INDEPENDENT AUDITOR'S REPORT

Administrator
Triple S Profit Sharing 401(k) Plan
Sioux City, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TRIPLE S PROFIT SHARING 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Triple S Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Triple S Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Triple S Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Triple S Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Triple S Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRIPLE S PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1 - DESCRIPTION OF THE PLAN

The following description of the Triple S Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering employees, as defined in the Plan of the employers listed below who are age twenty or older and complete three months of service. Employers are eligible to receive safe harbor and nonelective contributions if they complete one year of service and employer matching contributions if they complete three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan sponsor consists of the following affiliated companies:

State Steel Supply Co.
State Steel Supply Co. of Nebraska
State Steel of South Dakota, Inc.
Sioux City Compressed Steel, Inc.
State Steel of Des Moines, Inc.
State Steel of Spencer, Inc.
State Steel of Omaha, Inc.
PQ Holdings, LLC

Contributions - Each year, participants may contribute up to the maximum percentage of compensation and dollar amount permissible under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of all contributions into various investment options offered by the Plan. The plan sponsor's contribution includes a safe-harbor non-elective contribution for all participants. This contribution is determined using 5% of the applicable taxable wage base for the payment of social security taxes and 5% on excess compensation with a maximum compensation limit per participant as prescribed annually by the Internal Revenue Service. In addition, the plan provides for employer discretionary matching contributions and supplemental employer discretionary contributions for employees classified as President.

Participant Accounts - Each participant's account is credited with the participant's contributions, the Employer's contributions, as well as an allocation of the Plan's earnings, and charged with withdrawals, and an allocation of Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are 100% vested in their entire account upon entry into the Plan.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant or beneficiary may receive their account balance. The Plan allows in-service distributions for those participants that qualify.

TRIPLE S PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows accounting standards set by the Financial Accounting Standards Board, commonly referred to as the FASB. The FASB sets generally accepted accounting principles (GAAP) that the Plan follows to ensure it consistently reports the net assets and changes in net assets available for benefits. References to GAAP issued by the FASB in these footnotes are to the FASB *Accounting Standards Codification*, sometimes referred to as the Codification or ASC.

The following are the significant accounting policies followed by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from these estimates.

Risks and Uncertainties - The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value or net asset value using practical expedient. Net appreciation (decline) in the fair value of investments is based on the fair value of investments at the beginning of the year, or cost, if purchased during the year. Purchases and sales of securities are recorded on a trade-date-basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Cash Value of Life Insurance - The plan owns allocated life insurance policies on individual participants with cash values in the amount of \$70,677 and \$83,234 at December 31, 2022 and 2021, respectively. These amounts are excluded from plan assets for financial reporting purposes as prescribed by ERISA regulations.

TRIPLE S PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 3 - INVESTMENTS (UNAUDITED)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Empower Trust Company, the trustee of the Plan, that all of the information is complete and accurate. Information included in the accompanying financial statements as to investments, investment income, and all information in the supplemental schedule is presented in reliance solely upon those certifications.

Fair Value Measurement - FASB Codification defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles and establishes a hierarchy that categorizes and prioritizes the inputs to be used to estimate fair value. The levels of inputs used are as follows:

- * Level 1 - Quoted prices in active markets for identical assets or liabilities.
- * Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly such as outside comparable sales.
- * Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021, other than the change in Common Collective Trust valuation as explained below.

<i>Mutual Funds:</i>	Valued at the daily closing price as reported by the fund.
<i>Common Collective Trust:</i>	Valued based on the market price of the underlying intermediate-term bond portfolio or sales of similar bonds at December 31, 2021.
<i>Fixed Interest Fund:</i>	Valued based on the market price of the underlying intermediate-term bond portfolio or sales of similar bonds.

Note 3 - INVESTMENTS (UNAUDITED)

(Cont.)

(a) In accordance with ASC Subtopic 820-10 certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(b) Redemptions other than for benefit payments and participant transfers to noncompeting options require a twelve month written notice.

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in investment income in the Statement of Changes in Net Assets Available for Benefits.

Note 4 - PLAN TERMINATION

Although they have not expressed any intent to do so, the plan sponsors have the right, under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 5 - TRANSACTIONS WITH PARTIES IN INTEREST

The Plan pays several vendors for record keeping, administrative services, claims processing, custodianship of its investments, benefit consulting services, legal services and audit services. Transactions with the providers of these services would be considered to be transactions with parties in interest. Further, the Plan receives contributions from the participants' employers and those contributions would also constitute transactions with parties in interest.

Note 6 - FEDERAL INCOME TAX STATUS

The Plan obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The administrator has concluded that any uncertain tax positions would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statement of changes in net assets available for benefits or accrued in the statement of net assets available for benefits.

Note 7 - TERMINATED PARTICIPANTS

Account balances allocated to terminated participants that had not been paid at December 31, 2022 and 2021 totaled \$3,412,009 and \$2,592,983, respectively. These amounts represent terminated participants' vested account balances that had not been paid at year end. For financial statement purposes, these amounts are included in net assets available for benefits.

Note 8 - SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated all subsequent events, for potential recognition or disclosure, through September 25, 2023, the date the financial statements were available to be issued.
