**INDEPENDENT AUDITOR'S REPORT**

To the Plan Committee  
Sacramento Credit Union 401(k) and Profit Sharing Plan  
Sacramento, California

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Sacramento Credit Union 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Accountant's Compilation Report on the 2021 Financial Statements***

We performed a compilation engagement with respect to the 2021 financial statements and our report thereon, dated February 18, 2023, stated that we did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sacramento Credit Union 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sacramento Credit Union 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of assets held at end of year, as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SACRAMENTO CREDIT UNION  
401(k) AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 (*audited*) and 2021 (*compiled*)

**NOTE 1: DESCRIPTION OF PLAN**

The following description of the Sacramento Credit Union 401(k) and Profit Sharing Plan (the “Plan”) provides only summarized general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan was originally established September 1, 1977 and is a defined contribution plan covering all eligible employees of Sacramento Credit Union (the “Plan Sponsor”), excluding those covered by a collective bargaining agreement, nonresident aliens with no U.S. income, and leased employees. At this time there are no such exclusions. Eligible employees are those who have attained the age of eighteen years and completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is governed by a committee appointed by the Plan Sponsor. Principal Trust Company is the trustee of the Plan.

Effective February 17, 2022, the Plan was amended and restated to bring the Plan into compliance with legislative and regulatory changes and to incorporate past amendments.

**Plan Year**

The Plan year begins on January 1<sup>st</sup> and ends on December 31<sup>st</sup>.

**Contributions**

The Plan allows for the following types of contributions:

- ***Employee Salary Deferral 401(k) Contributions***

The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”) where each eligible employee may elect to have their compensation deferred up to the maximum amount allowable. These contributions are subject to nondiscrimination tests prescribed by the Code. Eligible employees who have not completed an elective deferral agreement are automatically enrolled at 6%. Roth contributions are allowed. There is an auto-escalation provision that increases a participant’s salary deferral percentage 1% annually on March 1 until reaching 10%. Participants can opt out of either auto-enrollment or auto-escalation.

- ***Employer Discretionary Matching Contributions***

The Plan allows employer discretionary matching contributions to be determined by the Plan Sponsor’s Board of Directors each Plan year. Participants are eligible to receive an allocation of discretionary matching contributions upon satisfying the eligibility requirements of the Plan. The Plan Sponsor elected to make discretionary matching contributions of \$177,495 and \$152,460 for the Plan years ending December 31, 2022 and 2021, respectively.

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

**Contributions (Continued)**

- ***Employer Discretionary Profit Sharing Contributions***

The Plan allows employer discretionary profit sharing contributions to be determined by the Plan Sponsor's Board of Directors each Plan year. Participants are eligible to receive an allocation of discretionary profit sharing contributions if they are employed on the last day of the Plan year, unless they severed employment during the Plan year due to death, disability, or after attaining normal retirement age. The Plan Sponsor elected to make discretionary profit-sharing contributions of \$334,329 and \$307,412 for the Plan years ending December 31, 2022 and 2021, respectively.

- ***Qualified Non-Elective Contributions (QNEC)***

The Plan Sponsor shall have the right to make a discretionary QNEC contribution to eligible participants that are non-highly compensated employees in order to pass annual nondiscrimination testing.

**Participant Accounts**

The Plan allows participants to self-direct their account balances and contributions among various investment options in self-directed accounts. Participants are allowed to direct their investments to a single fund or a combination of funds. Investment earnings and losses are allocated to participants' accounts based on the earnings or losses of the investments selected. The benefit to which a participant is entitled is limited to the vested balance of their individual account.

**Vesting**

Participants are always 100% vested in their salary deferral contributions and gains/losses credited thereon. Employer contributions and gains/losses credited thereon are unvested until completion of 3 years of credited service at which point the participant becomes 100% vested. For the purpose of determining vesting, a year of service is defined as a Plan year in which the participant is credited with at least 500 hours of service.

**Forfeitures**

Generally, forfeitures refer to non-vested holdings relinquished, subsequent to severance from employment, by participants effective the earlier of (1) distribution of vested holdings or (2) five years following election to keep vested holdings in the Plan.

Forfeitures may be used to reduce administrative expenses or to reduce the funding of employer contributions. For 2022 and 2021 employer contributions, the Plan Sponsor used forfeitures of \$15,976 and \$9,550, respectively, to reduce funding. Forfeiture balances available for reduction of administrative expenses or to reduce the funding of employer contributions were \$2 and \$413 at December 31, 2022 and 2021, respectively.

**Retirement**

Normal retirement age under the Plan is age sixty-five (65).

**Payment of Benefits**

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) upon demonstration of financial hardship; 4) permanent disability; or 5) death of the participant. Benefit payments are distributed to participants or their beneficiaries in a single lump sum, installments if the vested balance exceeds \$5,000, or they may elect for the distribution of benefits in the form of a life annuity.

**Notes Receivable from Participants**

The Plan allows participants to borrow up to the lesser of \$50,000 or 50% of the participant's vested account balance, with a minimum loan amount of \$1,000. Loan repayment terms may be no longer than five years unless the loan is used to purchase a primary residence of the participant.

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

**Administrative Expenses**

Administrative expenses are paid by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

**Investment Valuation and Income Recognition**

Investments in mutual funds and common collective trust are reported at fair market value using quoted market prices. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Capital gains are included in net appreciation (depreciation) in fair value of investments. Changes in the unit values of investments are reflected in each participant's self-directed account. Investments are valued daily.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged to the respective participant's account. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Payment of Benefits**

Benefits to participants are recorded when paid.

**Income Taxes**

The Plan has adopted a pre-approved plan which has obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the opinion letter, management believes the Plan is designed, and is currently being operated, in compliance with applicable requirements of the Code. Therefore, no provision for income taxes is included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities.

**Estimates and Assumptions**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 3: INFORMATION CERTIFIED BY TRUSTEE**

**NOTE 4: FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds:* Mutual funds are valued using quoted market prices available on active markets. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**NOTE 4: FAIR VALUE MEASUREMENTS (Continued)**

*Common Collective Trusts:* Valued at the NAV of units of a bank collective trust. Common collective trusts include a stable value fund that is composed primarily of fully benefit-responsive investment contracts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

**NOTE 5: PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS**

Plan investments include a mutual fund issued by Principal Funds, Inc. and a common collective trust issued by Principal Life Insurance Company, both of which are related parties to Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are recorded in net appreciation (depreciation) in fair value of investments. Fees for certain administrative expenses are paid to Principal Life Insurance Company, the record keeper and third-party administrator of the Plan. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

**NOTE 6: RISKS AND UNCERTAINTIES**

The Plan invests in various mutual funds and common collective trusts. Investment securities, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 7: RECONCILIATION TO FORM 5500**

Net assets and participant contributions in these financial statements differ from the amounts reported in the Form 5500 as follows:

|                                                                | 2022<br><i>(audited)</i> | 2021<br><i>(compiled)</i> |

**NOTE 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 9: SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for, and disclosure of, transactions and events that affect the financial statements. Subsequent events have been evaluated through October 2, 2023, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed.
