Texans Anesthesiology Associates 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Texans Anesthesiology Associates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Texans Anesthesiology Associates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Texans Anesthesiology Associates 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Texans Anesthesiology Associates 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Texans Anesthesiology Associates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Texans Anesthesiology Associates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) and schedule of Delinquent Participant Contributions as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter –Report on Compiled 2021 Financial statement

Plan management is responsible for the accompanying financial statement of Texans Anesthesiology Associates 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of Texans Anesthesiology Associates 401(k) Plan as of and for the year ended December 31, 2021.

Texans Anesthesiology Associates 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Plan Description

The following description of the Texans Anesthesiology Associates 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

- a) *General* – The Plan is a 401(k) defined contribution plan covering substantially all non-union, non-leased, and non-resident alien employees of Texans Anesthesia Associates PLLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has a beginning effective date of July 6, 2007. The Plan was restated effective January 1, 2022.

- b) *Eligibility* -The Plan substantially covers all employees of the Company that are not union, leased, or non-resident alien employees. Employees are eligible to contribute to the Plan immediately, but must complete six months of service to be eligible for employer match and nonelective contributions. Plan entry dates are immediate for participant contributions, and the 1st of each quarter for employer match and nonelective contributions. The participants must have satisfied all the eligibility prior to the entry to be allowed to enroll.
- c) *Employee Contributions* – Each year participants may contribute to the Plan subject to certain limitation under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans.
- d) *Employer Contributions* – The Company makes a Safe Harbor matching contribution annually equal to 100% on up to 4% eligible compensation. The Company made Safe Harbor matching contributions in the amount of \$484,109 for the year ended December 31, 2022.

The Company may also make an employer match at their discretion. Discretionary nonelective contribution are also allowed for participants who worked 1,000 hours during the year and were employed at the end of the year, unless terminated due to death, disability, or normal retirement date.

Texans Anesthesiology Associates 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

For the year ended December 31, 2022, no discretionary contributions were made by the Company.

- e) *Investment Options* – Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options at any time online at the record keeper's website.
- f) *Participants Accounts* – Each participant's account is credited with the participant's contributions and allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Administrative expenses may be charged based on account balances or charged equally to each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- g) *Vesting* – Participants are vested immediately in their contributions and Safe Harbor contributions, plus actual earnings thereon. Participants are vested in other employer funds 20% for each year of service until fully vested at 5 years.
- h) *Notes receivable from participants* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions.
- i) *Payment of Benefits* – In the case of retirement, death, disability or termination of employment, participants may elect to receive the vested accumulated value of their account in a lump sum distribution payment.
- j) *Forfeited accounts* – Any non-vested portion of matching contributions credited to the accounts of participants who withdraw prior to becoming fully vested is forfeited and used by the Company to reduce future matching contributions and/or payment of eligible administrative expenses. At December 31, 2022, forfeited non-vested amounts totaled \$4,392.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Texans Anesthesiology Associates 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2022 through October 2, 2023, the date the financial statements were issued.

4. Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental material was obtained from data that has been prepared and certified to as complete and accurate by Voya Retirement Insurance and Annuity Company, the Plan's trustee.

5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts – These investments are public investment securities valued using Net Asset Value ("NAV") provided by the investment trustee. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments which are publicly traded on active exchanges. Pooled separate accounts are included in Level 1 of the fair value hierarchy.

Texans Anesthesiology Associates 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

<i>Investment Assets at Fair Value as of December 31, 2022</i>				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$14,387,628	–	–	\$14,387,628
Total investments at fair value	\$14,387,628	–	–	\$14,387,628

<i>As of December 31, 2021</i>				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$16,126,586	–	–	\$16,126,586
Total investments at fair value	\$16,126,586	–	–	\$16,126,586

6. Guaranteed investment contract (GIC)

The Plan holds a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (Voya). The contract underlying this investment option is considered to be fully benefit responsive. Because the GIC is fully benefit responsive, the investment is reported at contract value. Contract value approximated fair value for the year ended December 31, 2022.

Voya maintains the contributions in a general account. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. In most cases, participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The methodology for calculating the interest crediting rate is based on a number of factors including the earnings of the underlying assets compared to the minimum interest crediting rate, as stated in the contract, mortality risks and prevailing market conditions. Interest crediting rate is reset at least monthly.

Texans Anesthesiology Associates 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

7. Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

8. Related Party Transactions

Voya Institutional Plan Services, LLC and Voya Retirement Insurance and Annuity Company are subsidiaries of Voya Financial, Inc. The Plan invests in pooled separate accounts that are administered by Voya. The Company provides limited administrative services to the Plan without charge. These transactions qualify as party-in-interest transactions.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

10. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Prototype Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Notes to Financial Statements

December 31, 2022 and 2021

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
