Report of Independent Auditor

To the Retirement Plan Committee
The Retirement Plan for Associates of Metromont Corporation
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Retirement Plan for Associates of Metromont Corporation (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Retirement Plan for Associates of Metromont Corporation. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE RETIREMENT PLAN FOR ASSOCIATES OF METROMONT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Plan description

The following description of the Retirement Plan for Associates of Metromont Corporation (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all full-time employees of Metromont Corporation (the “Company”) who have completed at least 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was restated on September 1, 2020 to change Trustees from Reliance Trust Company to Great-West Trust Company, LLC.

Contributions – Each year, participants may make elective contributions to the Plan in the form of salary reductions, not to exceed the maximum contribution as defined by the Plan. The Plan has an automatic enrollment feature with a deferral percentage equal to 4% of participant’s compensation. The automatic deferral provision applies to all eligible participants hired on or after January 1, 2017. Eligible employees can decline enrollment, automatically enroll at 4% of Plan compensation, or enroll at a chosen deferral rate. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Such contributions, if any, are recorded as rollover contributions in the accompanying financial statements. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their allocations to the various investment options at any time. The Company has elected a safe harbor plan and has selected to contribute 100% of a participant’s elective deferrals up to 3% of compensation, plus 50% of a participant’s elective deferrals between 3% and 5% of the participant’s compensation, as outlined in the Plan Agreement. Additional matching contributions may be contributed at the discretion of the Company. There were no such discretionary matching contributions for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

The Plan allows for Roth elective deferrals. The Roth deferrals are included in an employee’s ordinary taxable income and are maintained in a separate account from pre-tax deferrals. Earnings on a participant’s Roth account accumulate on a tax-free basis. Plan participants may elect all pre-tax, all Roth, or a combination of elective deferrals each pay period.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and Company contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are vested immediately in all contributions and employer safe harbor matching contributions and actual earnings thereon. Vesting in the Company’s discretionary contributions and earnings thereon is immediate.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates that range from 4.25% to 9.25%, which are commensurate with local prevailing rates as determined periodically by the Company. Principal and interest are paid ratably through payroll deductions.

THE RETIREMENT PLAN FOR ASSOCIATES OF METROMONT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Plan description (continued)

Payment of Benefits – Upon termination of service for reasons other than death, a participant will receive a lump-sum equal to the value of the participant's vested interest in his or her account. Upon death, a participant's vested interest will be distributed to an elected beneficiary as soon as administratively feasible in a lump-sum or substantially equal payments for a specified period of time. All fully-vested balances are available for distribution after the participant reaches the age of 59½.

Forfeitures – At December 31, 2021 and 2020, forfeited nonvested amounts were \$-0- and \$21,933, respectively. Forfeited nonvested accounts are used first to reduce Plan administrative expenses and then to reduce future employer matching contributions. For the year ended December 31, 2021 \$-0- of forfeited nonvested accounts were used to reduce Plan administrative expenses and \$22,047 was used to reduce employer contributions.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments, other than the fully benefit-responsive investment contract, are stated at fair value based on quoted market prices of the underlying assets and the Plan's fully benefit-responsive investment contract is stated at contract value. Earnings (loss) on investments are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits – Benefits paid to participants are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

THE RETIREMENT PLAN FOR ASSOCIATES OF METROMONT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 3—Information prepared and certified by the Trustees (unaudited)

The Plan management has elected the method of compliance as permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Great-West Trust Company, LLC and Great-West Life and Annuity Company, the "Trustees" of the Plan, have certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020 and for the years then ended.

- Investments at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividend, other income, and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

Note 4—Fair value measurements

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

THE RETIREMENT PLAN FOR ASSOCIATES OF METROMONT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 4—Fair value measurements (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value.

Mutual Funds – These public investment vehicles are valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is classified within Level 1 of the valuation hierarchy based on the underlying assets of the account, which are traded on an active market.

Fixed Annuities – The reported value for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. These are classified within Level 2.

