(2) From this plan	2l(2)		0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **MAYER HOFFMAN MCCANN P.C.**

(2) EIN: **43-1947695**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X

MODERNIZING MEDICINE, INC. 401(k) PLAN

FINANCIAL STATEMENTS

Years Ended December 31, 2022 and 2021

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants
Modernizing Medicine, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of Modernizing Medicine, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Modernizing Medicine, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document or summary plan description, both of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan sponsored by Modernizing Medicine, Inc. (the "Company") for the benefit of its employees who are at least twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's Administrative Committee and the plan administrator have overall responsibility for the operation and management of the Plan, determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

Plan administration - Fidelity Management Trust Company ("Fidelity") serves as the Plan's trustee and third-party administrator.

Plan amendments - Effective January 1, 2021, the Plan was amended to remove discretionary matching employer contributions from the Plan and will make safe harbor matching contributions as defined in the plan document. Additionally, leased employees are no longer permitted to participate in the Plan.

Effective June 29, 2021, the plan document was amended and restated to conform to the latest laws and regulations applicable to the Plan. No changes were made to key provisions as disclosed.

There were no plan amendments during 2022.

Contributions - Participants may contribute up to 80% of their pre-tax annual compensation, as defined in the plan document, and/or make Roth deferrals to the Plan, subject to annual limitations prescribed by the Internal Revenue Code (the "Code"). Participants may begin making contributions to the Plan immediately upon meeting eligibility requirements. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions, as defined in the plan document. Participants direct the investment of all contributions into various investment options offered by the Plan.

Under the provisions of the plan document, the Company makes safe harbor matching contributions to the Plan in an amount equal to 100% of the first 4% of eligible compensation that each participant defers to the Plan. For the years ended December 31, 2022 and 2021, the Company made safe harbor matching contributions totaling approximately \$4,706,000 and \$3,626,000, respectively. These contribution totals are prior to offsetting forfeitures, which are described below. In addition to the safe harbor matching contributions, the Company may make discretionary matching contributions. For the years ended December 31, 2022 and 2021, the Company did not make any discretionary matching contributions. All Company contributions are subject to limitations as prescribed by the Code.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Participant investment account options – Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies and a money market fund.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their own contributions, discretionary matching contributions, and safe harbor matching contributions, plus actual earnings thereon. Participants are also immediately vested upon death, disability, or upon reaching normal retirement age, all as defined in the plan document. Vesting in the Company's non-elective contributions, plus actual earnings thereon, is subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Prior service time for participants with an entity acquired in a previous year by the Company has been recognized for vesting purposes in the Plan.

Forfeited accounts - Forfeitures of terminated nonvested account balances are retained in the Plan and may be used to offset Company contributions and/or pay the Plan's administrative expenses. Forfeitures during the years ended December 31, 2022 and 2021 amounted to approximately \$146,000 and \$0, respectively and were used to reduce Company contributions. Unapplied forfeitures as of December 31, 2022 and 2021 were not significant.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All notes have a definite repayment period not to exceed five years, unless used for the purchase of a primary residence in which case the Plan permits a longer repayment period. The notes are secured by the balance in the participant's account and bear interest. Notes shall bear interest at the prime rate as reported by Thomson Reuters plus one percentage point. Principal and interest are paid ratably through payroll deductions. Participants may not have more than one note outstanding at any time.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Payment of benefits - On termination of service due to death, disability, retirement, other reasons as outlined in the plan document, or qualifying under certain "hardship" rules as prescribed by the Internal Revenue Service ("IRS"), a participant may elect to receive distributions from the Plan in an amount up to the value of the participant's vested interest in his or her account. Participants may also receive in-service distributions upon reaching 59½ years of age. Distributions of at least \$5,000 may be made in the form of a lump sum payment, installments, or as a rollover into another qualified plan. Distributions of less than \$5,000 and hardship distributions are made in the form of one lump sum payment.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee and the plan administrator determine the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains distributions from registered investment companies are recorded as dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Fees related to the administration of a note are charged directly to the participant's account. If a participant ceases to make note repayments and the plan administrator deems the note to be in default, the remaining note balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payments of benefits - Benefits are recorded when paid.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included on the statements of changes in net assets available for benefits. Other expenses related to the Plan, such as recordkeeping fees, are paid for by the Plan and are recorded as administrative expenses on the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

(3) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Valued at the daily closing price as reported by the fund. These assets held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission and are deemed to be actively traded. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Money market funds: Valued at the quoted NAV of shares held by the Plan at year-end.

