Independent Auditors' Report

Plan Administrator
Our Hospice Retirement Plan
Columbus, IN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Our Hospice Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Our Hospice Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from ADP Retirement Services as of December 31, 2022, stating that the certified investment information, as described in Notes 5 and 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by ADP Retirement Services agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Our Hospice Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Our Hospice Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Our Hospice Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Our Hospice Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplementary schedule H, Part IV – question 4i assets held for investment are presented for the purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by ADP Retirement Services agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OUR HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of the Our Hospice Retirement Plan provides only general information. Plan participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees and participating affiliates of Our Hospice of South Central Indiana, Inc. (the Company) who have completed one month of service and are at least 18 years of age. Employees will become a participant on the first day of the plan year quarter coinciding with or next following the completion of the eligibility requirements. The assets of the Plan are held by ADP Retirement Services (ADP). Recordkeeping services are provided by ADP Retirement Services, Inc. and advisory services are provided by Reliance Trust Company.

On December 31, 2021, Plan assets totaling \$7,165,597 were sold and transferred to a cash holding account in preparation for transferring from The Standard Insurance Company to ADP as the new custodian and administrator of the Plan. Plan assets were physically transferred to ADP on January 3, 2022. Participant accounts were reallocated in accordance with the 2022 Plan Document and at the direction of the Participants.

CONTRIBUTIONS

Participants may elect to defer a percentage of their compensation each year, up to annual Federal applicable maximum limits. Participants over age 50 may make additional catch-up contributions, as provided by the Internal Revenue Code (IRC).

For the year ended December 31, 2022, the Company elected to make matching contributions equal to 100% of the first 4% of the participant's compensation which is deferred as an elective contribution. Matching contributions are calculated each payroll period and submitted to ADP.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, an allocation of the Company's contribution, if applicable, and the Plan's earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts at the time of benefit event.

VESTING

Participants are always 100% vested in their contributions, as well as the employer matching contributions plus actual earnings thereon. Discretionary employer contributions and earnings thereon vest at 20% per year beginning at the end of year 2 and are fully vested in year 6.

OUR HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

BENEFITS

Benefits are payable to participants upon termination of employment for reasons such as retirement, disability, or death. In the event the participant's vested balance does not exceed \$5,000, a lump-sum distribution will be made regardless of whether the participant consents to receive it. If the participant's vested balance exceeds \$5,000, they have the option of receiving a distribution of their vested balance in a single lump sum, installments, or partial withdrawals of \$1,000. Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not allow for loans to participants.

FORFEITED ACCOUNTS

Upon a participant's separation from service, nonvested accounts are forfeited to the Plan and are used to pay administrative expenses and reduce Company contributions. At December 31, 2022 and 2021, the Company had \$10 and \$0- of forfeited nonvested accounts, respectively.

PLAN TERMINATION

While the Company hopes and expects to continue the Plan indefinitely, it reserves the right to terminate, discontinue making contributions to, amend, or modify the Plan at any time, acting through written resolution of the Company's board of directors. In the event the Company terminates its participation in the Plan, the affected participants who are actively employed by the Company at the time of termination, shall be fully vested for amounts credited to their accounts on the termination date. The Plan will arrange for distributions upon Plan termination as soon as administratively possible.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting, whereby additions and deductions are recorded in the year in which they are incurred rather than in the year which they are received or paid.

ESTIMATES

The Plan Administrator uses estimates and assumptions in preparing financial statements in conformity with the accounting principles generally accepted in the United States of America. These estimates and assumptions affect the reported amounts of net assets available for benefits, the disclosure of contingencies and the reported additions to and deductions from net assets available for benefits. Accordingly, actual results could differ from those estimates.

OUR HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

INVESTMENT VALUATION AND INCOME RECOGNITION

The assets of the Plan are held by ADP. Mutual funds are stated at their fair market values. Investments held in the insurance company's general account are reported at contract value. Pooled separate accounts are valued at fair value. The net asset value (NAV) of the pooled accounts are provided by the Custodian. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as received.

EXPENSES OF THE PLAN

Certain expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Certain administrative expenses of the Plan, including claim administrative fees, are paid by the Plan as incurred.

