Independent Auditors' Report

**To the Administrator of the
Guardian Bus Company, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Guardian Bus Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Guardian Bus Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent Guardian Bus Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Guardian Bus Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**To the Administrator of the
Guardian Bus Company, Inc. 401(k) Plan**
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Guardian Bus Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Guardian Bus Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Guardian Bus Company, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2022

1. Plan Description

The Guardian Bus Company, Inc. 401(k) Plan (the "Plan") is the 401(k) plan for Guardian Bus Company, Inc. and Professional Bus Service Maintenance, Inc. (collectively the "Company"). The following description provides only general information. The Plan document should be consulted for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) feature covering all employees of the Company. Employees are eligible to make elective deferrals and receive employer contributions on the first day of the calendar quarter following their completion of one year of service (consisting of 1,000 hours of service within one employment year). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute eligible pretax compensation, as defined by the Plan, up to the maximum allowed by law. Participants may also contribute distributions from other qualified plans (rollovers) excluding those from a designated Roth account. The Plan, in accordance with a union agreement, provides for an employer match for union mechanics or non-union office personnel in an amount of 50% of their elective deferrals up to 5% of their eligible compensation. The union agreement also requires that any participants that are union drivers/escorts receive a fixed contribution of \$2.50 for each day worked increasing to \$2.75 for each day worked as of September 1, 2022. All contributions are participant directed and can be redirected daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and allocations of discretionary contributions and Plan earnings and charged with the participant's withdrawals or distributions and an allocation of administrative expenses. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants' vesting of Company contributions plus actual earnings thereon is based on years of service. A participant vests 20% after one year of credited service and each year thereafter, until 100% vested after five years of credited service. Upon death, disability, or retirement, as defined by the Plan Document, a participant will become fully vested.

Guardian Bus Company, Inc. 401(k) Plan

Notes to Financial Statements

1. Plan Description (*continued*)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans require repayment within no more than 5 years, or up to 30 years if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest must be paid ratably through payroll deductions or otherwise in at least equal quarterly installments.

Payment of Benefits

Upon termination of service due to disability or retirement, a participant, or his or her beneficiary, may elect to receive one of the following forms of payment equal to the value of the participant's vested interest in his or her account: 1) Lump sum; 2) Life annuity; 3) Survivor annuity; or 4) partial distribution. In those cases where the vested balance, excluding rollovers, is less than \$5,000, a participant will receive the value of the vested interest as a lump sum distribution. Death benefits paid to a beneficiary will be paid in a lump sum distribution.

Forfeited Accounts

Forfeited accounts are amounts forfeited by participants who have terminated their employment and who have withdrawn from the Plan. At December 31, 2022 and 2021 forfeited non-vested accounts totaled \$2,549 and \$1,159. Forfeitures will be used to reduce administrative expenses; any remaining forfeitures will be used to reduce employer contributions. For the year ended December 31, 2022, forfeitures in the amount of \$1,086 were used to offset employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Guardian Bus Company, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2022

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts.

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Notes to Financial Statements
December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants or beneficiaries are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 29, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, a qualified institution.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022		
		Other Investments Measured at NAV*	Total
	Level 2		
Common/collective trusts	\$ -	\$ 2,346,909	\$ 2,346,909

		2021	
		Other	
		Investments	
		Measured	
	Level 2	at NAV*	Total
Common/collective trusts	\$ -	\$ 2,463,619	\$ 2,463,619

	<u>\$ 281,945</u>	<u>\$ 2,463,619</u>	<u>\$ 2,745,564</u>

(*) As discussed in Note 2 investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trusts

The Plan offers 13 common/collective trusts called the Principal LifeTime Hybrid Funds and Stable Value Fund ("Funds"). The NAV per unit of each of these Funds is determined on a daily basis. Units are issued and redeemed at their NAV per unit. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the NAV per unit. There are no redemption restrictions on these funds. The Plan has no unfunded commitments to these funds at December 31, 2022 and 2021.

6. Party-In-Interest Transactions

All investments of the Plan are managed by Principal Life Insurance Company, Principal Trust Company, or Principal Global Investors Trust Company, all of whom are members of Principal Financial Group. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype plan document preparer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and the related trust is tax exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Guardian Bus Company, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2022

7. Tax Status (*continued*)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2019; however, there are currently no examinations for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan document, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. In the case of a partial termination, only those who separate from service will become fully vested.

9. Prohibited Transactions

During 2022, the employer failed to transmit to the Plan certain participants' contributions within the period as prescribed by Department of Labor regulations. The Company has made the necessary corrections under the Voluntary Fiduciary Correction Program (VFCP).

10. Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various market risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
