Independent Auditor's Report

To the Plan Administrator of
Cable East Inc - 401k
Statham, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cable East Inc - 401k, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cable East Inc - 401k's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cable East Inc - 401k and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2A of the financial statements, which describes the bases of accounting. The financial statements and the supplemental schedules are prepared on the modified cash bases of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, which includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cable East Inc - 401k's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cable East Inc - 401k's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cable East Inc - 401k's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) – modified cash basis as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FINANCIAL STATEMENTS

CABLE EAST INC - 401K

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following brief description of the Cable East Inc - 401k (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

- A. *General.* The Plan is a defined contribution profit sharing plan under Section 401(k) of the Internal Revenue code, established by Cable East, Inc. (the "Company" or "Plan Sponsor"). Employees who have attained the age of 21 and have three months of service are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Coronavirus Aid, Relief, and Economic Security Act. The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. The CARES Act allowed retirement plans to provide participants who were impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. The ability to utilize the provisions of the CARES Act ceased as of December 31, 2020. The Plan Sponsor adopted the provisions of the CARES Act.

- B. *Contributions.* Each year, participants may contribute up to 90% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants without a deferral election or an affirmative opt-out will upon eligibility be auto-enrolled at 1% of pre-tax compensation after 30 days. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes safe harbor matching contributions equal to 100% of participants' deferrals up to 4% of compensation on a per payroll basis. The safe harbor matching contributions deposited in 2022 totaled \$350,043. The plan agreement allows the Company to make discretionary additional nonelective contributions allocated among eligible participants based on their annual compensation. The Company did not make any discretionary nonelective contributions in 2022.

- C. *Participant Accounts.* Each participant's account is credited with the participant's deferral contribution and allocations of the Company's contribution, plan earnings and administrative expenses, and forfeitures of terminated participants' non-vested accounts. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. *Vesting.* Participants are immediately vested in their contributions and the Company's safe harbor matching contribution plus actual earnings thereon.
- E. *Notes Receivable from Participants.* Participants may borrow from their accounts one loan at a time in any amount greater than \$1,000 but less than 50% of their vested account balance, not to exceed \$50,000. Loans are generally required to be repaid within five years from the date on which the loan is made. Loans are secured by the balance in the participant's account and bear interest at a fixed rate comparable to the rates currently charged by commercial loans under similar circumstances. Principal and interest payments occur ratably through regular payroll deductions.

CABLE EAST INC - 401K
Notes to financial statements

- F. *Payment of Benefits.* Upon termination of employment, retirement, disability, or death, a participant or his beneficiary is entitled to receive a lump-sum equal to the vested value of his account.
- G. *Forfeited Accounts.* A participant, who terminated employment and receives a distribution of his vested balance, shall forfeit the non-vested value of his account once his entire vested account is distributed. If a participant is rehired before a five-year break in service, the amounts forfeited will be restored as of his rehire date. As of December 31, 2022 and 2021, forfeited nonvested amounts were nil, and no forfeitures were used to reduce employer contributions or pay plan expenses in 2022.

2. Summary of Significant Accounting Policies

- A. *Basis of Accounting.* The accompanying financial statements are prepared on the modified cash basis of accounting. Investment income is recognized when received, and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States of America.
- B. *Use of Estimates.* The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. *Investment Valuation and Recognition of Income.* Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. *Notes Receivable from Participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are reclassified as distributions based on the terms of the plan documents. No allowance for credit losses has been recorded as of December 31, 2022.
- E. *Payment of Benefits.* Benefits are recorded when paid.
- F. *Expenses.* Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Information Certified by the Plan's Custodian

The plan administrator has elected to have the audit of Cable East Inc - 401k's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for plan benefits – modified cash basis as of December 31, 2022 and 2021, the related investment activity and interest from notes receivable from participants reflected in the statement of changes in net assets available for plan benefits – modified cash basis for the year ended December 31, 2022, and the investments and the notes receivable from participants on the schedule of assets (held at end of year) – modified cash basis as of December 31, 2022.

4. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following discussion describes the valuation methodologies used for assets measured at fair value on a recurring basis. The techniques utilized in estimating the fair values of financial instruments are reliant on the assumptions used. Care should be exercised in deriving conclusions based on the fair value information of financial instruments presented below.

Fair value estimates are made as of a specific point in time, based on available market information and judgments about the financial instrument. Such estimates do not consider the tax impact of the realization of unrealized gains or losses. In addition, the disclosed fair values may not be realized in the immediate settlement of the financial instrument.

Mutual Funds – The mutual funds are held as individual plan assets. The mutual funds have publicly available prices that are quoted daily in active markets.

Collective Investment Trust – The Plan uses NAV per unit to value the collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the

CABLE EAST INC - 401K
Notes to financial statements

fair value of the underlying investments held by the fund less its liabilities divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2022				
Description	Total	Level 1	Level 2	Level 3
Mutual Funds	\$ 2,447,507	\$ 2,447,507	\$ -	\$ -
Total investments in fair value hierarchy	2,447,507	\$ 2,447,507	\$ -	\$ -

Investments at NAV practical expedient:*

Collective Investment Trust 1,058,550

Investments at fair value \$ 3,506,057

Assets at Fair Value as of December 31, 2021				
Description	Total	Level 1	Level 2	Level 3
Mutual Funds	\$ 2,636,505	\$ 2,636,505	\$ -	\$ -
Total investments in fair value hierarchy	2,636,505	\$ 2,636,505	\$ -	\$ -

Investments at NAV practical expedient:*

Collective Investment Trust 738,623

Investments at fair value \$ 3,375,128

* In accordance with ASC 820-10, certain investments, that are measured at fair value using the NAV per share (or its equivalent) practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the fair value of the Plan's assets at the end of each respective year.

CABLE EAST INC - 401K
Notes to financial statements

The following tables summarize investments measured at fair value based on net asset value (NAV) per share:

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Restrictions</u>	<u>Redemption Notice Period</u>
As of December 31, 2022:					
Collective Investment Trust	<u>\$ 1,058,550</u>	\$ -	Daily	None	None

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Restrictions</u>	<u>Redemption Notice Period</u>
As of December 31, 2021:					
Collective Investment Trust	<u>\$ 738,623</u>	\$ -	Daily	None	None

5. Related-Party and Party in Interest Transactions

Certain plan investments are managed by Reliance Trust Company, the Plan's trustee, and its affiliates. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the investment, as they are paid through revenue sharing rather than direct payment. Administrative expenses of \$17,739 were paid during 2022 to the Plan's trustee. These transactions are party-in-interest transactions under ERISA. Certain other administrative expenses of the Plan are absorbed by the plan sponsor and are not reflected in these statements.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

7. Tax Status

The IRS has determined and informed the Company by a letter dated October 6, 2020, that the Plan related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

CABLE EAST INC - 401K
Notes to financial statements

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of net assets available for benefits.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the Statements of Net Assets Available for Benefits – modified cash basis as of December 31, 2022 and 2021 to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 3,656,032	\$ 3,536,235
Deemed participant loans	<u>(1,176)</u>	<u>(1,099)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 3,654,856</u>	<u>\$ 3,535,136</u>

The following is a reconciliation of the net increase per the Statement of Changes in Net Assets Available for Benefits – modified cash basis for the year ended December 31, 2022 to net income per Schedule H of Form 5500:

	<u>2022</u>
Net increase in net assets available for benefits per the financial statements	\$ 119,797
Increase in deemed participant loans	<u>(77)</u>
Net income per Schedule H of Form 5500	<u>\$ 119,720</u>

10. Subsequent Events

In preparing the financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through September 29, 2023, the date the financial statements were available to be issued; no material events were identified which require disclosure in or adjustment to the financial statements.
