

Effective May 11, 2021, if a participant does not elect an investment direction, all contributions will be established in the MyWayRetirement Index Series.

### 1. Description of Plan (continued)

#### **Notes receivable from participants:**

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. Loan terms range from 1 to 5 years or up to 25 years for the purchase of a primary residence. Participants may only take out one loan during any 12-month period and may only have two loans outstanding at any time. As of December 31, 2022, and 2021, the Plan had notes receivable from participants with principal balances totaling \$-0- and \$36,441, respectively.

#### **Payment of benefits:**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amounts equal to the value of the participant's vested interest in his or her account, or annual installment. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

#### **Forfeited accounts:**

On December 31, 2022, and 2021, forfeited non-vested accounts totaled \$-0- and \$-0-, respectively. These accounts will be used first to pay Plan expenses and any remaining balance will be used to offset future employer contributions.

### 2. Summary of Significant Accounting Policies

#### **Investment valuation and income recognition:**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### 2. Summary of Significant Accounting Policies (continued)

#### **Basis of accounting:**

The accompanying financial statements have been prepared using the liquidation basis of accounting. Assets are reported in the statement of net assets in the liquidation basis of accounting. Fair Values are the estimated prices to sell assets or pay liabilities in an orderly transaction between market participants.

#### **Use of estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of plan assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Notes receivable from participants:**

Notes receivable from participants are measured at the unpaid principal balance. Interest income is recorded as received. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

#### **Benefits:**

Benefits to participants are recorded when paid.

#### **Administrative expenses**

The Company absorbs most costs of the Plan (legal fees, audit fees, third party administration fees), however, the remaining costs are not deemed material to the financial statements presented. Investment fees and charges are paid by the participant.

#### **Subsequent events:**

Management has evaluated the impact of all subsequent events on the Plan through July 24, 2023, the date the financial statements were issued.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology are quoted market prices for similar assets and liabilities in active markets, quoted prices in markets that are not active or inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the instrument.

Level 3 Inputs to the valuation methodology are unobservable inputs based upon management's best estimates of inputs market participants could use in pricing the asset or liability at the measurement date, including the assumption of risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV, as provided by Ameritas Life Insurance Corp. is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is not a publicly-quoted price in an active market; however, the underlying investments have available daily prices which are used as readily determined fair value.

*Stable Value Fund:* Valued at the crediting rate established for amounts invested in the Fixed Account.

3. Fair Value Measurements (continued)

The following tables set forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022 and 2021:

Investments Assets at Fair Value  
as of December 31, 2022

	<i>Quoted prices in Active Markets for Identical Assets (Level 1)</i>	<i>Significant Other Observable Conditions (Level 2)</i>	<i>Significant Unobservable Inputs (Level 3)</i>	<i>Total</i>

Investments Assets at Fair Value  
as of December 31, 2021

	<i>Quoted prices in Active Markets for Identical Assets (Level 1)</i>	<i>Significant Other Observable Conditions (Level 2)</i>	<i>Significant Unobservable Inputs (Level 3)</i>	<i>Total</i>
Stable Value Fund	\$ 35,684	\$ -	\$ -	\$ 35,684
Mutual Funds	<u>624,252</u>	<u>-</u>	<u>-</u>	<u>624,252</u>
Total Investments at Fair Value	<u>\$ 659,936</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 659,936</u>

### 4. Federal Income Tax Status

The Plan files as part of a prototype plan that received its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administration believes it is no longer subject to income tax examinations for years prior to 2016.

The Plan failed to pass the Average Deferral Percentage Test ("ADP Test") and the Actual Contribution Percentage Test ("ACP Test") for 2021. The accompanying Statements of Net Assets in Liquidation Available for Benefits include \$7,017 as of December 31, 2021, in "Excess participant contributions payable to participants". No participants exceeded the 415 limits of the IRC.

### 5. Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that change in the values of investments will occur in the near term and that such changes could materially affect amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**6. Information Prepared and Certified by Principal Life Insurance Company**

The following information is included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Principal Life Insurance Company.

The fair value of investments at December 31, 2022 and 2021 as reported by the custodian is:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ -	\$ 624,252
Stable Value Fund	\$ -	\$ 35,684
Notes Receivable from Participants	\$ -	\$ 36,441

The investment income reported in statement of changes in net assets available for Plan benefits for the years ended December 31, 2022 and 2021 were certified by the custodian.

The Stable Value Fund is fully benefit responsive notwithstanding the liquidation value events under the Group Annuity Contract or Group Funding Agreement that limit the ability of the Plan to transact at contract value of \$-0- and \$35,684 at December 31, 2022 and December 31, 2021, respectively.
