Independent Auditor's Report

To the Plan Administrator
Costanzo's Bakery, LLC 401(k) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Costanzo's Bakery, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Costanzo's Bakery, LLC 401(k) Plan

Notes to the Financial Statements

1. Description of the Plan

The following description of the Costanzo's Bakery, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions. The Plan was previously named the Costanzo's Bakery, Inc. 401(k) Plan until March 22, 2022, at which time the Plan was amended and renamed.

General

The Plan is a participant-directed defined contribution plan covering substantially all employees of Costanzo's Bakery, LLC (the "Company" or "Plan Sponsor"). The Company is the plan administrator that controls and manages the operation and administration of the Plan. Principal Trust Company (Principal), the trustee, holds the plan investments.

Employees must complete 90 days of service and be 21 years of age or older to become eligible.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Entry dates are the first day of each month during the year.

Contributions

Participants may elect to contribute up to 100% of their eligible plan defined compensation on an after-tax basis or, if elected by the participant, on a pre-tax basis limited to the IRC maximum.

In any calendar year in which a participant is age 50 or older, an additional "catch-up contribution" (limited to \$6,500 in 2022) may be made. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan provides for employer matching contributions of 25% of participant elective contributions. Elective contributions in excess of 4% are not matched by the Company.

The Company may make discretionary matching contributions, as determined by the Company's Board of Directors, to the Plan. There were no discretionary matching contributions made during 2022.

Participant Accounts

Individual accounts are maintained for each plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions, and the participant's share of plan earnings. Participant accounts are decreased by participant distributions and the participant's share of plan expenses and losses. The allocation of earnings and losses to participant accounts is based upon the value of an individual account in relation to the total assets of the Plan. Upon retirement or termination, a participant is entitled to the vested balance in his or her account.

Vesting

Participants are immediately vested in their elective deferral contributions and earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is 20% vested after one year of credited service and vests an additional 20% for each additional year of credited service thereafter.

Costanzo's Bakery, LLC 401(k) Plan
Notes to the Financial Statements (Continued)

1. Description of the Plan (Continued)

Vesting (Continued)

Participants automatically become fully vested with respect to employer contributions upon attaining age 62, permanent disability, death or death while on a leave of absence to perform military service.

Forfeitures

Forfeited accounts may be used to pay plan administrative expenses or to reduce matching contributions made by the Plan Sponsor.

During the year ended December 31, 2022, forfeitures of \$83 were utilized to reduce administrative expenses and \$2,419 were utilized to reduce employer matching contributions. There were \$23 and \$0 of forfeitures available at December 31, 2022 and 2021, respectively.

Administrative Expenses

All expenses of maintaining the Plan are paid by the Company or the Plan including primarily general administration and recordkeeping expense.

Payment of Benefits

A participant will be eligible for payment of benefits upon attaining normal retirement age of 65, disability, or death, prior to termination or severance date. Upon termination of service, a participant may receive distributions via a lump-sum payment. Distributions will be made as soon as practical after a participant's request.

Participating employees may make financial hardship withdrawals up to the value of their vested employee contributions. In addition, the Plan allows for in-service withdrawals for employees who attain the age of 59½.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants would remain 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting, except for benefit payments, which are recorded when paid.

Costanzo's Bakery, LLC 401(k) Plan
Notes to the Financial Statements (Continued)

2. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers the assumptions that market participants would use when pricing the asset or liability.

The three levels of inputs that may be used to measure fair value are as follows:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than quoted prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021:

Mutual funds are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund on the last day of the Plan's year end using a quoted price in an active market and are classified within Level 1 of the fair value hierarchy.

The Plan has a collective investment trust (CIT) invested in the Principal Stable Value Fund (the Fund). CITs are public investment vehicles valued using the NAV provided by the trustee on the valuation date. NAV is based on the value of underlying investments, primarily conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The NAV is used as a practical expedient to estimate fair value. The CIT provides for daily redemptions by the Plan at reported NAV. There is no restriction in place with respect to the daily redemption of the CIT. The Plan has no unfunded commitments relating to the Fund at December 31, 2022 or 2021.

Costanzo's Bakery, LLC 401(k) Plan
Notes to the Financial Statements (Continued)

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Pooled separate accounts are public investment vehicles, which are valued using the NAV provided by the trustee, acting as administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, excluding transaction costs, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. Participants can redeem units daily for the purpose of funding benefit payments, the transferring of the employee's interest in the Plan to another investment election or paying trustee fees.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these investments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in the near term could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Plan management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 27, 2023, the day the financial statements were approved and authorized for issue.

Costanzo's Bakery, LLC 401(k) Plan

Notes to the Financial Statements (Continued)

3. Investments

The following tables set forth the fair value of the Plan's assets measured on a recurring basis, by level, as described in Note 2:

<i>As of December 31, 2022</i>	Level 1	Total
Mutual funds at fair value	\$ 740,701	\$ 740,701
Pooled separate accounts measured at NAV*	-	3,460,569
Collective investment trust measured at NAV*	-	96,075
Investments at Fair Value	\$ 740,701	\$ 4,297,345

<i>As of December 31, 2021</i>	Level 1	Total
Mutual funds at fair value	\$ 1,318,183	\$ 1,318,183
Pooled separate accounts measured at NAV*	-	4,419,476
Collective investment trust measured at NAV*	-	84,823
Investments at Fair Value	\$ 1,318,183	\$ 5,822,482

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit a reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. Certification of Financial Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, and Principal Trust Company, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

Costanzo's Bakery, LLC 401(k) Plan

Notes to the Financial Statements (Continued)

4. Certification of Financial Information (Continued)

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Related Party and Parties-in-interest

Certain plan investments are managed by affiliates of Principal Trust Company, the trustee of the Plan. The Plan made direct payments to Principal of approximately \$13,000 during the year ended December 31, 2022.

Certain administrative functions are performed by officers or employees of the Company at no cost to the Plan.

These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory or administrative exemptions from the IRC and ERISA's rules on prohibited transactions.

6. Tax Status

Effective March 22, 2022, the Plan was amended and restated by adopting the Principal Life Insurance Company Non-Standardized Pre-Approved Profit Sharing Plan. Principal Life Insurance Company received an opinion dated June 30, 2020, from the Internal Revenue Service (IRS) that the plan document was designed in compliance with the requirements of the IRC.

Prior to March 22, 2022, the Plan Sponsor had adopted a prototype plan of Principal Life Insurance Company. Principal obtained a letter dated March 31, 2014, in which the IRS stated its opinion that the form of the prototype plan of Principal is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees.

The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