3. INCOME TAXES

The Plan uses a prototype plan document sponsored by ADP Retirement Services, Inc., the Custodian of the Plan. In a letter dated March 31, 2014, the Internal Revenue Service (IRS) determined that the prototype plan constitutes a qualified trust under Section 401(a) of the IRC and is, therefore, exempt from income taxes. The Plan provides for retirement benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Although the Plan has been amended since receiving a favorable opinion letter from the IRS, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and tax-exempt.

The Plan evaluates all significant tax positions. As of December 31, 2022, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability, nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next 12 months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities; there are currently no audits for any tax periods in progress.

4. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such a person.

OUR HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Certain Plan investments are managed by the Custodian or other advisors. Fees may be deducted from the return earned on a participant's investments. Transactions with these parties qualify as exempt party-in-interest transactions. Agresta, Storms, & O'Leary, PC served as the Plan's auditors. The Company provides certain accounting, administrative, and investment management services to the Plan, for which they receive no compensation. Fees paid by the Plan for investment advisory, management fees, and administrative services totaled \$36,577 for the year ended December 31, 2022.

5. INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2022, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

The following are summaries of the Plan's unaudited financial information certified by the Plan's Custodian, ADP Retirement Services, Inc. at December 31, 2022 and by The Standard Insurance Company, Inc., Custodian for the year ended December 31, 2021, as complete and accurate as of and for the years ended December 31, 2022 and 2021, respectively, in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosures under ERISA:

	2022	2021
Mutual funds, at fair value	\$ 5,699,031	\$ -0-
Pooled separate accounts, at fair value	-0-	3,109
Stable value asset fund, at contract value	746,523	-0-
Total investments	<u>\$ 6,445,554</u>	<u>\$ 3,109</u>

6. INVESTMENT IN GUARANTEED INTEREST CONTRACT(S) AND STABLE FUND(S)

The Plan had an investment in Metlife Reliance Stable Value Fund (the Fund) for the year ended December 31, 2022. The Fund was a fully benefit-responsive investment fund for the collective investment of qualified plans. Because this investment was fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to this fully benefit-responsive contract. Such contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawal or transfer all or a portion of their investment at contract value. There were no reserves against contract value for credit risk of the contract issuer or otherwise.

OUR HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Certain events limit the ability of the Plan to transact at contract value with the issuer(s). Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Fund to qualify for exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The contract value of the investment in the Fund was \$746,523 at December 31, 2022.

The Plan had an investment in The Standard Insurance Company Stable Value Asset A Fund for the year ended December 31, 2021. The Fund was sold and transferred to cash with other investments of the Plan on December 31, 2021 as noted in Note 1. The contract value of the investment in the fund was \$-0- at December 31, 2021.

7. FAIR VALUE MEASUREMENTS

The Pooled separate accounts are reported at fair value in accordance with ASC 820, *Fair Value Measurement and Disclosures*, in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820 defines fair value, establishes a framework for measuring fair value under GAAP and expands disclosures about fair value measurements. ASC 820 also establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires that the Plan maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than quoted prices in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

OUR HOSPICE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	2022	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Mutual funds	\$ 5,699,031	\$ 5,699,031	\$ -0-	\$ -0-
	<u>\$ 5,699,031</u>	<u>\$ 5,699,031</u>	<u>\$ -0-</u>	<u>\$ -0-</u>
Description	2021	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Pooled separate accounts	\$ 3,109	\$ -0-	\$ 3,109	\$ -0-
	<u>\$ 3,109</u>	<u>\$ -0-</u>	<u>\$ 3,109</u>	<u>\$ -0-</u>

8. OTHER DISCLOSURES

During the Plan year ended December 31, 2022, there were no leases, party-in-interest transactions, or obligations in default which would require disclosure under the Department of Labor Rules and Regulations for Reporting and Disclosures.

9. RISKS AND UNCERTAINTIES

The Plan invests in certain mutual funds that provide for various investment options in any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Plan's financial statements and could affect participants' account balances.

10. SUBSEQUENT EVENTS

In accordance with ASC Topic 855, *Subsequent Events*, the Organization has evaluated subsequent events through August 24, 2023, which is the date these financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure in the financial statements.
