REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

*To the Plan Administrator of the Annin & Co 401(K) Retirement Plan
New Providence, New Jersey*

Scope and nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Annin & Co 401(K) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Annin & Co 401(K) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

terial respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Annin & Co 401(K) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Annin & Co 401(K) Retirement Plan's ability to continue as going concern for one year from the date of these financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but its not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgement and maintain professional skepticism throughout the audits.*
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.*
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Annin & Co 401(K) Retirement Plan's internal control. Accordingly, no such opinion is expressed.*
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.*
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Annin & Co 401(K) Retirement Plan's ability to continue as a going concern for a reasonable period of time.*

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedules of Assets (Held at End of Year) and Schedule H, Line 4a Schedule of Delinquent Participant Contributions are presented for purposed of additional analysis and are not a required part of the financial statement but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The

information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under EIRSA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedules related to asset held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANNIN & CO 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Annin & Co 401(K) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL:

The Plan is a defined contribution plan, effective October 1, 1988 and amended January 1, 2021, established by Annin & Co. (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. Reliance Trust is the Trustee as of December 31, 2022 and 2021 and the years ended December 31, 2022 and 2021.

ELIGIBILITY:

All full time employees of the Company with six (6) months of service and attained the age of twenty one (21) are eligible to participate in the Plan.

CONTRIBUTIONS:

Eligible employees can contribute a minimum of 1% of eligible compensation up to a maximum amount limited by requirements of the IRC. The Company, at its discretion, may match a percentage of the deferred salary contributions. The actual percentage of matching contributions is decided each year by the Company. The employer matching contribution for 2022 and 2021 was fifty percent (50%) of the first six percent (6%) of employee contributions. Participants direct the investment of their contributions into various investment options offered by the plan.

The Plan permits eligible participants the option to have their account balance from another qualified plan rolled over into the Annin & Co 401(K) Retirement Plan. The amount rolled over to the Plan during the years ended December 31, 2022 and 2021 was \$22,454 and \$41,011, respectively, and is included in participant rollovers on the statements of changes in net assets available for benefits.

ANNIN & CO 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONT.)
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION (CONT.)

VESTING:

Participants are fully vested immediately in their contributions, the employer matching contributions and earnings thereon.

PAYMENTS OF BENEFITS:

Upon termination of service due to death, disability or retirement (early, normal or late), a participant, or beneficiary in the event of death, may elect to receive a distribution of the balance of his or her account in a lump sum only. Participants under the age of 59½ may obtain a portion of their account balance in the event of a financial hardship, subject to meeting the requirements Section 401(k) of the Internal Revenue Code.

PARTICIPANT ACCOUNTS:

The Plan maintains an account for each participant. In addition to being credited for the participant's contributions and Company matching contributions, each account is credited or charged with the participant's allocated, as defined, share of income and expenses of the plan.

NOTES RECEIVABLE FROM PARTICIPANTS:

All participants and their beneficiaries may borrow funds from their respective investment in the Plan. The loan amount must be \$1,000 or more but is limited to one half of the participant's vested account balance or \$50,000, whichever is less. Loans bear interest at the prime rate plus 1%, ranging from 4.25% to 7.25% at December 31, 2022 and are payable over a specified period not to exceed five (5) years (except in the case of a principal residence purchase). The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions.

ANNIN & CO 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONT.)
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION (CONT.)

FORFEITED ACCOUNTS:

The portion of the participant's account balance which is not vested upon termination of employment is forfeited and remains in the Plan. These accounts may be used to reduce employer contributions or may be used to offset administrative expenses. As of December 31, 2022 and 2021, the balance in the forfeiture account was \$7,628 and \$5,338, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING:

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

INVESTMENT VALUATION AND INCOME RECOGNITION:

Investments of the Plan are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ANNIN & CO 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (CONT.)
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

NOTES RECEIVABLE FROM PARTICIPANTS:

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are paid by the participant when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS:

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

USE OF ESTIMATES IN THE PREPARATION OF FINANCIAL STATEMENTS:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS (CONT.)
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

EXCESS CONTRIBUTIONS PAYABLE:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions and employer contributions, if applicable. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023. There were no excess contributions for 2021.

SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through September 26, 2023, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

<i>Level 1</i>	<i>Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.</i>
<i>Level 2</i>	<i>Inputs to the valuation methodology include</i> <i>• Quoted prices for similar assets or liabilities in active markets;</i> <i>• Quoted prices for identical or similar assets or liabilities in active markets;</i> <i>• Inputs other than quoted prices that are observable for the asset or liability</i> <i>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</i> <i>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</i>
<i>Level 3</i>	<i>Inputs to the valuation methodology are unobservable and significant to the fair value measurement.</i>

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONT.)

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds are valued at the net asset value (NAV) of shares held by the plan at year end.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$ 13,935,558</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$13,935,558</u>
TOTAL ASSETS AT FAIR VALUE	<u>\$ 13,935,558</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$13,935,558</u>

Assets at Fair Value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$ 18,180,236</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$18,180,236</u>
TOTAL ASSETS AT FAIR VALUE	<u>\$ 18,180,236</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$18,180,236</u>

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 - TAX STATUS

The Plan follows the Prototype Non-standard Profit Sharing Plan with CODA which obtained its latest determination letter on December 21, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and accordingly, no provision for federal income tax has been made in the accompanying financial statements. The Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Generally Accepted Accounting Principles in the United States of America requires Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of assets available for benefits.

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Reliance Trust is the directed trustee and record-keeper for the Plan and therefore, these transactions qualify as party in interest transactions.

The directed trustee provides certain administrative services to the Plan. The directed trustee receives revenues from mutual fund service providers for services the directed trustee provides to the funds. This revenue is used to offset certain amounts owed to the directed trustee for its administrative services to the Plan.

NOTE 9 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANIES

The Plan has a traditional fully benefit-responsive guaranteed investment contract with T. Rowe Price. T. Rowe Price maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by T. Rowe Price, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$3,053,804 and \$3,000,847, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.60%. Such interest rates are reviewed on a quarterly basis for resetting.

NOTE 9 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANIES (CONT.)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on completing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedule maturity date.
