## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator  
NetCentrics Corporation 401(k) Plan

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of NetCentrics Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Opinion (Continued)**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Information Required by ERISA

The supplemental Schedule H, Line 4i - Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NETCENTRICS CORPORATION 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1. DESCRIPTION OF PLAN**

The following description of NetCentrics Corporation 401(k) Plan (the "Plan") provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of NetCentrics Corporation (the "Corporation" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Management is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to management. The Plan was formed on May 1, 2014, and was most recently amended and restated effective November 1, 2022, when the Plan Sponsor terminated its relationship with Fidelity Management Trust Company and adopted the ADP Prototype 401(k) and Profit Sharing Plan. In connection with the change, the Plan Sponsor also signed service agreements with Reliance Trust Company ("RTC") to act as trustee and custodian of the Plan, ADP Retirement Services to act as the Plan's recordkeeper, and Pentegra Services, Inc. to act as the Plan Administrator. There were no significant changes to the provisions of the Plan as a result of these changes.

Eligibility

All employees (with the exception of non-resident aliens, leased employees, employees under a collective bargaining agreement, and residents of Puerto Rico) who attain the age of 21 are eligible to participate in the Plan upon hire. An employee is eligible for employer matching contributions as soon as the employee joins the Plan. To qualify for the employer non-elective profit sharing contributions, employees must complete one year of service, defined by the Plan as 12 months of elapsed time, and must be employed on the last day of the contribution period.

Contributions

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participant contributions are recorded in the period during which the Corporation makes payroll deductions from the participant's earnings.

The Company contributes safe harbor matching contributions in an amount equal to 100% of the first 3% of a participant's eligible compensation, and 50% of the next 2% of a participant's eligible compensation contributed to the Plan. Employer safe harbor matching contributions are subject to certain limitations under the IRC. For the year ended December 31, 2022, the Company made safe harbor matching contributions of \$338,244. The Corporation may also elect to make a non-elective profit sharing contribution to the Plan, subject to certain limitations. For the year ended December 31, 2022, the Plan did not contribute a non-elective profit sharing contribution.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

Participant accounts

Each participant's account is credited with elective deferrals, the allocation of the Corporation's matching and non-elective profit sharing contributions, and the earnings (losses) of the selected investments. Each participant's account is charged with specific transaction fees related to participant loans and distributions and allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options

Upon enrollment in the Plan, a participant may direct contributions to any of the designated mutual funds which are available in the Plan. Participants may change their investment options at their discretion.

Vesting

Participants are immediately vested in their contributions and related earnings thereon, as well as employer safe harbor matching contributions. Vesting in the Corporation's non-elective profit sharing contributions and earnings thereon is at a rate of 20% each year beginning after two years of service, with full vesting after six years of service. Participants who are employed by the Corporation on the date they reach age 55 are immediately vested in their accounts under the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts up to a maximum, equal to the lesser of 50% of their vested account balance or \$50,000. Note terms are limited to five years, unless the loan is used for the purchase of a principal residence, in which case, the term may not extend beyond 10 years from the date of the loan. The notes are secured by the balance in the borrower's account and shall bear a reasonable rate of interest, as defined by the Plan document.

As of December 31, 2022 and 2021, interest rates ranged from 4.25% to 7.25%. Principal and interest payments are paid through payroll deductions.

Payment of benefits

On termination of service due to death, disability or retirement, a participant, or the participant's beneficiary, may elect to receive the value of their vested interest in his or her account as a lump sum. Upon termination of employment, participant account balances that are \$5,000 or less will be forced out of the Plan. Hardship distributions are permitted from pre-tax and Roth elective deferrals and match and profit sharing contributions for accounts that are fully vested. The minimum hardship distribution amount allowed under the Plan is \$500. In-service withdrawals are also permitted for those participants who have reached the age 59-1/2 years.

**DECEMBER 31, 2022 AND 2021**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

Forfeited accounts

Employees who terminated employment with the Corporation and are less than 100% vested in their employer account may forfeit the non-vested portion of their employer accounts. If a participant forfeits any portion of his or her non-vested account balance, such forfeiture is used to pay Plan administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. As of December 31, 2022 and 2021, unapplied forfeitures totaled \$20,516 and \$7,083, respectively. For the year ended December 31, 2022, forfeitures used to reduce employer contributions amounted to \$41,985.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the trustee and custodian. See Note 4 for discussion of fair value measurements.

The collective investment trust was fully redeemed and replaced with a money market fund in 2022. While this investment was held in the Plan, it was valued at the net asset value ("NAV") per unit, as determined by the trustee and custodian at year end. The NAV was used as the practical expedient to estimate fair value and was based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient would not have been used if it was determined to be probable that the fund would sell the investment for an amount different than the reported NAV, which is an outcome that did not occur while this investment was held in the Plan.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Investment valuation and income recognition (continued)

Net appreciation or depreciation in fair value of investments includes realized gains or losses from the sale of investments, unrealized appreciation or depreciation in fair value of investments, and fees that have been charged by the trustee and custodian, and sponsoring mutual fund companies for services provided in connection with reordering and investment management. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based upon the terms of the Plan document.

Payment of benefits

Benefits are recorded as a deduction from net assets when paid to Plan participants.

Expenses

Certain expenses of maintaining the Plan, to include the annual external audit costs and any attorney fees for Plan-related matters, are paid directly by the Corporation and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through September 21, 2023, the date on which these financial statements were available to be issued. There are no subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*.

**NOTE 4. FAIR VALUE MEASUREMENTS**

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**NETCENTRICS CORPORATION 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)**

Level 3 - Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- (a) *Mutual funds*: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- (b) *Collective investment trust*: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee and custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the Plan's investments measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2022 and 2021:

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

During the years ended December 31, 2022 and 2021, there were no transfers between levels of fair value hierarchy.

The following table sets forth a summary of the Plan's investments with a reported NAV per share at December 31, 2021. There were no participant redemption restrictions for these investments; the redemption notice period was applicable only to the Plan:

As described in Note 2, the collective investment trust was fully redeemed and replaced with a money market fund in 2022. While this investment was held in the Plan, it sought to achieve a stable unit value, a competitive current return, a high-quality diversified portfolio, and liquidity by investing in high-quality insurance company and bank investment contracts, private placements, money markets, and other investments.

**NETCENTRICS CORPORATION 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 5. PARTY-IN-INTEREST TRANSACTIONS**

Plan investments are in the custody of RTC, the trustee and custodian; therefore, any transactions between the Plan and RTC qualify as party-in-interest transactions. Notes receivable from participants qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. The Plan Sponsor pays directly certain fees related to the Plan's operations, which qualify as party-in-interest transactions.

**NOTE 6. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 7. TAX STATUS**

Upon its adoption of the ADP Prototype 401(k) and Profit Sharing Plan in November 2022, the Plan adopted a prototype plan, sponsored by ADP Retirement Services, which received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, that the Plan as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Prior to November 2022, the Plan had adopted a volume submitter plan document sponsored by Fidelity Management and Research Company ("FRMC"), which received an opinion letter from the IRS dated March 31, 2014, that the Plan and related trust were designed in accordance with the applicable sections of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 8. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and entitled to the entire amount of their account.

**NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Schedule H, Part I and II of Form 5500 are in substantial agreement with the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022, and there are no reconciling items.