The preceding methodologies described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 58,940,387	\$ -	\$ -	\$ 58,940,387
Money market funds	2,329,174	-	-	2,329,174
Total assets in the fair value hierarchy	<u>\$ 61,269,561</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 61,269,561</u>

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 59,587,464	\$ -	\$ -	\$ 59,587,464
Money Market funds	1,519,591	-	-	1,519,591
Total assets in the fair value hierarchy	<u>\$ 61,107,055</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 61,107,055</u>

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(5) **Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in the Company's contributions.

(6) **Tax status**

The IRS has determined that the volume submitter profit sharing plan provided by Fidelity is designed in accordance with applicable sections of the Code and informed Fidelity of such in a letter dated March 31, 2014. Although the Plan has been amended since the date of this letter, the plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the Code.

Effective June 29, 2021, the Company adopted a non-standardized pre-approved profit sharing plan provided by Fidelity. The IRS has issued an opinion letter to Fidelity dated June 30, 2020 stating that the non-standardized document is designed in accordance with applicable sections of the Code. Although the Plan has been amended since the date of this letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable sections of the Code.

Accounting principles generally accepted in the United States of America requires the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) **Risks, uncertainties, and concentrations**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

At December 31, 2022 approximately 23% of the Plan's investments were invested in two funds. On December 31, 2021, approximately 33% of the Plan's investments were invested in three funds.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(8) Related party transactions and party-in-interest transactions

The Plan's investments are shares of registered investment companies and money market funds managed by Fidelity. Fidelity is the trustee and recordkeeper for the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity for the years ended December 31, 2022 and 2021 amounted to \$102,647 and \$102,339, respectively.

Additionally, certain investment related fees incurred by the Plan have been included in net appreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment. The Company pays directly any other fees related to the Plan's operations.

(9) Reconciliations of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:

	December 31,	
	2022	2021
Net assets available for benefits per the financial statements	\$ 62,287,974	\$ 62,436,780
Less: participants' contributions receivable	-	(304,661)
Less: employer contributions receivable	-	(154,596)
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 62,287,974</u>	<u>\$ 61,977,523</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the years ended December 31, 2022 and 2021 to Schedule H of Form 5500:

	Years Ended December 31,	
	2022	2021
Net increase (decrease) per the financial statements	\$ (148,806)	\$ 18,718,631
Less: current year participants' contributions receivable	-	(304,661)
Less: current year employer contributions receivable	-	(154,596)
Add: prior year participants' contributions receivable	304,661	-
Add: prior year employer contributions receivable	154,596	-
Net income (loss) per Schedule H of Form 5500	<u>\$ 310,451</u>	<u>\$ 18,259,374</u>

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(9) Reconciliations of financial statements to Schedule H of Form 5500 (continued)

Additionally, certain balances as reported on Schedule H of Form 5500 as of December 31, 2022 and 2021 have been reclassified on the accompanying statements of net assets available for benefits. These reclassifications have no impact on net assets available for benefits at December 31, 2022 and 2021 or changes in net assets available for benefits for the years then ended.

(10) Subsequent events

The Plan has evaluated subsequent events through October 3, 2023, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation, except as discussed below.

The Plan was amended, effective January 1, 2023, to exclude from the definition of compensation bonuses, including corporate, discretionary, non-discretionary, referral, relocation, retention and signing bonuses.

Effective March 27, 2023, the Plan was amended to allow for the merger into the Plan of two separate plans sponsored by Klara Technologies, Inc., a business acquired by the Company.

MODERNIZING MEDICINE, INC. 401(k) PLAN

FINANCIAL STATEMENTS

Years Ended December 31, 2022 and 2021

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants
Modernizing Medicine, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of Modernizing Medicine, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Modernizing Medicine, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document or summary plan description, both of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan sponsored by Modernizing Medicine, Inc. (the "Company") for the benefit of its employees who are at least twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's Administrative Committee and the plan administrator have overall responsibility for the operation and management of the Plan, determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

Plan administration - Fidelity Management Trust Company ("Fidelity") serves as the Plan's trustee and third-party administrator.

Plan amendments - Effective January 1, 2021, the Plan was amended to remove discretionary matching employer contributions from the Plan and will make safe harbor matching contributions as defined in the plan document. Additionally, leased employees are no longer permitted to participate in the Plan.

Effective June 29, 2021, the plan document was amended and restated to conform to the latest laws and regulations applicable to the Plan. No changes were made to key provisions as disclosed.

There were no plan amendments during 2022.

Contributions - Participants may contribute up to 80% of their pre-tax annual compensation, as defined in the plan document, and/or make Roth deferrals to the Plan, subject to annual limitations prescribed by the Internal Revenue Code (the "Code"). Participants may begin making contributions to the Plan immediately upon meeting eligibility requirements. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions, as defined in the plan document. Participants direct the investment of all contributions into various investment options offered by the Plan.

Under the provisions of the plan document, the Company makes safe harbor matching contributions to the Plan in an amount equal to 100% of the first 4% of eligible compensation that each participant defers to the Plan. For the years ended December 31, 2022 and 2021, the Company made safe harbor matching contributions totaling approximately \$4,706,000 and \$3,626,000, respectively. These contribution totals are prior to offsetting forfeitures, which are described below. In addition to the safe harbor matching contributions, the Company may make discretionary matching contributions. For the years ended December 31, 2022 and 2021, the Company did not make any discretionary matching contributions. All Company contributions are subject to limitations as prescribed by the Code.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Participant investment account options – Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies and a money market fund.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their own contributions, discretionary matching contributions, and safe harbor matching contributions, plus actual earnings thereon. Participants are also immediately vested upon death, disability, or upon reaching normal retirement age, all as defined in the plan document. Vesting in the Company's non-elective contributions, plus actual earnings thereon, is subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Prior service time for participants with an entity acquired in a previous year by the Company has been recognized for vesting purposes in the Plan.

Forfeited accounts - Forfeitures of terminated nonvested account balances are retained in the Plan and may be used to offset Company contributions and/or pay the Plan's administrative expenses. Forfeitures during the years ended December 31, 2022 and 2021 amounted to approximately \$146,000 and \$0, respectively and were used to reduce Company contributions. Unapplied forfeitures as of December 31, 2022 and 2021 were not significant.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All notes have a definite repayment period not to exceed five years, unless used for the purchase of a primary residence in which case the Plan permits a longer repayment period. The notes are secured by the balance in the participant's account and bear interest. Notes shall bear interest at the prime rate as reported by Thomson Reuters plus one percentage point. Principal and interest are paid ratably through payroll deductions. Participants may not have more than one note outstanding at any time.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Payment of benefits - On termination of service due to death, disability, retirement, other reasons as outlined in the plan document, or qualifying under certain "hardship" rules as prescribed by the Internal Revenue Service ("IRS"), a participant may elect to receive distributions from the Plan in an amount up to the value of the participant's vested interest in his or her account. Participants may also receive in-service distributions upon reaching 59½ years of age. Distributions of at least \$5,000 may be made in the form of a lump sum payment, installments, or as a rollover into another qualified plan. Distributions of less than \$5,000 and hardship distributions are made in the form of one lump sum payment.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee and the plan administrator determine the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains distributions from registered investment companies are recorded as dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Fees related to the administration of a note are charged directly to the participant's account. If a participant ceases to make note repayments and the plan administrator deems the note to be in default, the remaining note balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payments of benefits - Benefits are recorded when paid.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included on the statements of changes in net assets available for benefits. Other expenses related to the Plan, such as recordkeeping fees, are paid for by the Plan and are recorded as administrative expenses on the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

(3) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Valued at the daily closing price as reported by the fund. These assets held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission and are deemed to be actively traded. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Money market funds: Valued at the quoted NAV of shares held by the Plan at year-end.

