|--------|-------------------------------|
|--------|-------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee and Participants  
Q-Centrix LLC 401(k) Profit Sharing Plan and Trust

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Q-Centrix LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate to the best of their knowledge and belief.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

To the Retirement Plan Committee and Participants  
Q-Centrix LLC 401(k) Profit Sharing Plan and Trust

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and schedule of delinquent participant contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

### 1. Description of the Plan

The following description of Q-Centrix LLC 401(k) Profit Sharing Plan and Trust (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan of Q-Centrix, LLC (the Company) and was established effective January 1, 2011. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan is a defined contribution plan qualified under Section 401(a) and 401(k) of the Internal Revenue Code (IRC) covering eligible employees of the Company. An executive of the Company serves as Trustee of the Plan.

Effective February 23, 2021, as a result of an acquisition by the Company of Quantros, Inc., the Plan added, as part of the controlled group, the Quantros, Inc. 401(k) Profit Sharing & Trust Plan (the Quantros Plan). A special entry date for all Quantros employees was added on February 23, 2021. All prior service with Quantros, Inc. is recognized for eligibility and vesting requirements under the Plan and immediate vesting and deemed severance distributions of all money types were carried over in protected benefits review. As a result of this acquisition, the Quantros Plan was merged into the Plan and there were participant account balance transfers, inclusive of participant loans, into the Plan totaling \$9,823,486 in May 2021.

Effective February 23, 2021, the Plan was amended allowing predecessor employer service periods to apply to all future acquisitions for participant eligibility, vesting, and allocation of contributions.

Effective April 1, 2021, the Plan was amended to allow former employees of the Greater Cleveland Healthcare Association, who became Company employees as a result of an asset purchase agreement, immediate entry for all money types.

Effective April 1, 2022, the Plan elected to change custodians from Ascensus Trust Company to State Street Bank and Trust Company (State Street). State Street also began serving as the Plan's Trustee, with Transamerica Retirement Solutions, LLC serving as the Plan's recordkeeper. Due to the change in custodians, the Plan's stable value fund and mutual funds were transferred to State Street on March 31, 2022. As a result of the change in recordkeepers, effective April 1, 2022, the Plan was amended and restated to operate under a non-standardized pre-approved basic plan document sponsored by Transamerica Retirement Solutions, LLC. The non-standardized pre-approved plan document has received an opinion letter from the Internal Revenue Service (IRS) as to its qualified status dated June 30, 2020, stating that the Plan was designed in accordance with applicable IRS requirements. The significant changes to the Plan were as follows:

- The 120-hour monthly service requirement for participation was removed for employees classified as full-time;
- Employees classified as part-time must work at least 1,000 hours within a 12-month period, as defined, in order to be eligible to participate; and
- The Plan will allow hardship distributions.

The Plan was amended effective October 1, 2022. The significant changes to the Plan were as follows:

- Employees classified as interns are no longer eligible to participate in the Plan; and
- Post-severance compensation is excluded from eligible compensation.

#### 1. Description of the Plan (Continued)

##### Eligibility and Participation

Prior to April 1, 2021, there were no age or service requirements in order for employees to become eligible to participate in the Plan. Effective April 1, 2021, the Plan was amended, and employees became eligible to participate on the first day following the calendar month in which the employee has completed at least 120 hours of service. Effective April 1, 2022, the Plan was amended and the service requirement was removed for employees classified as full-time and all full-time employees became eligible to participate the first day of the payroll period coinciding with or following the date of hire. Employees classified as part-time must work at least 1,000 hours within a 12-month period in order to be eligible to participate.

##### Contributions

Participants may elect to contribute pre-tax or Roth dollars, or both, up to 100% of their eligible compensation to the Plan, up to the Internal Revenue Service (IRS) limitation. Participants may elect to rollover distributions from other qualified retirement plans.

