Independent Auditors' Report

To the Participants and Plan Administrator
Alternative Behavior Strategies Retirement Plan
Encino, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alternative Behavior Strategies Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to benefits provided under the Plan and certified to by a qualified institution or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALTERNATIVE BEHAVIOR STRATEGIES RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Alternative Behavior Strategies Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information of the Plan's provisions. The Plan is a defined contribution plan and was adopted on January 1, 2015.

Eligibility

The Plan covers substantially all employees of Alternative Behavior Strategies, LLC and its affiliates ABS Utah P.C., ABS Kids P.C. and ABS Psychology Services California, P.C. (collectively the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

From January 1, 2015 through March 31, 2018, the employee must have completed six months of service and be at least 21 years of age to participate in the Plan, make elective deferral contributions and be eligible to receive employer matching contributions. This eligibility requirement was waived for all employees employed as of January 1, 2015. The employees could join the Plan on January 1 and July 1 after meeting their eligibility criteria.

Effective April 1, 2018, the eligibility requirement was changed to three months of service, with an immediate entry date for eligible employees. Effective June 4, 2020, the eligibility requirement was changed to six months of service, with an immediate entry date for eligible employees.

Effective April 1, 2021, the eligibility requirement was changed to the earlier of (A) reaching age 21 and being credited with one year of Eligibility Service (as defined in the Plan agreement) with the Plan entry on the earlier of January 1 of the following year or six months after the eligibility requirement is met, or (B) reaching age 21 and being credited with six consecutive months of employment with the immediate entry date.

Contributions and Automatic Deferral Provisions

Each participant may contribute up to 100% of eligible compensation deferred and designated as an employee savings contribution, subject to Internal Revenue Service ("IRS") regulation limitations. Employees who attained age 50 are eligible to make Catch-up contributions. Participants may designate all or part of their contributions as Roth contributions.

Prior to June 4, 2020, the Plan adopted an automatic contribution arrangement, where Plan participants who do not make affirmative elections are automatically set up to defer a percentage of their eligible compensation. From the period from January 1, 2015 through July 19, 2018, the automatic deferral arrangement was 6% of eligible compensation. Beginning on July 20, 2018, it was reduced to 5% of eligible compensation. Effective June 4, 2020, the automatic deferral arrangement was eliminated.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Contributions and Automatic Deferral Provisions - Continued

Pursuant to the Plan's provisions, the Company may elect to make discretionary matching contributions. Beginning on January 1, 2015, the Company elected to match 33.3% of the first six percent of the participants' eligible compensation contributed to the Plan as participants' deferral contributions.

Effective on January 1, 2017, the Company made matching contributions equal to 100% of the first three percent, and 50% of the next two percent of the participants' eligible compensation deferred to the Plan.

The Plan also allows rollover contributions from other qualified plans.

Vesting

Participants are always 100% vested in their deferrals and rollover contributions. Participants are also 100% vested in the employer's qualified matching and nonelective contributions credited to their accounts. The Company's discretionary matching contributions made prior to January 1, 2017, vest over six years of service, at 20% per year, beginning after the second year of service. The Company's matching contributions made after January 1, 2017, are 100% vested. Upon death, participants become 100% vested in their account balances.

Participant Accounts

Separate accounts are maintained for each participant which are adjusted for employee deferrals, rollover contributions, employer matching contributions and allocations of forfeitures, administrative expenses and investment earnings. Allocations are based on participant earnings or account balances, as defined. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account. Participants direct all investment transactions within their accounts.

Forfeitures

Forfeitures are generally used to reduce employer contributions or pay administrative expenses of the Plan. During the year ended December 31, 2022, the forfeitures totaled \$2,864.

Funding Policy

The Company is required to make all employee savings and employer matching contributions under the Plan for each taxable year. In no event shall the amount contributed by the employer in any year exceed the maximum deductible by the employer under Section 404(a)(3) of the Internal Revenue Code ("IRC").

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits

Upon termination of service due to death, disability or retirement, participants or their beneficiaries may elect to receive all of their elective contributions, the income allocable to such amounts and the vested portion of the employer contribution. Benefits are generally paid in a lump-sum but the beneficiary may elect to have the amounts paid in partial withdrawals.

Notes Receivable from Participants

Effective June 4, 2020, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The loans are secured by the balance in the participant's account, accrue interest at a rate determined by the Plan sponsor's management that is based on rates currently being used by financial institutions lending money under similar circumstances (which ranged from 4.25% to 8.50% per annum in 2022), and are required to be repaid in monthly installments including interest within five years, or within 30 years if the loan is used to purchase a primary residence. Principal and interest are paid ratably through monthly payroll deductions. See Note 9 for temporary changes related to loan terms.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant accounts and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Plan's Fiscal Year

The Plan's fiscal year is from January 1 to December 31.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

ALTERNATIVE BEHAVIOR STRATEGIES RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and by the Plan's trustee. See Note 8 for discussion of fair value measurements.

Sales and purchases of investments are accounted for on a trade-date basis, interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefits

Benefit payments to participants are recorded when paid.

Concentration of Credit Risk

Financial instruments, which potentially subject the Plan to concentration of credit risk, consist of investments that are placed with high credit quality financial institutions.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report, which is the date the accompanying financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 - INFORMATION CERTIFIED BY PLAN'S TRUSTEES

The Plan administrator has elected to have the audit of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under ERISA. Accordingly, Principal Life Insurance Company and Principal Trust Company, the Plan's trustees, have certified that the following investment information is complete and accurate:

- * Fair value of investments and the carrying amount of notes receivable from participants as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- * Investment income and interest income on notes receivable from participants as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- * Investment information reflected in the Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

As permitted by ERISA Section 103(a)(3)(C), the audit did not extend to any statements of information related to the certified financial information.

