Independent Auditors' Report

The Plan Administrator
Stradley, Ronon, Stevens & Young, LLP Retirement Plan I
Philadelphia, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Stradley, Ronon, Stevens & Young, LLP Retirement Plan I (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STRADLEY, RONON, STEVENS & YOUNG, LLP RETIREMENT PLAN I

Notes to Financial Statements December 31, 2022 and 2021

(1) Description of Plan

The following description of the Stradley, Ronon, Stevens & Young, LLP Retirement Plan I (formally Stradley, Ronon, Stevens & Young, LLP Retirement Plan) (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan covering substantially all employees and self-employed individuals (partners) of Stradley Ronon Stevens & Young, LLP (the Sponsor), except associates and other attorneys that the Sponsor treats as employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plan administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Under the provisions of the Plan, each nonattorney employee and salaried partner whose social security number ends in an odd number as well as each equity partner are eligible for the allocation of the Sponsor's contribution, as defined below.

Those nonattorney employees and salaried partners whose social security numbers end in an even number are eligible to participate in the affiliated Stradley, Ronon, Stevens & Young, LLP Retirement Plan II for the purpose of sharing in the allocation of the Sponsor contributions.

Eligibility

A nonattorney employee or partner is eligible to participate in the Plan for purposes of making elective deferrals and sharing in the allocation of the Sponsor contributions on the first of the month following completion of one hour of service and attainment of age 21. Only nonattorney employees and salaried partners whose social security numbers end in an odd number and each equity partner are eligible for the allocation of the Sponsor's contribution.

Contributions

Each year participants may contribute up to 100% of pre-tax annual compensation as defined by the Plan up to the maximum limits of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Notes to Financial Statements December 31, 2022 and 2021

(1) Description of Plan, Continued

Contributions, Continued

For each calendar year, the Sponsor shall contribute an amount of its net income, as follows:

- For each equity partner who is a partner on the last day of such year, one-half of an amount equal to earned income not exceeding the IRC annual compensation limit, multiplied by a percentage that ranges from 7.00% to 13.75%, depending on the partner's gross earned income.
- For each eligible salaried partner whose social security number ends with an odd number and who is a partner on the last day of such year, an amount equal to earned income not exceeding the IRC annual compensation limit, multiplied by a percentage that ranges from 7.00% to 13.75%, depending on the partner's gross earned income.
- For each eligible participant whose social security number ends with an odd number and who is a nonattorney employee on the last day of such year, 5% of the participant's compensation from the Sponsor for such year up to the social security taxable wage base in effect for the year, plus an additional 8.00% of compensation that exceeds the social security taxable wage base in effect for that year.
- If an individual is both a partner and an employee during the year, the amount of such individual's integrated earned income and integrated compensation shall be determined by adjusting the social security taxable wage base to reflect the individual's earned income as a partner and the individual's compensation as an employee.
- In addition, certain employees employed on the last day of the year in which the Plan is top-heavy will receive the required minimum top-heavy contribution equal to 3.00% of earned income or compensation. This contribution will only be made if and to the extent a participant does not receive the required minimum contribution from the regular sponsor contribution.

The Plan was amended to include an automatic enrollment provision whereby substantially all newly eligible employees, excluding partners, hired on or after January 1, 2019 are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rates set initially at 6% of eligible compensation and increased annually in July by 1% up to a maximum of 12%.

(1) Description of Plan, Continued

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's contributions and plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan is self-directed by the individual participants. Participants may elect to invest their account in mutual funds, common stock, money market accounts, brokerage accounts, and other securities of their choosing.

Vesting

A participant's interest in all elective deferral contributions and the earnings or losses thereon shall at all times be fully vested and nonforfeitable. With respect to vesting of the Sponsor's contributions, a participant who had attained age 21 and completed at least two years of service prior to July 1, 2012 is fully vested in those contributions and the earnings and losses thereon. All other participants must satisfy a three year cliff vesting requirement.

Notes Receivable from Participants

Upon proper written application, the plan administrator may permit loans to participants from their accounts. The total of any outstanding loan or loans to a participant may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by either 50% of the participant's vested account balance or by a mortgage on the participant's principal or second residence. The loan must be repaid over a period not exceeding five years and must be amortized in level payments made not less frequently than quarterly over the term of the loan, including interest at the prime lending rate as of the loan date. The interest rates on the loans range from 3.25% to 7.00%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability or death, participants are entitled to their vested interest in their account balance, payable in a single lump-sum payment or in installments over a certain period not exceeding the participant's life expectancy or the joint life expectancy of the participant and his or her spouse.

