THE MISSION PRODUCE, INC. 401(k) SAVINGS PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

Administrative Committee
The Mission Produce, Inc. 401(k) Savings Plan
2500 Vineyard Avenue, Suite 300
Oxnard, California 93036

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Mission Produce, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. THE MISSION PRODUCE, INC. 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The Mission Produce, Inc. 401(k) Savings Plan (the "Plan") was established on January 1, 1990 to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees of Mission Produce, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Certain designated officers of the Company serve as the plan administrator. The assets of the Plan are held in a trust by Fidelity Management Trust Company.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Company employees are eligible to participate in the Plan upon reaching age 21 with three months of service.

Effective June 1, 2022, leased employees and nonresident aliens who do not receive any earned income from the Company which constitutes United States source income are excluded from becoming eligible to participate in the Plan.

Effective September 23, 2022, Company employees will no longer need three months of service to participate in the Plan.

B. Benefits

Benefits under the Plan begin when a participant retires, become disables, dies or ceases to be an employee, and may be paid as a lump sum or installment payments. Normal retirement age is 65. Hardship withdrawals are permitted. Effective October 16, 2020, in-service distributions are permitted for participants who are 59½ years of age from all vested account balances. Benefits are recorded when paid.

C. Vesting

A participant is fully vested immediately as to voluntary contributions, rollovers, related earnings and the Company's safe harbor matching contributions.

D. Contributions

Participants may contribute to the Plan through tax-deferred salary reductions of up to 60% of compensation, as defined in the Plan, up to a statutory maximum as determined by the Internal Revenue Code. Effective June 1, 2022, participants may contribute tax-deferred salary reductions of up to 80% of compensation. Participants may also contribute to the Plan through after-tax Roth deferral contributions up to the statutory maximum.

The Company makes "safe harbor" matching contributions equal to 100% of the first 3% of employee compensation deferred and 50% of the next 2% of employee compensation deferred, to a maximum matching contribution of 4% of eligible employee compensation. Effective September 23, 2022, the Company may make matching contributions, other than "safe harbor" matching contributions, during any date of the Plan year.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Notes Receivable from Participants

A participant is allowed to borrow a maximum of 50% of his or her vested account balance up to \$50,000. The minimum loan amount is \$1,000. Loans must be repaid through payroll deductions within five years (except that loans for the purchase of a primary residence may be repaid over ten years). All loans bear interest based on the prevailing interest rates charged by the persons in the business of lending money for loans that would be made under similar circumstances.

F. Expenses

Most administrative expenses are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

Description	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 2,388,208	\$ -	\$ -	\$ 2,388,208

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

C. Investment Valuation and Income Recognition (Continued)

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no redemption restrictions for these investments.

Description	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 1,748,065	\$ -	\$ -	\$ 1,748,065
Mutual Funds	24,946,744	-	-	24,946,744
Total Assets in the Fair Value Hierarchy	<u>\$ 26,694,809</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,694,809</u>

Level 1 investments are mutual funds and a money market fund valued at their quoted market prices.

D. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 - INCOME TAX STATUS

The Plan is based upon a Prototype Plan document that has received tax exempt status from the Internal Revenue Service. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts, and Plan assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021 and investment income (loss) for the year ended December 31, 2022 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are issued and managed by Fidelity Management Trust Company, the trustee, or its affiliates. Transactions related to these investments qualify as party in interest transactions; however, they are exempt from the prohibitions under ERISA.

NOTE 7 - LOST EARNINGS

During 2021, the Company determined that some Plan participants' eligible compensation was erroneously omitted from inclusion for elective deferrals and matching contributions in past years. The Company made a qualified discretionary contribution during 2022 and made those participants affected by the inadvertent omission whole.
