We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Brain and Spine Medical Services, PLLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Brain and Spine Medical Services, PLLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Brain and Spine Medical Services, PLLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors’ Report on the 2021 Financial Statements

The December 31, 2021 financial statements of the Brain and Spine Medical Services, PLLC 401(k) Profit Sharing Plan were audited by predecessor auditors whose report dated November 10, 2022, expressed an ERISA Section 103(a)(3)(C) opinion on those financial statements and included an other-matter paragraph that provided an opinion that the information in the December 31, 2021 supplemental schedules were fairly stated in all material respects in relation to the financial statements as a whole.

BRAIN & SPINE MEDICAL SERVICES, PLLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The following description of the Brain & Spine Medical Services, PLLC 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General – The Plan is a defined contribution plan covering substantially all employees of Brain & Spine Medical Services, PLLC, Invision Health, LLC, and Reliant Pharmacy Corp. (collectively, the “Company” or “Plan Sponsor”). Employees are eligible to participate in the Plan who have attained age 21 and completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Upon meeting the eligibility requirements, participants may contribute up to 92% of their plan compensation on a pre-tax or after-tax basis, subject to Internal Revenue Code (“IRC”) limitations. Participants age 50 or older can elect to make a catch-up contribution subject to IRC limitations. Participants may also contribute rollover amounts representing distributions from other defined contributions plans and certain IRAs.

The company makes safe harbor matching contributions equal to 100% of participants’ deferrals on the first 3% of participants’ compensation and 50% of the participants’ deferrals in excess of 3% by less than 5% of participants’ compensation for a maximum match of 4%. The Company may also elect to make a discretionary matching or non-elective contribution. Participants must be employed on the last day of the plan year and complete 500 hours of service to be eligible for non-elective contributions. The company did not make a discretionary matching or non-elective contribution for the year ended December 31, 2022.

Vesting – Participants are immediately vested in their voluntary contributions and earnings thereon. Company matching and non-elective contributions and earnings thereon vest over six years of service. Regardless of years of service, participants are fully vested upon disability or death.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 or up to 50% of their vested account balance up to \$50,000. Notes range from one to five years, unless the loan is for the purchase of the participant’s primary residence, in which case a longer repayment period is allowed. Loans are secured by the vested balance in the participant’s account. Loans must bear a reasonable rate of interest. Effective April 20, 2022, a participant may have up to five loans outstanding at any time. Prior to this date, participants could have up to two loans outstanding at any time. At December 31, 2022, the interest rates ranged from 4.25% to 7.25%, maturing through November 2027. Principal and interest are paid ratably through regular payroll deductions.

Participants’ Accounts – Each participant’s account is credited with the participant’s contribution, an allocation of the employer contributions, and Plan earnings and losses. Allocations of earnings and losses are based on participant account balances.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

1. DESCRIPTION OF PLAN (continued)

Payment of Benefits – Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Distributions under the Plan may be made in lump sums or installment payments. A participant may also request a withdrawal upon attainment of age 59 ½ or upon demonstration by the participant to the plan administrator that the participant is suffering from “hardship”, as defined in the plan document.

Forfeitures – Participants not fully vested in employer contributions upon termination of employment forfeit their non-vested balances, which are used to reduce employer contributions or plan expenses. During the year ended December 31, 2022, forfeitures of \$1,022 were used to reduce employer contributions. There was a forfeiture balance of \$54 and \$482 at December 31, 2022 and 2021, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition – The Plan determines the fair value of assets and liabilities which are subject to reporting at fair value based on standards established within generally accepted accounting principles. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange.

Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred followed by Level 2, and Level 3. Level 3 inputs are to be used when neither Level 1 nor Level 2 inputs are available.

An investment’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value as of December 31, 2022 and 2021:

Mutual funds: Valued based on quoted market prices available on an active market.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statement of changes in net assets available for benefits the net depreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date and is included in net depreciation of investments in the accompanying statement of changes in net assets available for benefits.

Payment of Plan Benefits – Benefits paid to participants are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Subsequent Events – Management of the Plan has evaluated the effects of all subsequent events through September 29, 2023, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FULLY BENEFIT-RESPONSIVE STABLE VALUE OPTION INVESTMENT

The stable value option investment is a fixed interest account that is credited, based upon the daily balance, at an effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the stable value option. This investment is fully benefit responsive, and has been valued based on the contract value. Contract value represents contributions made under the contract, adjusted for dividend earnings, transfers, loan activity, and distributions.

4. TRANSACTIONS WITH PARTIES IN INTEREST

Reliance Trust Company is the the custodian of the Plan. Transamerica Retirement Solutions is the recordkeeper of the Plan and managed certain investments of the Plan during the years ended December 31, 2022 and 2021. Therefore, these entities qualify as a party in interest.

5. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022	2021
<i>Level 1:</i>		
Mutual funds	<u>\$ 4,709,922</u>	<u>\$ 5,159,728</u>

6. INCOME TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the sponsor to the pre-approved plan document adopted by the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

7. CERTIFIED INVESTMENT INFORMATION

The following is a summary of unaudited information regarding the Plan, included in the Plan’s financial statements and supplemental schedules. The information was prepared by Reliance Trust Company and furnished to the Plan Sponsor. The custodian has certified that the information is complete and accurate:
