INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Friendship Haven, Inc. Employees' Pension Plan
Fort Dodge, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Friendship Haven, Inc. Employees' Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Friendship Haven, Inc. Employees' Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friendship Haven, Inc. Employees' Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendship Haven, Inc. Employees' Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friendship Haven, Inc. Employees' Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendship Haven, Inc. Employees' Pension Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Friendship Haven, Inc. Employees' Pension Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single-employer defined contribution plan covering all employees of the Organization.

Employees of the Organization are eligible to make elective deferrals immediately upon employment commencement date under a salary reduction agreement. To qualify for Organization contributions, employees must have completed one year, as defined in the Plan, and 1,000 hours of service and reached the age of 21. All contributions are placed in the 403(b) plan and are subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may make elective deferral contributions from pretax compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code. Participants may change their contribution percentage quarterly.

For eligible participants who have completed one year and 1,000 hours of service, the employer will provide a discretionary match of each participant's pretax compensation as defined by the Plan. The match was 2% for the year ended December 31, 2022.

The employer may also make a qualified non-elective contribution in an amount to be determined by the employer.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of income and expenses are based on the proportion that each participant's account balance bears the total of all participant account balances.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after five years of credited service.

Payment of Benefits

On retirement, death, disability or termination of service, a participant (or a participant's beneficiary in the event of death) may elect to receive a lump sum payment equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$9,579 and \$3,498, respectively. Forfeitures may be used to reduce future employer non-elective contributions. In 2022, employer contributions were reduced \$104 from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual basis of accounting. The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Net Appreciation (Depreciation) in Fair Value of Investments

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan. Fees and expenses for the management of common trust funds by external service providers are paid from plan assets.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2022 and 2021.

Level 1 Fair Value Measurements

Fair values of mutual funds are determined by reference to quoted market prices and other relevant information generated by market transactions.

Level 2 Fair Value Measurements

Fair values of fixed annuities are observable inputs based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements Using:	
		Quoted Prices In Active Significant Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
<u>December 31, 2022</u>	<u>Fair Value</u>		
Mutual Funds	\$ 4,994,861	\$ 4,994,861	\$ 0
Fixed Annuities	<u>333,381</u>	<u>0</u>	<u>333,381</u>
Total Assets at Fair Value	<u>\$ 5,328,242</u>	<u>\$ 4,994,861</u>	<u>\$ 333,381</u>
 <u>December 31, 2021</u>			
Mutual Funds	\$ 6,651,304	\$ 6,651,304	\$ 0
Fixed Annuities	<u>335,606</u>	<u>0</u>	<u>335,606</u>
Total Assets at Fair Value	<u>\$ 6,986,910</u>	<u>\$ 6,651,304</u>	<u>\$ 335,606</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into an investment contract with Great-West Trust Company, LLC to maintain the contributions in mutual funds and an insurance company general account. The accounts are credited with earnings on the investments, appreciation or depreciation in fair value, and charged for plan withdrawals and administrative expenses.

The Plan has a fully benefit-responsive investment contract in the fixed account investment option. Under the terms of the contract, a crediting rate is established for amounts invested in the fixed account. Participant may direct permitted withdrawal and/or transfer transactions of all or a portion of their account at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. Upon plan discontinuance of the group funding agreement, it may be possible to receive the market value of the assets held in the fixed account.

The contract value of the fixed account at December 31, 2022 and 2021 was \$333,381 and \$335,606, respectively. The average yield earned by the fixed account was 1.05% for the year ended December 31, 2022.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain administrative functions are performed by officers or employees of Friendship Haven, Inc. No such employees receive compensation from the Plan. Certain administrative expenses for the Plan are paid directly by Friendship Haven, Inc.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon an examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. NOTE 10 - SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2022, the date of the most recent statement of net assets available for benefits, have been evaluated for possible adjustment to the financial statements or disclosure is October 2, 2023, which is the date the financial statements were available to be issued.
