Attention: Thomas Schwaab

We are pleased to present this report related to our audit of the financial statements of RPCI Oncology PC 401(k) Profit Sharing Plan (the Plan) as of and for the year ended December 31, 2022. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for the Plan's financial reporting process.

This report is intended solely for the information and use of the Plan Trustee and Management and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have about this report. We appreciate the opportunity to continue to be of service to the Plan.

REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated May 22, 2023. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 22, 2023, regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Audit Adjustments and Uncorrected Misstatements

An audit adjustment to record an employer receivable in the amount of \$35,307 was proposed to us and recorded by the Plan. We are not aware of any uncorrected misstatements other than those that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's Draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedules

We subjected the information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedules, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedules are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Reportable Findings

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in Exhibit A.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For Freed Maxick CPAs P.C. ("Freed") to fulfill its professional responsibility to maintain and monitor independence, management, the Plan Trustee, and Freed each play an important role.

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. Freed is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality control over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform Freed, before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers, or persons in financial reporting oversight roles.
 - New beneficial owners of the Plan Sponsor's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors, or persons in a decision-making capacity, engaging in business relationships with Freed.
- Not entering into relationships resulting in Freed, Freed covered persons, or their close family members, temporarily or permanently acting as an officer, director, or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Internal Control Matters

We have separately communicated control deficiencies that are reportable findings in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Exhibit A.

Other Operational Matters and Recommendations

We have separately communicated the other operational matters and recommendations identified during our audit of the financial statements, and this communication is attached as Exhibit B.

Significant Written Communications Between Management and Our Firm

Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached as Exhibit C.

EXHIBIT A
Internal Control Matters

Exhibit A – Internal Control Matters

To the Plan Administrator and Management
RPCI Oncology PC 401(k) Profit Sharing Plan

In planning and performing our audit of the financial statements of RPCI Oncology PC 401(k) Profit Sharing Plan as of and for the year ended December 31, 2022, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Following are descriptions of other identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Timeliness of Contributions

During our testing of timeliness of contributions, we noted several instances when participant deferrals were not remitted to the plan on a consistent basis. The Company should remit participant deferrals into the Plan as soon as they can be reasonably segregated and establish a pattern for doing so. If a situation arises where the Company is not able to follow their established pattern, the plan sponsor should document reasons for the departure.

The timely deposit of employee deferrals has been a highly publicized issue for the Department of Labor (DOL) and they are allocating resources for audits specifically addressing this issue. The DOL's audit procedure has been to review the Plan Sponsor's pattern for depositing deferrals. If, for example, a Plan Sponsor is able to deposit deferrals within three business days of month end, but deposits one month's deferrals ten business days after month end, that month is deemed to be a prohibited transaction. The DOL reasons that the Plan Sponsor has shown an ability to deposit the money within a shorter time frame; therefore, the funds for that one month were not deposited "as soon as they were reasonably segregated".

Additionally, we identified late contributions that amounted to \$18,451 and \$24,200 for the Plan Year 2022 and 2021. The DOL considers late deposits to be prohibited transactions. Prohibited transactions are required to be disclosed in a supplemental schedule to the Plan's audited financial statements. The Plan Sponsor should file a voluntary correction and ensure that the employees' deferrals are remitted to the Plan, along with lost earnings. Management should ensure lost earnings be deposited as soon as administratively feasible and, going forward, the Plan Sponsor should implement controls to ensure that all salary deferrals are remitted to the Plan in a timely and consistent manner. The Plan corrected the prohibited transactions of \$18,451 related to Plan Year 2022 by contributing lost earnings on behalf of the affected participants in March 2023. The Plan corrected the prohibited transactions of \$24,200 related to Plan Year 2021 by contributing lost earnings on behalf of the affected participants in January 2022.

Other Operational Matters and Recommendations

Exhibit B – Other Operational Matters and Recommendations

As a service to you, we looked for areas where the Plan can improve their administration and other current items based on recent legislation. The observations made and recommendations developed are the result of our normal audit procedures and not any special study, consequently, they are limited only to those more important areas which came to our attention during the course of our examination.

Meetings of Plan Officials

During our audit, it was noted that there were no minutes documented for the meeting of Plan officials. The Plan officials have a fiduciary duty to act in the exclusive retirement benefit interest of participants and control expenses of administration. We recommend periodic meetings of the Plan's officials be maintained as minutes provide documentation and allow for review and adjustment, if deemed necessary, of various Plan operations. These operations may include, but are not limited to, diversification of investments in order to minimize the risk of large losses, adequate coverage of bonding insurance, results and performance of the third-party administrator or the level of care taken in order to prevent the occurrence of prohibited transactions.

Investment Policy

During our audit, we noted a lack of a documented investment policy statement. The Plan Administrator and Trustee should establish and maintain an investment policy statement, which describes who is responsible for selecting and monitoring the Plan's investments and assets. The aforementioned investment policy statement serves as documentation that the fiduciaries acted in the best interest of the Plan's participants.

This representation letter is provided in connection with your audits of the financial statements of RPCI Oncology PC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021; the related statements of changes in net assets available for benefits for the years then ended; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of the auditor's report:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated May 22, 2023, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlines in FASB ASC 820.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.

13. We have no knowledge of any uncorrected misstatements in the financial statements
14. With respect to financial statement preparation services performed in the course of the audit:
- a. We have made all management decisions and performed all management functions;
 - b. We assigned an appropriate individual to oversee the services who possesses suitable skills, knowledge and (or) expertise;
 - c. We evaluated the adequacy and results of the services performed, and made an informed judgment on the results of the services performed;
 - d. We have accepted responsibility for the results of the services; and
 - e. We have accepted responsibility for all significant judgments and decisions that were made.

Supplementary Information

15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
- a. We believe such schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. The methods of measurement or presentation have not changed from those used in the prior period.
 - c. There are not underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
 - d. We will only present the ERISA-required supplemental schedules together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedules from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

16. We have provided you with:
- a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that you have requested from us for the purpose of the audit;
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
 - d. The currently effective version of the Plan document, including the non-standardized defined contribution plan document and adoption agreement, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended April 19, 2021;

- e. A draft of the Form 5500 that is substantially complete;
 - f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status;
 - g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
17. All transactions have been recorded in the accounting records and are reflected in the financial statements.
18. The Plan Sponsor's management designated an individual with sufficient skills, knowledge, and experience to oversee the financial statement preparation process and take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements, consisting of the following procedures:
- a. Reconciliation of the trust activity and participant statements to the financial statements.
 - b. Review and approval of all journal entries proposed by you, including the review of supporting documentation and explanations.
 - c. Review of the adequacy of financial statement disclosures.
 - d. Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
 - e. Applying analytical procedures to financial statements.
19. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:
- a. Management;
 - b. Employees who have significant roles in internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
22. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.

23. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
24. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.
25. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
26. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances or security interests have been properly disclosed.
27. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
28. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of the Plan.
29. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan, except as follows: We have disclosed non-exempt (prohibited) party-in-interest transactions related to late deposits of employee deferrals. Lost earnings on the deposits were calculated and deposited to the trust by the Plan Sponsor in 2022 and 2021. Form 5330 will also be filed to remit the applicable excise tax to the IRS. The correction and any excise taxes, if applicable were paid out of the Plan Sponsor's, and not the Plan's, assets. The late deposit amounts totaled approximately \$43,030.
30. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan. We have disclosed non-exempt (prohibited) party-in-interest transactions related to late deposits of employee deferrals. Lost earnings on the deposits were calculated and deposited to the trust by the Plan Sponsor in 2023 and 2022.
31. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations.
32. The Plan adopted a non-standardized form of a prototype plan sponsored by Actuarial Consulting Services, Inc., by a letter dated June 30, 2020, informing the Plan Sponsor that the Plan is qualified under the appropriate section(s) of the IRC. The Plan has been amended since receiving the determination letter. We have operated the Plan and trust in a manner that did not jeopardize this tax status.
33. We have reviewed the complementary user entity control considerations of the System and Organization Controls (SOC 1) Report for Defined Contribution Plan Recordkeeping Services of Principal Financial dated November 18, 2022, for the period ended September 30, 2022, and we believe all applicable controls are properly designed and implemented and operating effectively.
34. We have reviewed the complementary user entity control considerations of the System and Organization Controls (SOC 1) Report for Paylocity, dated November 18, 2022, for the twelve-month period ended September 30, 2022, and we believe all applicable controls are properly designed and implemented and operating effectively.
35. There are no:
 - a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedules.
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.

