Independent Auditor's Report

To the Plan Administrator
Onix Group 401(k) Plan
Kennett Square, PA 19348

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Onix Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1) Plan Description

General

The following description of Onix Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all employees of Onix Group, LLC (the Plan Sponsor) and its participating affiliates (collectively the Employer) all of which are a part of the same controlled group. Each employee of the Employer who has reached age 21 and has completed 12 consecutive months of service with 1,000 service hours is eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Affiliated participating companies in the Plan are as follows:

Addiction Recovery Services, LLC	New Castle RX, LLC
Addiction Recovery Systems, LLC	Onix Group, LLC
ARS New Castle, LLC	Onix Hospitality Concord, LLC
ARS of Aberdeen, LLC	Onix Hospitality, LLC
ARS of Lancaster, LP	Onix SilverSide, LLC
ARS of New Jersey, LLC	Peninsula Healthcare Services, LLC
ARS of Pennsylvania, LLC	Physician's Mobile X-Ray, Inc.
ARS of Rio Grande, LLC	Pike Creek Healthcare Services, LLC
ARS of Somers Point, LLC	Rehoboth Comfort LLC T/A Comfort Inn
ARS of Virginia, LLC	Rehoboth

Longwood Hospitality, LLC	Zeus Property Management, LLC
Longwood Land Development, LLC T/A Hilton	

Subsequent to year end, the shareholders of Cavalier Mobile X-Ray, Inc. (Cavalier) entered into a stock purchase agreement, effective January 1, 2023, to sell all their shares to unrelated parties. In connection with the agreement, the employment of all employees of Cavalier was terminated from the Plan Sponsor as of the sale date. Effective January 31, 2023, Wye Oak Dialysis, LLC, Wye Oak Healthcare of Annapolis, LLC, Wye Oak Healthcare of Hagerstown, LLC, Wye Oak Healthcare of Hyattsville, LLC, Wye Oak Healthcare of Springbrook, LLC and Wye Oak Healthcare of Wheaton, LLC (collectively "Sellers"), closed on asset purchase and operations transfer agreements with unrelated parties to sell all assets and transfer all operations. In connection with the sales, Sellers terminated employment of all of their employees, and the buyers extended offers of employment on an "at-will" basis to

Onix Group 401(k) Plan

Notes to Financial Statements

substantially all of Seller's employees on terms and conditions generally applicable to employees of the buyers. Approximately 29% of active participants of the Plan were affected by these sales. As participants are immediately vested in their employer contributions and related earnings per Plan provisions, no changes in vesting were affected by the terminations.

Administration

The Vanguard Group, Inc. (Vanguard), is engaged to be the third-party administrator and recordkeeper of the Plan. Ascensus, LLC (Ascensus), a subcontractor to Vanguard, provides administration of the Plan on Vanguard's behalf. Ascensus Trust Company (Ascensus Trust), an affiliate of Ascensus, serves as the trustee. The Plan Sponsor serves as the Plan Administrator and is responsible for the day-to-day operations and oversight of the Plan.

Participant Contributions

Each year, participants may contribute up to 90% of eligible pre-tax annual compensation, as defined in the Plan, up to the maximum amount allowable under current income tax regulations. Participants may also elect to contribute Roth deferrals. A Roth deferral is an elective deferral the participant irrevocably designates as a Roth deferral, and which is subject to income tax when made to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Such rollover contributions are deposited in the appropriate investment funds in accordance with the participant's election and the Plan's provisions.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Employer Contributions

The Plan has elected the Employer safe harbor contribution election. The Employer contributes a safe harbor match of 100% of each participant's eligible contributions up to 3% of eligible compensation and an additional 50% of each participant's eligible contributions between 3-5% of eligible compensation for the Plan year. Employer safe harbor contributions are invested in accordance with the participant's election.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer safe harbor contributions, and allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Benefit payments are available to participants upon normal retirement (age 65), termination of employment, death, or disability. The Plan allows for automatic lump-sum distributions of participant vested account balances which do not exceed \$5,000. Upon proof, to the satisfaction of the Plan Administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan

Onix Group 401(k) Plan

Notes to Financial Statements

agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½.