NOTE 4 - PARTY-IN-INTEREST

Certain Plan investments are units of collective investment trusts managed by Principal Life Insurance Company, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest, as defined by the applicable ERISA rules and regulations. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. For the year ended December 31, 2022, the direct fees paid by the Plan to the Plan trustee for administrative services totaled \$101,674. These transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

ALTERNATIVE BEHAVIOR STRATEGIES RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 - TAX STATUS

The Plan was adopted as a version of a prototype plan. In its opinion letter dated June 30, 2020, the IRS has stated that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter for the prototype plan, the Plan administrator and the Plan's trustee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements and Disclosures* ("ASC 820"), establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

ALTERNATIVE BEHAVIOR STRATEGIES RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 - FAIR VALUE MEASUREMENTS - CONTINUED

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: - Quoted prices for similar assets or liabilities in active markets; - Quoted prices for identical or similar assets or liabilities in inactive markets; - Inputs other than quoted prices that are observable for the asset or liability; - Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021:

Collective Investment Trust: Net asset value ("NAV") is based on the contract value. Investments held by this trust are required to be reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of this trust attributable to fully benefit-responsive contracts. Contract value is the amount Plan participants would receive if they were to initiate permitted transactions under the terms of the Plan. The NAV is not publicly quoted but is available to Plan participants. The NAV is the basis for current transactions and the trust can be redeemed at NAV as of the measurement date. The NAV is calculated consistently with GAAP for investment companies and is valued similarly to mutual funds. Therefore, the Plan management believes this investment has a "Readily Determinable Fair Value" and should be classified as Level 1.

ALTERNATIVE BEHAVIOR STRATEGIES RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 - FAIR VALUE MEASUREMENTS - CONTINUED

Mutual Funds : Valued based on the daily closing price of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the Securities Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded and are classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the Plan's fair value hierarchy for the assets and liabilities measured at fair value on a recurring basis. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,057,803	\$ -	\$ -	\$ 10,057,803
Collective investment trust	201,180	-	-	201,180
Total assets in the fair value hierarchy	<u>\$ 10,258,983</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,258,983</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,543,623	\$ -	\$ -	\$ 8,543,623
Collective investment trust	24,874	-	-	24,874
Total assets in the fair value hierarchy	<u>\$ 8,568,497</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,568,497</u>

For the year ended December 31, 2022, there were no transfers between Levels 1 and 2.

NOTE 9 - CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

The novel coronavirus (or "COVID-19") has adversely affected, and may continue to adversely affect economic activity globally, nationally, and locally. These economic and market conditions and other effects of the COVID-19 pandemic may adversely affect the volatility of Plan assets. The extent of any adverse impact of the COVID-19 pandemic on the Plan participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits are unknown at this time.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Acts ("CARES Act") was passed into law, which was aimed at providing financial relief to small businesses and their employees amid the COVID-19 pandemic. The CARES Act contains various provisions impacting qualified retirement plans and their participants. These provisions may be adopted by plans immediately while implementing amendments at a later date. These provisions include relief from the 10 percent withdrawal penalty for participants under the age of 59.5 years for coronavirus-related distributions, as defined in the law, up to \$100,000 per participant; higher limits on the amount of new loans participants may request and temporary relief from loan repayments on existing loans; and relief from required minimum distributions for retirement age participants. Some of these provisions have been adopted by the Plan. Where amendments to the Plan would be required, the CARES Act permits employers to formalize the amendments by December 31, 2025. All such amendments will be retroactively effective to March 27, 2020, or a later stated effective date. The Plan is currently evaluating the need for any amendments to the Plan document.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 11 - OPERATIONAL ERRORS AND CORRECTIONS

In 2021 and 2022, the Company's management undertook a review of the Plan and how it has been operated, and identified a number of operational failures that occurred during the Plan years ending December 31, 2020 and 2021. These operational failures involved (i) missed deferral opportunities and (ii) related matching contributions on those missed deferral opportunities. The Company's management determined that the foregoing operational failures were eligible for correction under the Self Correction Program ("SCP") provisions of the IRS Revenue Procedure ("Rev. Proc.") 2021-30. These identified operational failures have already been corrected in a manner intended to be consistent with SCP's requirements and/or are in the process of being so corrected.

The correction of the identified operational failures required the Company to make corrective non-elective contributions to the Plan; pursuant to Rev. Proc. 2019-19; these corrective contributions are considered qualified non-elective contributions ("QNECs"). In 2022, the Company deposited to the Plan \$111,645 in QNECs for the Plan years 2020 and 2021. QNEC receivable as of December 31, 2022 and 2021, totaled \$1,726 and \$113,371, respectively. These amounts are included in Employer contributions receivable in the accompanying Statements of Net Assets Available for Benefits.

In addition, the Company's management discovered that in 2020 and 2021, certain 401(k) deferrals were not deposited in accordance with the Department of Labor's timing requirements under 29 CFR § 2510.3-102(a). As a result, upon discovery, the Company initiated the correction of the late deferral issue in accordance with the requirements established by the Employee Benefits Security Administration ("EBSA") and restored lost earnings on the delinquent deposits to the Plan.
