INDEPENDENT AUDITOR'S REPORT

Finance Committee
Saint Mary's Hall Defined Contribution Retirement Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Saint Mary's Hall Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial

Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in

accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) on pages 12-13 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAINT MARY'S HALL
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 DESCRIPTION OF PLAN

The following description of Saint Mary's Hall Defined Contribution Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) defined contribution retirement plan that is intended to be used by tax-exempt organizations described in Internal Revenue Code (IRC) section 501(c)(3). The Plan covers all eligible employees of Saint Mary's Hall, Inc. (the Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All full-time employees and part-time employees that work 20 hours or more a week are eligible to participate in the Plan. There are no restrictions on age or duration of employment.

Contributions

The Plan Sponsor matches employee pretax contributions only if the participant contributes 5% of their eligible compensation. For employees hired on or after January 1, 2019 who are eligible employees contributing 5% of base compensation plus merit pay, the Plan Sponsor matches the contribution at 5%. For employees hired on or before December 31, 2018 who are eligible employees contributing 5% base compensation plus merit pay, the Plan Sponsor matches the contributions at 5% for employees with up to 5 years of service, 6% after 5 years of service, and 8% after 10 years of service.

Participants may elect to contribute up to 100% of their annual base plus merit compensation, as defined in the Plan. Participant contributions may be designated as pretax or after-tax Roth contributions, subject to IRC limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Teachers Insurance and Annuity Association of American and College Retirement Equities Fund (TIAA-CREF) is the trustee for the Plan. All contributions are made into this Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's contributions and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest loan balance in the previous 12-month period or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest, as determined by the Plan administrator. Notes receivable from participants outstanding at December 31, 2022 and 2021 were \$206,181 and \$190,756, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 DESCRIPTION OF PLAN (continued)

Vesting

Participants are vested immediately in their contributions, discretionary matching contributions and the actual earnings thereon.

Payment of Benefits

Upon death, disability, retirement, termination of service, reaching age 59 1/2, or due to hardship, a participant may elect to receive either a lump-sum amount equal to the value of the balance in their account, or partial or annual installments over a set term established by the Plan.

Forfeited Accounts

Forfeitures are the non-vested amounts in the accounts of participants who terminate employment. Each year, if there are forfeitures, they are used to first pay certain plan expenses. For the Plan years ended December 31, 2022 and 2021, there were no forfeitures.

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are stated at contract value). Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Recording of Benefits

Benefits are recorded when paid.

Note 3 ADMINISTRATIVE EXPENSES

Substantially all administrative expenses of the Plan are absorbed by the Sponsor.

Note 4 INFORMATION CERTIFIED BY TRUSTEE

The following is a summary for the Plan's asset information as of December 31, 2022 and 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan administrator. The Plan administrator has obtained a certification from TIAA-CREF, the trustee of the Plan, that the information provided to the Plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to the following assets:

	<u>2022</u>	<u>2021</u>
Investments at fair value	\$ 33,437,420	\$ 38,364,719
Investments at contract value	\$ 941,366	\$ 971,229
Notes receivable from participants	\$ 206,181	\$ 190,756

TIAA-CREF, the trustee of the Plan, also certified to the completeness and accuracy of \$5,284,229 of net depreciation in fair value of investments, \$343,031 of interest on guaranteed annuity contracts, \$379,357 of dividends, and \$9,697 of interest from participant loans for the year ended December 31, 2022.

Note 5 PARTY-IN-INTEREST TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. There were no prohibited transactions between the Plan and these parties for the years ended December 31, 2022 and 2021.

Note 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment fund securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 PLAN TERMINATION

Although it has not expressed an intent to do so, the Sponsor has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8 FAIR VALUE MEASUREMENTS

The requirements of *Fair Value Measurements and Disclosures* of the Accounting Standards Codification apply to all financial instruments (as of December 31, 2022 and 2021) and all nonfinancial assets and nonfinancial liabilities (as of December 31, 2022 and 2021) that are being measured and reported on a fair value basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. *Fair Value Measurements and Disclosures* also establishes a fair value hierarchy that prioritizes the inputs used in valuation methodologies into the following three levels:

- Level 1 Inputs — Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs — Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Inputs — Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The Plan's investments measured at fair value at December 31, 2022 and 2021 were as follows:

2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 8 FAIR VALUE MEASUREMENTS (continued)

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs as of December 31, 2022 and 2021. The Plan's Level 3 investment purchases, sales, issuances and settlements, net was \$211,531 and \$47,496 for the years ended December 31, 2022 and 2021, respectively.

2022

Note 9 TAX STATUS

The Internal Revenue Service has determined and informed the third-party administrator that the prototype plan used by the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 10 GUARANTEED (FIXED) ANNUITY CONTRACTS

The Plan offers an investment option in a fixed annuity contract that is fully and unconditionally guaranteed by TIAA-CREF, a New York domiciled nonprofit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest, and the potential for additional interest if declared by TIAA. Investments in the TIAA Traditional Annuity are secured by the general assets of TIAA and backed by the claims-paying ability of TIAA.

SAINT MARY'S HALL
DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 10 GUARANTEED (FIXED) ANNUITY CONTRACTS (continued)

As described in Note 2, fair value is the relevant measure for nonbenefit-responsive contracts, and contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the Plan. Nonbenefit-responsive investment contracts are reported at fair value, and fully benefit-responsive investment contracts are reported at contract value. Contract value, as reported to the Plan by TIAA-CREF, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer for all or a portion of their investment at contract value.

As an insurance company, TIAA is required to maintain contingency reserves to ensure it will be able to fulfill its contractual obligations to policyholders. The crediting interest rate is supported by the investment performance of a large diversified portfolio, is correlated with the highest quality debt security yields, is adjusted for contract liquidity, and may not be less than 3%. The crediting rate is determined, in part, by the net investment earnings rate of TIAA assets less a charge for administrative expenses and an amount set aside for contingency reserves. The average crediting rate for both 2022 and 2021 was in excess of the 3% minimum.

TIAA issues various types of contracts as funding vehicles for retirement plans. Certain contract types contain liquidity restrictions on the redemption of TIAA Traditional Annuity accumulations, which could impact the value realized upon exiting the contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The Plan held \$941,366 and \$971,229 of investments at contract value at December 31, 2022 and 2021, respectively, and \$7,673,493 and \$7,461,961 of investment contracts at fair value at December 31, 2022 and 2021, respectively.

Note 11 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 3, 2023, which is the date the financial statements were available to be issued.