- c. Reportable transactions that were not disclosed in the supplemental schedules.
 - d. Minutes of the meetings of the Plan Trustees, or summaries of actions of recent meetings.
36. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Independent Auditor's Report

To the Participants and Administrator of the
RPCI Oncology PC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RPCI Oncology PC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), (ERISA Section 103(a)(3)(c)). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022, and schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RPCI ONCOLOGY PC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all full-time employees of RPCI Oncology (the Company) and who are age 21 or older, and are not collective bargaining employees, non-resident aliens, or per diem employees. The Plan is subject to the provisions of ERISA. The Plan Trustees are responsible for oversight of the Plan. The Plan Trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions: Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Company makes a safe harbor matching contribution. For the years ended December 31, 2022 and 2021, the safe harbor match is equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. Employer matching contributions are recorded each pay period. Employees are automatically eligible for the safe harbor match upon becoming eligible for employee contributions. During the years ended December 31, 2022 and 2021, the Company made \$457,442 and \$386,813 of employer matching contributions.

The Company may also make a profit-sharing discretionary contribution each year, in an amount determined by the Company. In order for a participant to receive the non-elective contribution, the employee must be employed on the last day of the plan year and have one year of service. No discretionary contributions were made by the Company during the years ended December 31, 2022 and 2021.

Participant Accounts: Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions and safe harbor employer match plus actual earnings thereon. Vesting in the Company's non-elective contribution portion of their accounts is based on years of continuous service. A participant is 20 percent vested after two years of service, 40 percent vested after three years of service, 60 percent vested after four years of service, 80 percent vested after five years of service, and 100 percent vested after six years of service.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: On termination of service due to death, disability, retirement, or when a participant ceases to be an employee of the Company, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. Participants may also request an in-service distribution upon attainment of age 59 ½ or for financial hardship. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

RPCI ONCOLOGY PC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts: At December 31, 2022 and 2021, there were no forfeited non-vested accounts. Forfeitures (used) during the years then ended amounted to \$0, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments.

Subsequent Events: The Plan has evaluated subsequent events through September 11, 2023, the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

RPCI ONCOLOGY PC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: The separate accounts are stated at net asset value per unit based on the quoted market prices of the underlying investments. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the separate accounts will sell the investments for an amount different from the NAV.

Common collective trust funds: Valued based on the NAV per unit of the fund provided by the trust. The NAV is used as a practical expedient to measure fair value. Unit values are determined by dividing the fund's net assets, which represents the fair value of the underlying investments, by its units outstanding at the valuation date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,697,151	\$ -	\$ -	\$ 1,697,151
Pooled separate accounts (a)	-	-	-	269,166
Common collective trust funds (a)	-	-	-	5,792,456
Total investments, at fair value	\$ 1,697,151	\$ -	\$ -	\$ 7,758,773
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,821,549	\$ -	\$ -	\$ 1,821,549
Pooled separate accounts (a)	-	-	-	263,407
Common collective trust funds (a)	-	-	-	5,745,270
Total investments, at fair value	\$ 1,821,549	\$ -	\$ -	\$ 7,830,226

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Investments Measured Using the NAV per Share Practical Expedient: The following tables summarize investments measured using the net asset value per share practical expedient as of December 31,:

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 269,166	n/a	Daily	None
Common collective trust funds	\$5,792,456	n/a	Daily	None

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 263,407	n/a	Daily	None
Common collective trust funds	\$5,745,270	n/a	Daily	None

Certain common collective trust funds have a redemption notice period of 12 months at the Plan level.

NOTE 4. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, Principal Life Insurance Company, and Principal Life Insurance Company as agent for Principal Global Investors Trust Company (collectively, Principal). Principal is the custodian of the Plan and, therefore, transactions with these parties qualify as party in interest transactions. Fees paid by the Plan for administrative services amounted to \$41,734 for the year ended December 31, 2022 (\$33,390 - 2021).

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6. TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Actuarial Consulting Services, Inc. The prototype plan has received an opinion letter from the IRS dated June 30, 2020 regarding the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. Although this Plan has been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

RPCI ONCOLOGY PC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. FINANCIAL CERTIFICATION

The following unaudited financial information relating to the Plan's assets as of December 31, 2022 and 2021, as well as transactions for the years ended December 31, 2022 and 2021, has been derived from information provided by Principal, the custodian of the Plan, and has been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certifications and has not been audited by independent accountants.

NOTE 10. PROHIBITED TRANSACTIONS

The Plan Sponsor inadvertently failed to deposit \$18,830 and \$24,200 of participant elective deferral contributions for the year ending December 31, 2022 and 2021 within the required time frame as stated by the United States Department of Labor (DOL) regulations. This represents elective deferral contributions for two and four pay periods during 2022 and 2021, respectively. The Plan Sponsor has corrected the errors involving delinquent contributions by contributing the amounts to the Plan (with additional earnings), filing a Form 5330, and paying applicable excise tax to the IRS during 2022 and 2023. The excise tax payments were made from the Company's assets and not the assets of the Plan.
