INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Trustees, and Participants of Lawton Group LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lawton Group LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lawton Group LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lawton Group LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lawton Group LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lawton Group LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lawton Group LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LAWTON GROUP LLC 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

Lawton Group LLC 401(k) Plan (the "Plan") is a defined contribution plan covering eligible employees of Lawton Group LLC; Lawton Mechanical Contractors, L.P.; Powerhouse Plumbing LLC dba Benjamin Franklin Plumbing; Saber Plumbing LLC; Saber Financial LP; Saber Capital I LLC; Saber Leasing LP; and Buckaroo Pest Protection, collectively Lawton Group LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 2022, the Plan was amended and restated to reflect Plan name and employer name changes. No Plan provisions were modified.

Plan Administration

Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (together "Principal") is the custodian of the Plan's investment assets and executes investment transactions at the direction of Plan participants, receives contributions, interest and dividend income, pays administrative expenses, and makes distributions to participants. Principal Life Insurance Company Retirement Plan Services (the "Recordkeeper") maintains participant account information. The Plan also uses the services of Nova 401(k) Associates ("NOVA") to perform annual compliance testing, prepare the Plan's Form 5500, and assist the Plan administrator in day-to-day activities of the Plan. The rollover IRA custodian is Principal Bank IRA. Genesis Financial Group provides investment advisory services to the Plan and participants.

Basic clerical and enrollment functions of the Plan are performed by employees who are appointed by the board of directors of the Company. The Plan is administered by an individual from Company management (the "Plan Administrator") which is appointed by the board of directors of the Company. Certain owners of the Company serve as trustees (the "Trustees") of the Plan and are charged with oversight of the Trust fund. No owner or employee receives compensation for services.

Eligibility

Employees become eligible to participate in the Plan for salary deferrals after reaching eighteen years of age and completing 60 days of service. New participants may begin making salary deferral contributions on the first day of the month coinciding with or next following the date all eligibility requirements are met. Employees become eligible to participate for purposes of matching and employer nonelective contributions after satisfying a one year of service requirement of at least 1,000 hours and reaching eighteen years of age. The Plan excludes collectively bargained employees and employees who are nonresident aliens who receive no compensation from the Company which constitutes U.S. source income.

Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, up to the \$20,500 maximum allowable under the Internal Revenue Code (the "Code"), for 2022 contributions. Compensation earned prior to satisfying all eligibility requirements is excluded. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, up to the \$6,500 maximum allowable under the Code for 2022. Participants may also contribute rollover amounts representing distributions from other qualified plans, as defined.

The Company may make annual discretionary matching contributions to the Plan based on deferrals and catch-up contributions. For the year ended December 31, 2022, the Company elected to match 100% of employee deferrals up to 3% of a participant's compensation. The Company elected not to make a discretionary profit sharing contribution in 2022.

Total contributions are subject to certain Code limitations.

Investment Options

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The investment options include mutual funds, common collective trust funds, pooled separate account funds and a guaranteed interest contract. If participants do not elect specific investments, their contributions are invested in the Plan's qualified default investment alternative Principal LifeTime Hybrid CIT target date series.

Participant Accounts

Each participant's account is credited with (a) the participant's deferral contributions and rollover contributions, if any, (b) the Company's matching contributions and profit sharing contributions, if any, and (c) Plan earnings (losses). Each account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Transaction fees, such as those related to distributions are paid from the account of the participant who made the transaction. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to the Financial Statements
December 31, 2022 and 2021

Vesting

Participants are vested immediately in their contributions and rollover contributions, if any, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest in Company contributions on a six-year schedule as follows:

<u>Years of Vesting Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant is fully vested upon death or total and permanent disability.

Forfeited Accounts

Participants, whose employment terminates prior to being fully vested, forfeit the non-vested portions of their accounts. Forfeitures can be used either to pay the administrative expenses of the Plan or to reduce future Company contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$34,481 and \$32,001, respectively. In 2022, \$12,493 from forfeited non-vested accounts were used to pay certain expenses of the Plan. In 2021, \$11,492 and \$10,094 from forfeited non-vested accounts were used to reduce Company contributions and to pay certain expenses of the Plan, respectively.

Participant Loans

The Plan does not provide for participant loans.

Benefit Payments

The normal retirement age is 65 or the fifth anniversary of the first Plan year in which participation in the Plan commenced. The normal retirement date is the first day of the month coinciding with or next following the normal retirement age, as defined.

Distributions equal to the value of a participant's vested interest in his or her account may be made upon severance of employment or death. Upon the attainment of the age of 59½, participants may receive a distribution of all or any portion of their vested account balances, excluding Roth elective deferral accounts. Qualified birth or adoption distributions from the Plan are permitted. In the event of immediate and heavy financial need, participants may make hardship withdrawals from their vested account balances, excluding Roth elective deferral accounts and subject to limitations.

LAWTON GROUP LLC 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Distributions under the Plan may be made in lump-sums (or partial withdrawals of amounts greater than \$5,000) in cash only. The Plan provides for involuntary cash-outs if a terminated participant makes no affirmative election to receive or roll over his or her account balance of \$5,000 or less. Involuntary cash-outs of \$1,000 or less are automatically rolled over to an IRA.