Common Collective Trust – Investments in the common collective trust are stated at estimated fair values, which have been determined based on the unit values of the funds. Each investment is valued at a daily calculated unit value, which is determined by the organization sponsoring such funds by dividing the funds' net assets at fair value by its units outstanding at each valuation date. The common collective trust held by the Plan is further classified as a stable value fund, which has indirect investments in synthetic and traditional guaranteed investment contracts. As the investment is indirect, there is no readily determinable fair value and the trust is valued at NAV practical expedient so it is shown outside the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 56,838,676	\$ -	\$ -	\$ 56,838,676
Fixed annuities	-	7,246,461	-	7,246,461
Total investments at fair value	<u>\$ 56,838,676</u>	<u>\$ 7,246,461</u>	<u>\$ -</u>	<u>64,085,137</u>
Common collective trust measured at NAV ^(a)				3,465,905
Total investments, at fair value				<u>\$ 67,551,042</u>
	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 49,151,566	\$ -	\$ -	\$ 49,151,566
Fixed annuities	-	7,697,148	-	7,697,148
Total investments at fair value	<u>\$ 49,151,566</u>	<u>\$ 7,697,148</u>	<u>\$ -</u>	<u>56,848,714</u>
Common collective trust measured at NAV ^(a)				2,652,211
Total investments, at fair value				<u>\$ 59,500,925</u>

^(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

THE RETIREMENT PLAN FOR ASSOCIATES OF METROMONT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 4—Fair value measurements (continued)

The Plan recognizes transfers between levels as of the actual date of the event or change in circumstances that caused the transfer. There were no transfers between levels for the years ended December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5—Investments measured using NAV per share practical expedient

The following tables summarize certain information about investments measured at fair value based on NAV per share, which is not readily determinable, as of December 31, 2021 and 2020:

As of December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 3,465,905	N/A	Daily	12 months
As of December 31, 2020				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 2,652,211	N/A	Daily	12 months

Note 6—Guaranteed investment contracts

The Plan has fully benefit-responsive investment contracts with Great-West Life and Annuity Insurance Company. The Great-West Life and Annuity Insurance Company Fixed Account is a group annuity contract designed as an in-plan investment option that provides guaranteed lifetime income. The Great-West Life and Annuity Insurance Company Fixed Account is a stable value investment option provided through a Group Annuity Contract with Great-West Life and Annuity Insurance Company. Under the contract, a crediting rate is established for a specified period of time ("Rate Period"). At the expiration of the Rate Period, a new crediting rate is declared. Great-West Life and Annuity Insurance Company takes all market, credit, and interest rate risks of the assets supporting the Fixed Income Account. The participant's account is credited with interest from the Fixed Income Account and charged for participant withdrawals and administrative expenses. The declared crediting rate for the Fixed Accounts for the Plan year ended December 31, 2021 was 1.65%. The contract is included in the statements of net assets as available for benefits at contract value as of December 31, 2021 as determined using the contract value amount, reported to the Plan by Great-West Life and Annuity Insurance Company. After the change in Trustees on September 1, 2020 (see Note 1), the fully benefit-responsive investment contracts were no longer offered to participants.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 6—Guaranteed investment contracts (continued)

Contract value represents contributions plus credited interest less participant withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Great-West Life and Annuity Insurance Company is contractually obligated to repay the principal and the specified interest rate that is guaranteed to the Plan. The guaranteed investment contracts do not permit Great-West Life and Annuity Insurance Company to terminate the agreement prior to the scheduled maturity date. There are no reserves against the contract value for credit risk.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Great-West Life and Annuity Insurance Company. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

Note 7—Party-in-interest transactions

Certain Plan investments are shares of mutual funds, common/collective trusts, fixed annuities, and fully benefit-responsive investment contracts managed by Great-West Trust Company, LLC and Great-West Life and Annuity Company. After the change in Trustees on September 1, 2020 (see Note 1), the fully benefit-responsive investment contracts were no longer offered to participants. Great-West Trust Company, LLC are the Trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services totaled \$67,489 and \$124,635 for the years ended December 31, 2021 and 2020, respectively, and are included in the statements of changes in net assets available for benefits. Notes receivable from participants also qualify as a party-in-interest transaction.

Note 8—Plan termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. In the event of Plan termination, participants will become 100% vested in their account balances.

Note 9—Tax status

The Plan adopted a volume submitter profit sharing plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and the volume submitter plan has been amended since receiving the opinion letter. However, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. The Plan sponsor believes the Plan has no income subject to unrelated business income tax.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 9—Tax status (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through February 14, 2023, the date these financial statements were available to be issued.