On behalf of each participant who contributes to the Plan, the Company may elect to make discretionary matching contributions to the Plan. The Plan provides a discretionary matching contribution equal to 50% of the first 6% of eligible Plan compensation. The Company may also make discretionary profit-sharing contributions which are allocated in a manner determined by the Company as provided for in the Plan document. The Company did not make any profit sharing contributions during the years ended December 31, 2022 and 2021.

Participants can direct the allocation of their accounts to any of the stipulated investment fund alternatives offered by the Plan and may change their investment options at any time.

##### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Rollover Accounts

Employees may rollover into the Plan assets distributed as vested interest upon their termination from a qualified defined benefit plan or a qualified defined contribution and discretionary profit sharing plan in which they were formerly participants.

##### Vesting

Participants are immediately vested in their voluntary pre-tax contributions, Roth contributions and rollover contributions. Vesting in the Company's matching and discretionary profit sharing contribution portion of their accounts is based on continuous service. A participant is 100 percent vested after four years of service. Participants also become fully vested upon normal retirement age (65), disability or death. Employer matching contributions made under the Quantros Plan, prior to the acquisition by the Company, are 100% vested.

#### 1. Description of the Plan (Continued)

The Company's matching and discretionary profit sharing contributions plus earnings thereon vest according to the following schedule:

| <u>Years of Service</u> | <u>Vesting Percentage of<br/>Company Contributions</u> |
|-------------------------|--------------------------------------------------------|
| Less than one year      | 0%                                                     |
| One year                | 25                                                     |
| Two years               | 50                                                     |
| Three years             | 75                                                     |

Forfeitures of employee contributions may be used to offset future employer contributions or reduce Plan expenses that would otherwise be paid by the Company. During 2022, forfeitures in the amount of \$53,960 were used to reduce employer contributions. There was \$11,851 and \$9,413 in unallocated forfeitures at December 31, 2022 and 2021, respectively.

#### Plan Termination

Although it has not expressed any intent to terminate the Plan, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

#### Participant Withdrawals

The Plan provides for participants to withdraw their funds at any time after reaching normal retirement age. The Plan provides for in-service withdrawals of a participant's elective deferral after reaching 59 ½ years of age. Such withdrawals are based on the amount in the participant's account as of the valuation date coinciding with or immediately after the participant's retirement date. The Plan also provides for withdrawals in the event of death, disability or termination. The Plan provides for involuntary withdrawal of a retired or terminated participant account balance less than \$5,000. Effective April 1, 2022, the Plan was amended to allow hardship withdrawals.

#### Participant Notes Receivable

Participants may borrow up to the lesser of \$50,000 (reduced by the highest outstanding note balance in the previous 12 months) or 50% of their vested account balances subject to IRS limitations. Loans are repaid with interest through payroll deductions, normally within five years, except where loan proceeds are used to purchase a primary residence as these may have terms longer than five years. Participant loans bear interest at the rate set by the Plan Administrator with consideration of interest rates currently charged on similar commercial loans in effect on the date the loan is granted. Interest rates ranged from 4.16% to 8.00% at December 31, 2022 with various maturities through August 2034. During the repayment period of the loan, repayment amounts are reallocated among the investment funds in the same proportion as current investment allocations.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### 2. Summary of Significant Accounting Policies

##### Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

##### Payment of Benefits

Benefits are recorded when paid.

##### Contributions

Contributions are recorded in the period in which payroll deductions are made; employer matching and discretionary contributions are recorded in the year to which the contributions relate.

##### Risks and Uncertainties

The Plan provides for various investment options in a stable value fund and mutual funds. Such funds invest in investment securities, which are exposed to various risks such as interest rate, market volatility, liquidity and credit risk, among others. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

##### Use of Estimates

Preparation of the Plan's financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

##### Investment Valuation and Income (Loss) Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Certain Plan investments are stated at fair value based on net asset value (NAV). NAV is determined based on the fair value of the fund's underlying net assets and the number of units outstanding. See note 5 for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### 2. Summary of Significant Accounting Policies (Continued)

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are reclassified as a distribution based upon the terms of the Plan document.

