Brandywine Conservancy & Museum of Art 403(b) Retirement Plan
Chadds Ford, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Brandywine Conservancy & Museum of Art 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in the Information Certified by Custodian note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 and schedule of delinquent participant contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRANDYWINE CONSERVANCY & MUSEUM OF ART 403(b) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

DESCRIPTION OF PLAN

The following description of the Brandywine Conservancy & Museum of Art 403(b) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Brandywine Conservancy & Museum of Art, Inc. (the “Organization”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The designated custodian of the Plan assets is The Standard through Reliance Trust Company as of December 31, 2022 and 2021. The Employer and Plan Sponsor is Brandywine Conservancy & Museum of Art, Inc. (the “Organization”). The Organization serves as the Plan Administrator, as defined in ERISA, who is responsible for the day-to-day operations, decisions, and oversight regarding the Plan. The term Employer, as used in these financial statements, will also mean Plan Sponsor, as that term is used in ERISA.

Eligibility

An eligible employee becomes an active participant in the Plan on the date of hire for purposes of 403(b) deferral and safe harbor contributions. Employees who have attained the age of 21 and completed 1,000 hours of service during the relevant computation period may receive an employer discretionary matching contribution.

Contributions

The Plan permits participants to make tax-deferred and Roth contributions to the Plan through a salary deferral election of up to a percentage of eligible compensation subject to certain Internal Revenue Code limitations. Matching contributions will be made to the following groups of qualifying contributing participants as follows:

- a) Safe Harbor Contributions:** Each eligible participant receives a 3% contribution based on the participant’s compensation.
- b) Discretionary Matching Contributions:** The Organization has the option to make a discretionary additional matching contribution at a percentage determined each year. The Organization’s policy has been to match 50% of a participant’s contribution up to 4% of Plan year compensation for a total of 2%.

In May 2020, the Organization’s Board approved a temporary suspension of the discretionary match for the period July 1, 2020 through June 30, 2021. The discretionary match resumed July 1, 2021.

DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

The amount contributed for each participant is invested as directed by the employee in available funds offered by the Plan. The participant may change his/her investment options at any time, subject to the terms of the funding vehicles. Each participant's account is credited with the participant's contributions, the Organization's matching contributions, and investment gains or losses. Plan earnings are credited to a participant's account according to the type of funding vehicle in which the balances are invested. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's accounts.

Vesting

Participants are immediately vested 100% in any voluntary contributions and in any safe harbor and non-safe harbor match, plus earnings thereon.

Notes Receivable from Participants

Participants may borrow a portion of the fair value of the participant's vested balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan document. Notes shall provide for level amortization, with payments to be made not less frequently than quarterly, over a period not to exceed five years. Borrowings used to acquire a principal residence may not exceed 10 years. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Forfeitures

Forfeited contributions may be used to pay the Plan's administrative expenses or used to reduce future Employer contributions. There were no forfeited balances during the years ended December 31, 2022 and 2021. Forfeitures of \$0 and \$7,645 were used to reduce Employer contributions during the years ended December 31, 2022 and 2021, respectively. The balance in the forfeiture account was \$0 at December 31, 2022 and 2021.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive his or her benefit in any one of the following optional forms of retirement benefit: (i) a lump sum; (ii) partial payments; or (iii) installment payments. A participant may elect to receive a single sum distribution of the account balance at any time after termination of employment for transfer to a qualified plan of another employer or to an individual retirement account. If a married participant requests a distribution, his or her spouse must consent to any form of distribution from the Plan that is in a form other than a qualified joint and survivor annuity.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully-benefit responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid. At December 31, 2022 and 2021, there were \$0 in benefits processed and approved for payment, but not paid.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation, Income Recognition, and Disclosure

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, recordkeeper, and trustee. See Investments for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

DECEMBER 31, 2022 AND 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Costs

All recordkeeping and custodian fees are generally paid from the assets of the Plan and are netted against investment performance. Brokerage fees, transfer taxes, investment fees, and other expenses incident to the purchase and sale of securities and investments in the various funds are included in the cost of such securities and investments or deducted from the sales proceeds, as the case may be. General administrative costs, such as audit and information reporting fees, legal expenses, human resources support, and other clerical expenses, are borne by the Plan Sponsor (the Organization). The Plan Sponsor paid \$50,224 and \$52,643 for Plan expenses during 2022 and 2021, respectively.

Contributions Receivable

The Organization's funding policy is to transfer contributions to the custodian concurrent with each pay cycle (bi-weekly or monthly). The employee and employer contributions for the last pay period ended December 31, 2022 were received by the custodian on January 3, 2023. As of December 31, 2022, there were employee and employer contributions accrued in the amount of \$24,034 and \$16,601, respectively.