The preceding methodologies described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 58,940,387	\$ -	\$ -	\$ 58,940,387
Money market funds	2,329,174	-	-	2,329,174
Total assets in the fair value hierarchy	<u>\$ 61,269,561</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 61,269,561</u>

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 59,587,464	\$ -	\$ -	\$ 59,587,464
Money Market funds	1,519,591	-	-	1,519,591
Total assets in the fair value hierarchy	<u>\$ 61,107,055</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 61,107,055</u>

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(5) **Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in the Company's contributions.

(6) **Tax status**

The IRS has determined that the volume submitter profit sharing plan provided by Fidelity is designed in accordance with applicable sections of the Code and informed Fidelity of such in a letter dated March 31, 2014. Although the Plan has been amended since the date of this letter, the plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the Code.

Effective June 29, 2021, the Company adopted a non-standardized pre-approved profit sharing plan provided by Fidelity. The IRS has issued an opinion letter to Fidelity dated June 30, 2020 stating that the non-standardized document is designed in accordance with applicable sections of the Code. Although the Plan has been amended since the date of this letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable sections of the Code.

Accounting principles generally accepted in the United States of America requires the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) **Risks, uncertainties, and concentrations**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

At December 31, 2022 approximately 23% of the Plan's investments were invested in two funds. On December 31, 2021, approximately 33% of the Plan's investments were invested in three funds.

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(8) Related party transactions and party-in-interest transactions

The Plan's investments are shares of registered investment companies and money market funds managed by Fidelity. Fidelity is the trustee and recordkeeper for the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity for the years ended December 31, 2022 and 2021 amounted to \$102,647 and \$102,339, respectively.

Additionally, certain investment related fees incurred by the Plan have been included in net appreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment. The Company pays directly any other fees related to the Plan's operations.

(9) Reconciliations of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:

	December 31,	
	2022	2021
Net assets available for benefits per the financial statements	\$ 62,287,974	\$ 62,436,780
Less: participants' contributions receivable	-	(304,661)
Less: employer contributions receivable	-	(154,596)
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 62,287,974</u>	<u>\$ 61,977,523</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the years ended December 31, 2022 and 2021 to Schedule H of Form 5500:

	Years Ended December 31,	
	2022	2021
Net increase (decrease) per the financial statements	\$ (148,806)	\$ 18,718,631
Less: current year participants' contributions receivable	-	(304,661)
Less: current year employer contributions receivable	-	(154,596)
Add: prior year participants' contributions receivable	304,661	-
Add: prior year employer contributions receivable	154,596	-
Net income (loss) per Schedule H of Form 5500	<u>\$ 310,451</u>	<u>\$ 18,259,374</u>

MODERNIZING MEDICINE, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(9) Reconciliations of financial statements to Schedule H of Form 5500 (continued)

Additionally, certain balances as reported on Schedule H of Form 5500 as of December 31, 2022 and 2021 have been reclassified on the accompanying statements of net assets available for benefits. These reclassifications have no impact on net assets available for benefits at December 31, 2022 and 2021 or changes in net assets available for benefits for the years then ended.

(10) Subsequent events

The Plan has evaluated subsequent events through October 3, 2023, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation, except as discussed below.

The Plan was amended, effective January 1, 2023, to exclude from the definition of compensation bonuses, including corporate, discretionary, non-discretionary, referral, relocation, retention and signing bonuses.

Effective March 27, 2023, the Plan was amended to allow for the merger into the Plan of two separate plans sponsored by Klara Technologies, Inc., a business acquired by the Company.