##### Administrative Expenses

The Company pays certain administrative expenses of the Plan, except for certain investment services which are paid by the Plan. Certain fees incurred by the Plan for investment management services are included in investment income in the statement of changes in net assets available for benefits.

##### Subsequent Events

Events occurring after the date of the statement of net assets available for benefits are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. The Plan Administrator has evaluated subsequent events through October 2, 2023, which is the date the financial statements were available to be issued.

#### 3. Plan Amendments and Tax Status

Prior to April 1, 2022, the Plan operated under a non-standardized prototype plan document sponsored by Ascensus, LLC. The non-standardized prototype plan has received an opinion letter from the Internal Revenue Service (IRS) as to its qualified status dated January 1, 2018, stating that the Plan was designed in accordance with applicable IRS requirements. Effective April 1, 2022, the Plan was amended and restated to operate under a non-standardized pre-approved basic plan document sponsored by Transamerica Retirement Solutions, LLC. The non-standardized pre-approved plan document has received an opinion letter from the Internal Revenue Service (IRS) as to its qualified status dated June 30, 2020, stating that the Plan was designed in accordance with applicable IRS requirements. The non-standardized pre-approved plan opinion letter has been relied upon by the Plan. The Plan has been amended since the most recent ruling, and the Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, the Plan Administrator believes the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements at December 31, 2022 or 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### 4. Information Certified by the Custodians

The Plan Administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information, as of December 31, 2022 and for the period April 1, 2022 through December 31, 2022, certified by State Street Bank and Trust Company, the current custodian, and for the period January 1, 2022 through March 31, 2022 and as of December 31, 2021, certified by Ascensus, LLC acting as agent for Ascensus Trust Company, the former custodian, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedules. The Plan Administrator has obtained certifications from the current custodian and the agent on behalf of the former custodian, stating that the information provided to the Plan Administrator by the current custodian and the agent on behalf of the former custodian is complete and accurate to the best of their knowledge and belief. Such information includes investments at fair value, dividend and interest income, net depreciation in fair value of investments, investment transactions, notes receivable from participants, interest income on notes receivable and notes receivable transactions.

#### 5. Investments and Fair Value Measurements

The Plan offers various investment options to participants. Participants have the options of investing in various mutual fund options and a stable value fund. Each participant selects the investments to which their account will be allocated. Investment options may be changed at any time during the year.

The Plan has adopted the framework for measuring fair value under generally accepted accounting principles.

Fair value is defined as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

The fair value hierarchy for valuation inputs prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

# Q-CENTRIX LLC 401(k) PROFIT SHARING PLAN AND TRUST

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

### 5. Investments and Fair Value Measurements (Continued)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable for the asset and liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Interest bearing cash:* Valued at cost, which approximates fair value and is classified as Level 1.

*Mutual funds:* Valued at the quoted net asset value of shares held by the Plan at year end, which are traded in an active market and are classified as Level 1.

*Stable value fund:* Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require advanced notification in order to ensure that securities liquidations will be carried out in an orderly business manner. No such redemption is planned at December 31, 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the valuation hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of input that is significant to the fair value measurement.

The following table summarizes information related to the stable value fund for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

### 6. Party-in-Interest Transactions

The Plan paid \$55,700 during 2022 for record keeping and administrative services provided by Vanguard Group, Inc. (Vanguard) who has engaged Ascensus, LLC to provide certain services on its behalf. Ascensus Trust Company was the custodian of the assets through March 31, 2022. The Plan paid \$12,901 during 2022 for record keeping and administrative services provided by Transamerica Retirement Solutions, the recordkeeper effective April 1, 2022. In addition, direct administrative expenses charged to the Plan and paid to the Plan's financial advisor, Lockton Investment Advisors during 2022 totaled \$27,046.

Plan investments include certain investments managed by Vanguard, and therefore, the transactions qualify as party-in-interest transactions through March 31, 2022. Additionally, the Plan has a cash reserve account with State Street Bank and Trust Company, the current custodian, and therefore, these transactions also qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rule under ERISA. In addition, notes receivable from participants qualify as party-in-interest transactions.