The employee and employer contributions for the last pay period ended December 31, 2021 were received by the custodian on December 31, 2021. As of December 31, 2021, there were no employee or employer contributions accrued.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Organization's matching contributions into various mutual funds and stable asset fund offered by the Plan.

Fair Value Hierarchy

FASB ASC 820-10 establishes a fair value hierarchy and specifies that a valuation technique used to measure fair value shall maximize the use of observable inputs and minimize the use of unobservable inputs. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

**BRANDYWINE CONSERVANCY & MUSEUM OF ART 403(b) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Hierarchy (Continued)

The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Subsequent Events

Subsequent events were evaluated through August 31, 2023, which is the date the financial statements were available to be issued.

INFORMATION CERTIFIED BY CUSTODIAN

The Plan sponsor has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA (“DOL Rules and Regulations”). Accordingly, the following have been compiled from financial information certified as complete and accurate by the Reliance Trust Company in accordance with Section 2520.103-5 of the DOL Rules and Regulations, and no auditing procedures were performed thereon:

1. Cash and investments and related investment income, including net appreciation in fair value of investments, interest and dividends;
2. Due to brokers; and,
3. Investments reported in the supplemental schedule of assets held.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

INVESTMENTS

As required by FASB ASC 820-10, investments are classified within the level of the lowest significant input considered in determining fair value. In evaluating the level at which the Plan's investments have been classified, management has assessed factors including, but not limited to, price transparency, subscription activity, redemption activity and the existence or absence of certain restrictions.

The table below sets forth information about the level within the fair value hierarchy at which the Plan's investments, other than fully benefit-responsive investment contracts, were measured on a recurring basis at December 31:

	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
2022				
Registered investment companies				
Mutual funds/equity	\$ 4,970,606	\$ -	\$ -	\$ 4,970,606
Mutual funds/fixed income	1,315,613	-	-	1,315,613
	\$ 6,286,219	\$ -	\$ -	\$ 6,286,219
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
2021				
Registered investment companies				
Mutual funds/equity	\$ 5,987,621	\$ -	\$ -	\$ 5,987,621
Mutual funds/fixed income	1,534,825	-	-	1,534,825
	\$ 7,522,446	\$ -	\$ -	\$ 7,522,446

All of the Plan's mutual fund investments measured at fair value are valued using Level 1 inputs and are deemed to be actively traded and based on quoted market prices of the underlying securities at year-end.

BRANDYWINE CONSERVANCY & MUSEUM OF ART 403(b) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into fully benefit-responsive investment contracts that are fully and unconditionally guaranteed by the Standard Insurance Company (the “Standard”).

The Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits included in the financial statements. Contract value, as reported to the Plan by the Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contracts at December 31, 2022 and 2021 was \$941,746 and \$889,884, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, generally at 3%, but in some recent contracts the rate has ranged between 1% and 3%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan’s ability to transact at contract value with the Standard. Such events include termination of the contract, spinoffs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. The Plan sponsor does not believe that any events that would limit the Plan’s ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract may terminate the contract at any time with 30 days advance written notice to the Standard. The Standard may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner’s failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, Plan disqualification, and failure to adopt the Plan in a reasonable period of time.

The average yield on the contracts was 2.23% and 2.21% during the years ended December 31, 2022 and 2021, respectively.

BRANDYWINE CONSERVANCY & MUSEUM OF ART 403(b) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

EARNINGS ON INVESTMENTS

Participants do not hold mutual fund shares because contributions are held in the custodian's pooled separate account, which, in turn, purchases shares of the mutual funds. There are no dividends or realized gains with respect to separate account units of participation. Instead, the dividends and realized and unrealized gains for the underlying funds are factored into the value of the separate account funds. The change in the account's value is used to determine the earnings on investments.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and current economic conditions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and stable asset fund managed by the Standard. The Standard through Reliance Trust Company was the Plan custodian during the years ended December 31, 2022 and 2021, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions under ERISA. Total fees and compensation paid directly to the Standard and bundled service providers paid directly by the Plan for the investment management services amounted to \$4,569 and \$3,120 for the years ended December 31, 2022 and 2021, respectively, which were not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

TAX STATUS OF THE PLAN

The Plan has not received a determination letter since the Plan is designed based on a prototype plan document, which has applied for an opinion letter with the Internal Revenue Service. The Plan sponsor and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore believe the Plan qualified and is tax-exempt. No provision for income taxes has been included in the Plan's financial statements.

The Plan's policy is to expense all interest and penalties, if any, as incurred. No amounts of interest or penalties were recognized by the Plan during the years ended December 31, 2022 and 2021. The plan sponsor believes it is no longer subject to income tax examinations for years prior to 2019.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no significant reconciling items from Form 5500 to the financial statements for the years ended December 31, 2022 and 2021.
