INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Red Light Management, LLC 401(k) Plan
Charlottesville, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of Red Light Management, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, for the years ended December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RED LIGHT MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of the Red Light Management, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Red Light Management, LLC and its wholly-owned subsidiaries and affiliates (West Ridge Jet Services, LLC; Jefferson Theater Productions, LLC; Sushi-Ten, LLC; Mas Holdings, LLC; Ultrasound, LLC; and Red Light Ventures, LLC; collectively, the "Company"). Red Light Ventures, LLC was included in the Plan effective July 1, 2021. Employees become eligible to participate after completing six months of service and attaining age 18. Employees are eligible for entry to the Plan on the first day of the quarter coinciding with or next following the date the employee satisfies the eligibility requirements. Employees from Red Light Ventures, LLC became eligible to participate in the Plan on July 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

See Note 11 regarding wholly-owned subsidiaries and affiliates transferred out of the Plan during 2021.

Contributions: The Plan provides for participant contributions of pre-tax annual compensation, as defined in the Plan. The Plan provides for employer safe harbor matching contributions up to 100% of the first 4% of compensation. Participants of qualifying age may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct Principal Trust Company, the custodian, as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. The Plan operates as a safe harbor 401(k) plan; thus, a participant is immediately 100% vested in the Company's matching contributions, plus actual earnings thereon.

RED LIGHT MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements, Continued

1. Description of Plan, Continued:

Notes Receivable from Participants: Participants may borrow from their Plan accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years, unless the proceeds are used to acquire a principal residence. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by Principal Trust Company, the custodian and third-party administrator of the Plan.

Payments of Benefits: Distribution of a participant's account will occur upon the participant's termination of service, death, disability, retirement, or hardship withdrawal, as defined by the Plan. Participants are entitled to receive a lump-sum, installment or annuity payments in amounts equal to the value of their account.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment Valuation and Income Recognition, Continued: Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

RED LIGHT MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements, Continued

2. Summary of Significant Accounting Policies, Continued:

Subsequent Events: Management has evaluated subsequent events through October 03, 2023, the date the financial statements were available to be issued and has determined that there are no subsequent events to be reported in the accompanying financial statements.

3. Fair Value Measurements:

The Financial Accounting Standards Board (FASB) has issued guidance for measurement and disclosure of fair value and established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Unit value calculated based on the net assets or observable NAV of the underlying pool of securities or investments. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

Common/collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

RED LIGHT MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of the Plan's year end date:

		Investments at Fair Value as of December 31, 2022	
		Level 1	Total
Investments:			
Mutual funds		<u>\$ 9,191,253</u>	\$ 9,191,253
Investments measured at NAV *			<u>14,498,559</u>
Investments at fair value			<u>\$ 23,689,812</u>
		Investments at Fair Value as of December 31, 2021	
		Level 1	Total
Investments:			
Mutual funds		<u>\$ 11,139,166</u>	\$ 11,139,166
Investments measured at NAV *			<u>16,150,376</u>
Investments at fair value			<u>\$ 27,289,542</u>

* Certain investments that were measured at NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

RED LIGHT MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2022 and 2021, respectively:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2022:				
Common/collective trust	\$ 573,719	N/A	Daily	N/A
Pooled separate accounts	\$ 13,924,840	N/A	Daily	30 days
December 31, 2021:				
Common/collective trust	\$ 854,432	N/A	Daily	N/A
Pooled separate accounts	\$ 15,295,944	N/A	Daily	30 days

4. Administrative Expenses:

As required by the Plan, a portion of the costs of the Plan administration is absorbed by the Company.

5. Risks and Uncertainties:

The Plan provides for investments in various securities. Investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

6. Tax Status:

The Internal Revenue Service ("IRS") has determined and informed the prototype sponsor by a letter dated June 30, 2020 that the adopted prototype plan is designed in accordance with the applicable sections of the Internal Revenue Code.

Management has evaluated the effects of accounting guidance related to uncertain tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2022 and 2021. The Plan is not currently under audit by any tax authority.

Notes to Financial Statements, Continued

7. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. Related Party Transactions:

The Plan invests in a number of Principal Trust Company's pooled separate accounts and a common/collective trust. These are related party transactions and are identified as parties-in-interest in the accompanying schedule of assets held for investment purposes. The Plan paid administrative fees to the custodian totaling \$74,872 during 2022 and \$92,165 during 2021.

9. Financial Information Certified by the Custodian:

Principal Trust Company, the custodian of the Plan, has certified that the following information is complete and accurate:

- Investments, at fair value
- Investment income
- Schedule of assets (held at end of year)
- Interest income on notes receivable from participants

10. Prohibited Transactions:

During the plan year ended December 31, 2022, the Company failed to remit an aggregate of \$2,768 of participant contributions timely on 5 occasions, as reflected in the supplemental schedule of delinquent participant contributions. The Company has submitted additional funds for lost earnings in the amount of \$10 to the affected participant accounts as of August 11, 2023. The Company reported these transactions to the IRS under its voluntary correction program.
