INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Netco, Inc. 401(k) Plan

Opinion

We have audited the accompanying financial statements of Netco, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2021 (ongoing), and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of Netco, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2022 (in liquidation) and 2021 (ongoing), and the changes in its net assets available for benefits for the year ended December 31, 2022 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Netco, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in the notes to the financial statements, the governing body of Netco, Inc. 401(k) Profit Sharing Plan & Trust approved a plan of liquidation on March 31, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered

INDEPENDENT AUDITOR'S REPORT – CONTINUED

material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Netco, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NETCO, INC. 401K PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)
DECEMBER 31, 2022 AND 2021

DESCRIPTION OF THE PLAN

The following description of the Netco, Inc. 401(k) Profit Sharing Plan & Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Netco, Inc. 401(k) Profit Sharing Plan & Trust was a defined contribution and profit sharing plan covering employees of Netco, Inc., Netco, Inc. (Arizona), Netco Title Company, Equity Title Company of America Inc., MTI Title Insurance Agency, Inc., National Equity Settlement Services, Inc., National Home Equity Title Co. of Texas, and National Equity Title Agency, Inc. (Ohio) who were at least 18 years of age.

Contributions

A participant was able to elect to enter into a voluntary pay deferral agreement with the employer. Under this agreement, amounts withheld from an employee's compensation, not to exceed the maximum allowed by the Internal Revenue Code and not to exceed \$20,500 for any year (or such larger amount as is permitted for that year by the Code), was credited to the participants' Pay Deferral Account. Participants who have attained age 50 before the end of the Plan year were eligible to make catch-up contributions. A participant selected through the Custodian's website how the Pay Deferral Account was invested. The Plan offered thirty-three investment options for participants until termination.

In addition, employees contributed amounts representing distributions from other qualified plans to the Plan.

The Plan provided safe harbor employer matching contributions. Under the terms of this provision, the Company matched 100% of each participant's pay deferral contributions that did not exceed 3% of the participant's qualified compensation for the Plan year plus 50% of the participant's pay deferral contributions that exceed 3% but did not exceed 5% of the participant's qualified compensation.

Participant Accounts

Each participant's account was credited with (a) the participant's contribution allocations, (b) the Company's matching and profit sharing contributions, and (c) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations were based on the participant's wages, earnings, contributions or account balances as defined by the Plan. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants were immediately vested in their pay deferral. The Plan became a safe harbor plan on January 1, 2021. Pursuant to the safe harbor amendment, matching contributions were 100% vested immediately.

Notes Receivable from Participants

The Plan Administrator in its discretion directed the Custodian to grant loans to participants under the terms set forth in the Plan Agreement. Participants borrowed from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's nonforfeitable account balance. The notes were secured by the balance in the participant's account and bear a commercially reasonable rate of interest. Principal and interest was paid ratably through payroll deductions. As of December 31, 2022 and 2021, participant loans were \$0 and \$81,828, respectively.

Payment of Benefits

Upon termination of service, termination of service due to death, disability or retirement, a participant received a lump sum amount equal to the value of the participant's vested interest in the participant's account. A participant elected installments only if that Participant was currently receiving Required Minimum Distributions.

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$10,589, respectively. For 2022 and 2021, participants forfeited company match of \$8,594 and \$12,797, respectively. Forfeitures were used by the Company to fund matching contributions and pay Plan expenses. At December 31, 2022 and 2021, the forfeiture account was used to pay Plan expenses of \$2,386 and \$4,975, respectively.

Administration of Plan Assets

The Plan's assets were held by Mid Atlantic Trust Company (Custodian). Company contributions were held and managed by the Custodian. The Custodian invested cash received, interest, and dividend income and made distributions to participants.

Certain administrative functions were performed by employees of the Company. No such employee received compensation from the Plan. Participant accounts were charged with an allocation of certain administrative expenses for the Custodian's fees.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS) - CONTINUED

DECEMBER 31, 2022 AND 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The 2022 financial statements of the Plan were prepared on the liquidation basis of accounting. The financial statements for 2021 and prior were prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments were reported at fair value (except for fully benefit-responsive investment contracts, which were reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date of the transaction.

Purchases and sales of securities were recorded on a trade date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. For 2022 and 2021, net appreciation or depreciation included the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant did not make loan repayments and the Plan Administrator considered the participant loan to be in default, the loan balance was reduced, and the delinquent participant note receivable was recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

The Plan became a safe harbor plan in 2021. Nondiscrimination testing is not required.

DECEMBER 31, 2022 AND 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Payment of Benefits

Benefit payments were recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Various other costs for administrative and investment fees were allocated and charged to participant's accounts.

Subsequent Events

The Plan has evaluated subsequent events through September 29, 2023, which is the date the financial statements were available to be issued.

TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the service provider by a letter dated April 10, 2014, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan was amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believed that the Plan was designed and was operated in compliance with the applicable requirements of the IRC and therefore believed that the Plan was qualified and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

OTHER INCOME

Certain fees were incurred by the Plan. The Company chose to pay the audit fees on behalf of the Plan. As such, the Company paid these fees on behalf of the Plan recording \$21,000 of other income.

RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks.

BENEFITS PAYABLE

Benefits payable to terminated participants as of December 31, 2021 were \$3,544,434. This amount was included in net assets available for benefits as of December 31, 2021. As the plan was terminated, the balances of all remaining were distributed to participants as of December 31, 2022.

PLAN TERMINATION

On April 1, 2022, the Company was sold to Amtrust Financial. In preparation for the sale, the Company terminated the Plan on March 31, 2022. Contributions were discontinued, and participants were 100% vested in their employer contributions. All assets of the Plan were distributed before December 31, 2022.

INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the custodian of the Plan's assets, has certified to the completeness and accuracy of all mutual fund investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021.

RELATED PARTY TRANSACTIONS

No material related party transactions occurred between related parties and the Plan during 2022 and 2021.

FEES PAID BY PLAN

Fees paid by the participants for administrator fees and loan and distribution fees at December 31, 2022 and 2021 were \$25,292 and \$5,960, respectively.

FAIR VALUE MEASUREMENTS

The Plan's investments were reported at fair value in the accompanying statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. This hierarchy under Topic 820 consists of three broad levels:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included with Level 1 that are observable for the asset or liability, either directly or indirectly, such as: (a) Quoted prices for similar assets or liabilities in active markets, (b) Quoted prices for identical or similar assets or liabilities in inactive markets, (c) Inputs other than quoted prices that are observable for the asset or liability, or (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset and liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: The fair value of mutual funds is the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash: These investments are valued at fair value based on quoted market price.

FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2022

^a In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.