Recent Legislative Changes to Plan Provisions

Under Section 112 of the SECURE Act which became effective January 1, 2021, certain part-time employees may become eligible to defer earnings under a 401(k) plan beginning in 2024.

Plan management is currently evaluating the provisions of SECURE Act 2.0. The Plan will be amended by December 31, 2025, as required for relevant provisions. Relevant SECURE Act 2.0 provisions include the following and effective dates begin in 2023 through 2026 (except as otherwise noted): Withdrawals for certain emergency expenses (optional); creation of pension linked emergency savings accounts (optional); required minimum distribution age increases; changes to catch-up contributions provisions; employer matching contributions on student loan repayments (optional); and flexibility in recovery of retirement plan overpayments (optional and effective December 29, 2022).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies employed in the preparation of the accompanying financial statements are as follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

LAWTON GROUP LLC 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodians, investment advisers, and Trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in fair value of its investments, which consists of realized gains and losses on investments bought and sold during the year and unrealized appreciation (depreciation) on those investments held at year end.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits and included in 2022 net depreciation in fair value of investments. Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Payment of Benefits

Benefit payments to participants are recorded when paid. At December 31, 2022, there were no benefits approved for payment but not paid.

Administrative Expenses of the Plan

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements and, if not paid by the Company, would be paid by the Plan. Asset-based administrative fees are allocated against participant accounts and are included in net appreciation (depreciation) of fair value of investments. Withdrawal fees are paid from the account of the withdrawing participant. See Note 7.

Recently Issued Accounting Pronouncements

Not Yet Adopted

Recently issued accounting standards that have been issued or proposed by the FASB or other standards-setting bodies are not expected to have a material impact on the Plan's financial position or results of activity.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted, quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">a. quoted prices for similar assets or liabilities in active markets;b. quoted prices for identical or similar assets or liabilities in inactive markets;c. inputs other than quoted prices that are observable for the asset or liability;d. inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is the description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

LAWTON GROUP LLC 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

Pooled Separate Accounts: Valued at the net asset value of units, as determined by the insurance company. The net asset value is a readily determinable fair value and is the basis for current transactions. The insurance company reserves the right to defer transfers or payments as described in the group annuity insurance contract.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of	December 31, 2022	December 31, 2021
<u>Level 1:</u>		
Mutual Funds	\$ 469,330	\$ 647,183
Common Collective Trusts	1,261,389	1,268,025
Pooled Separate Accounts	304,476	388,414
Investments at fair value	<u>\$ 2,035,195</u>	<u>\$ 2,303,622</u>

4. GROUP ANNUITY CONTRACT WITH PRINCIPAL

The Plan entered into a traditional fully benefit-responsive group annuity contract with Principal Life Insurance Company, "Principal Fixed Income Guaranteed Option" (the "Fixed Option"), totaling \$89,490 for 2022 and \$14,896 for 2021. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract. The crediting rate is reviewed on a regular basis for resetting. The contract does not permit Principal to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and therefor is reported at contract value in the Plan's financial statement. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under

LAWTON GROUP LLC 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact a contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the custodians of the Plan).

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are units of pooled separate accounts, common collective trust funds, and a group annuity contract managed by Principal, the Plan's asset custodian. The Plan pays Principal contract administrator fees. These transactions are considered exempt under ERISA.

During 2022, the Plan made direct payments of \$15,532 to Principal in contract administration fees. From Plan earnings, Principal paid indirect fees of \$1,191 to Kestra Investment Services, LLC in commissions, \$343 to TBS Agency, Inc. in commissions, and \$192 to Nova 401(k) Associates in referral fees. From Plan earnings, Principal paid indirect fees of 1 basis point annually on eligible plan assets to Wilshire Associates Incorporated in investment advisory fees.

LAWTON GROUP LLC 401(k) PLAN
Notes to the Financial Statements
December 31, 2022 and 2021

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their discretionary employer contribution accounts.

9. TAX STATUS

Effective January 1, 2021, the Plan was amended and restated with the adoption of the Nova 401(k) Associates Defined Contribution Pre-Approved Plan. The "Cycle 3" restatement is an amendment and restatement to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the six-year pre-approved plan restatement cycle). Nova 401(k) Associates received a favorable opinion letter dated June 30, 2020 from the IRS stating that the form of the plan is acceptable under Internal Revenue Code Section 401. No Plan provisions were modified as a result of the Cycle 3 restatement. The Plan Administrator believes the Plan, as adopted and amended, is designed and is being operated in compliance with the applicable provisions of the Code, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

10. DELINQUENT CONTRIBUTIONS

During 2022, participant contributions of \$16,019 were not remitted to the Plan's custodian within the period specified by the Department of Labor's Regulation 29 CFR 2510.3-102, constituting nonexempt transactions between the Plan and the Company. Subsequent to December 31, 2022, the Company calculated and remitted corrective contributions of \$30 to the Plan, representing lost earning that would have been credited to the participants' accounts if the late remittances had been made on a timely basis.