Vesting

Participants are immediately vested in their salary deferral, rollover contributions, employer contributions, and related earnings.

Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and no more than one outstanding note is permitted at any time. Such notes bear interest at the prime rate plus one percent and must be repaid to the Plan within a five-year period, unless the note is used to purchase a principal residence. Principal and interest are paid ratably through regular payroll deductions.

2) Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Onix Group 401(k) Plan

Notes to Financial Statements

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to specific participant transactions are charged directly to the participant's account and are included in administrative expenses. Certain investment expenses which are charged within investments are presented net of the depreciation in fair value of investments.

3) Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust, a qualified institution, has authorized Ascensus to act as Ascensus Trust's agent to certify that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Investment loss, net, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022; and
- Investment information included in the schedule H, line 4i-schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

4) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Onix Group 401(k) Plan

Notes to Financial Statements

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Mutual funds are registered investments with various investment managers. The fair value of these investments are determined by reference to the fund's underlying assets, which are principally marketable equities and fixed income securities. Shares held in mutual funds held by the Plan are traded on national securities exchanges. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded.

Common/Collective Trusts

Valued at the net asset value (NAV) of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Onix Group 401(k) Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021:

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 25,087,780	\$ -	\$ -	\$ 25,087,780
Investments measured at NAV *				1,104,403
Total Investments, at fair value	\$ 25,087,780	\$ -	\$ -	\$ 26,192,183

December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,889,635	\$ -	\$ -	\$ 28,889,635
Investments measured at NAV *				365,567
Total Investments, at fair value	\$ 28,889,635	\$ -	\$ -	\$ 29,255,202

* In accordance with FASB ASC 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no unfunded commitments and no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. This investment is a direct filing entity.

	Fair value at December 31, 2022	Fair value at December 31, 2021	Redemption frequency	Redemption notice period
Common/collective trust	\$ 1,104,403	\$ 365,567	Daily	12 Months

5) Related Party and Party-in-Interest Transactions

Certain plan investments are managed by Ascensus Trust, the trustee, as defined by the Plan. Ascensus is a subcontractor to provide certain services on behalf of Vanguard. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. Administrative fees paid by the Plan directly to Vanguard amounted to \$73,018 for the year ended December 31, 2022. Securian Financial Services, Inc. (Securian) provides investment management and financial services to the Plan. Fees paid directly to Securian amounted to \$39,954 for the year ended December 31, 2022. The Plan also issues loans to participants which are secured by the

Onix Group 401(k) Plan

Notes to Financial Statements

vested balance of the participants' accounts. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations.

7) Tax Status

The Plan uses a prototype non-standardized pre-approved profit sharing plan sponsored by Ascensus, which received an opinion letter from IRS on June 30, 2020, which states that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

8) Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

9) Subsequent Events

As disclosed in Note 1, effective January 1, 2023, the shareholders of Cavalier, an affiliated participating company, sold all their shares to unrelated parties. Employment of all employees of Cavalier was terminated from the Plan Sponsor. Effective January 31, 2023, affiliated participating companies Wye Oak Dialysis, LLC, Wye Oak Healthcare of Annapolis, LLC, Wye Oak Healthcare of Hagerstown, LLC, Wye Oak Healthcare of Hyattsville, LLC, Wye Oak Healthcare of Springbrook, LLC and Wye Oak Healthcare of Wheaton, LLC (collectively "Sellers"), sold assets and transferred operations to unrelated parties. The employment of all employees of the Sellers was terminated. Approximately 29% of active participants of the Plan were affected by these sales. Participants are immediately vested in their employer contributions, and related earnings, therefore, there were no changes in vesting for the affected participants.

Management has evaluated events and transactions for potential recognition or disclosure through the independent auditor's report date, October 3, 2023, the date the financial statements were available to be issued. There were no other material events that required recognition or disclosure in the financial statements.