Notes to Financial Statements December 31, 2022 and 2021

(1) Description of Plan, Continued

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$64 and \$386, respectively. The Sponsor has the option to use forfeitures to reduce employer contributions to the Plan or to pay administrative expenses of the Plan. For the year ended December 31, 2022, employer contributions and plan administration expenses were reduced by \$250 and \$7,990, respectively, from forfeited nonvested accounts.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

STRADLEY, RONON, STEVENS & YOUNG, LLP RETIREMENT PLAN I

Notes to Financial Statements December 31, 2022 and 2021

(2) Summary of Significant Accounting Policies, Continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and certain participant brokerage accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2023, the date the financial statements were available to be issued.

(3) Financial Information Certified by a Qualified Institution

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments at fair value and notes receivable from participants at December 31, 2022 and 2021 and net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, a qualified institution.

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

STRADLEY, RONON, STEVENS & YOUNG, LLP RETIREMENT PLAN I

Notes to Financial Statements December 31, 2022 and 2021

(4) Fair Value Measurements, Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies, exchange-traded funds, unit investment trusts, real estate investment trusts, and money market accounts: Valued at the daily closing price as reported by the fund. Registered investment companies, exchange-traded funds and unit investment trusts held by the Plan are open end investments that are registered with the Securities and Exchange Commission. These investments are required to publish their daily net asset value (NAV) and to transact at that price. Registered investment companies, exchange-traded funds, unit investment trusts, real estate investment trusts, and money market accounts held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Corporate bonds and U.S. government and agency securities: Valued based on current yields available on identical or comparable securities issued. When quoted prices are not available for identical or similar securities, the investment is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar investments, but includes adjustments for certain risks that may not be observable, such as credit and liability risks.

Common and preferred stock and other assets: Valued based on quoted market prices or based on the most recent transactions if these stocks are not publicly traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Assets included in the fair value hierarchy:				
Money market fund	\$ 1,348,222	\$ -	\$ -	\$ 1,348,222

(4) Fair Value Measurements, Continued

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Assets included in the fair value hierarchy:				
Money market fund	\$ 1,145,510	\$ -	\$ -	\$ 1,145,510

Total assets included in fair value hierarchy	\$ 152,713,764	\$ 2,493,844	\$ -	155,207,608
Investments measured at NAV as a practical expedient				19,151,343
Total investments at fair value				\$174,358,951

Self-directed brokerage accounts consisting of cash equivalents, money market accounts, registered investment companies, exchange-traded funds, unit investment trusts, common stock and real estate investment trusts are categorized as level 1 investments as of December 31, 2022 and 2021. Self-directed brokerage accounts consisting of U.S. government and agency securities, preferred stock and corporate bonds are categorized as level 2 as of December 31, 2022 and 2021.

Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on the NAV per share as a practical expedient as of December 31:

Investments	Fair Value at December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
Common collective trust funds:					
Principal Global Investors Morley Stable Value Fund	\$ 3,838,110	\$ 4,642,442	None	Daily	30 days *
Charles Schwab Managed Retirement Funds	13,013,492	14,508,901	None	Daily	30 days
	<u>\$ 16,851,602</u>	<u>\$ 19,151,343</u>			

* Redemptions, other than for benefit payments and participant transfers to noncompeting options, require a 12 month advance written notice.

There were no significant transfers among investment levels during the years ended December 31, 2022 and 2021.

(5) Related Party Transactions and Party-In-Interest Transactions

Certain plan investments are shares of common collective trust funds and a cash equivalent managed by Charles Schwab Bank and Charles Schwab Trust Bank. Charles Schwab Bank and Charles Schwab Trust Bank are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investments.

(6) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(7) Tax Status

The Internal Revenue Service (IRS) has determined and informed the Sponsor by a letter dated February 28, 2018, that the Plan is designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) Transfer of Assets to/from Affiliated Plans, Net

The Sponsor maintains two affiliated plans that cover substantially all employees and self-employed individuals (partners) of Stradley Ronon Stevens & Young, LLP. Funds are transferred between plans when changes occur to an employee's status. During 2022, \$65,616 was transferred into the Plan from the Stradley, Ronon, Stevens and Young, LLP 401(k) Plan.
