Hirschler Fleischer, A Professional Corporation Retirement Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hirschler Fleischer, A Professional Corporation Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan:

The following description of the Hirschler Fleischer, A Professional Corporation Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Hirschler Fleischer, A Professional Corporation (the "Company"). Employees become eligible to participate following the later of (1) the employee's completion of six months of service or (2) attaining age twenty-one. In addition, employees are eligible to receive Company profit sharing and safe harbor contributions following the later of (1) completion of six months of service or (2) attaining age twenty-one. Finally, eligible employees are automatically enrolled in the Plan with employee deferrals of four percent of eligible compensation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Each year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan document, subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Plan provides for Company Safe Harbor matching contributions equal to 100% of the participant's first 3% of eligible compensation. The Company may also provide a discretionary profit sharing contribution, to be allocated based on each participant's compensation. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's safe harbor contribution, (b) the Company's profit sharing contribution and (c) plan earnings (losses), and charged with an allocation of administrative expenses and transaction fees (distribution fees and recordkeeping fees), where applicable. Allocations are based on participant's earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting: Vesting in the Company's discretionary profit sharing contribution is based on years of service, as defined in the Plan. A participant is 100 percent vested after six years of credited service.

Investment Options: Participants may direct the investment of their account balances in accordance with guidelines established by the Plan. The Plan currently offers mutual funds and common/collective trust funds as investment options for participants.

A PROFESSIONAL CORPORATION RETIREMENT PLAN**

1. Description of Plan, Continued:

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, death, disability, or retirement, as defined in the Plan. Participants are entitled to receive either a lump-sum payment amount or installments, as provided by the Plan, in amounts equal to the vested value of their account.

In-service distributions of employee contributions are available after the participant reaches age 59.5 years. A participant may request a distribution of matching, safe harbor and profit sharing contributions even if still employed, as long as they have reached the age of 65 and have participated in the Plan for at least 5 years.

Forfeitures: Forfeited balances of participants' non-vested accounts are used to reduce future Company contributions or pay plan administrative expenses. Forfeitures were \$40,747 in 2022. Forfeitures used to reduce Company contributions and fees were \$30,190 for 2022. Forfeited balances available were \$14,278 at December 31, 2022 and \$3,721 at December 31, 2021.

Plan Administration: Participants' accounts invested with Vanguard Fiduciary Trust Company are administered by the Retirement Committee of the Board of Directors of the Company. Vanguard Fiduciary Trust Company serves as trustee of the Plan.

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (distribution fees and recordkeeping fees) are charged directly to the participant's account.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

A PROFESSIONAL CORPORATION RETIREMENT PLAN**

2. Summary of Significant Accounting Policies, Continued:

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued, and has determined that there are no subsequent events to be reported in the accompanying financial statements.

3. Fair Value Measurements:

The Financial Accounting Standards Board ("FASB") has issued guidance for measurement and disclosure of fair value and established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**HIRSCHLER FLEISCHER,
A PROFESSIONAL CORPORATION RETIREMENT PLAN**

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

Collective Trust Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the Common/Collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of the Plan's year-end date:

		Assets at Fair Value as of December 31, 2022	
		Level 1	Total
Assets:			
Mutual funds		\$ 84,137,053	\$ 84,137,053
Total assets in the fair value hierarchy		<u>\$ 84,137,053</u>	84,137,053
Common/collective trust fund, measured at net asset value*			<u>3,425,300</u>
Total assets at fair value			<u>\$ 87,562,353</u>
		Assets at Fair Value as of December 31, 2021	
		Level 1	Total
Assets:			
Mutual funds		\$ 99,760,360	\$ 99,760,360

Total assets at fair value			<u>\$ 102,620,152</u>

3. Fair Value Measurements, Continued:

*In accordance with FASB ASU 2015-07, certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share and not registered with the SEC as of December 31, 2022 and 2021:

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust fund	\$3,425,300	None	Daily	Up to 12 months

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust fund	\$2,859,792	None	Daily	Up to 12 months

4. Administrative Expenses:

The Plan paid administration expenses in the amount of \$109,879 during 2022. Although not required by the Plan, some of the costs of the Plan administration are absorbed by the Company.

5. Related Party Transactions:

The Plan invests in shares of mutual funds and a common/collective trust fund managed by affiliates of the trustee. These are related party transactions and are identified as parties-in-interest in the accompanying schedule of assets (held at end of year). The Plan paid administrative fees to the trustee totaling \$22,424 during 2022. The Plan paid administrative expenses to other parties-in-interest totaling \$86,455 during 2022.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Tax Status:

The Internal Revenue Service has informed the prototype sponsor by a letter dated June 30, 2020 that the adopted prototype plan is designed in accordance with the applicable sections of the Internal Revenue Code (the "Code"). The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is designed and operated in accordance with ERISA.

Management has evaluated the effect of FASB guidance surrounding uncertain income tax positions and concluded that the Plan has no significant financial statement exposure to uncertain income tax positions at December 31, 2022 and 2021. The Plan is not currently under audit by any tax jurisdiction.

8. Financial Information Certified by a Qualified Institution:

Information regarding the following, included in the Plan's financial statements and supplemental financial schedule, was prepared by the trustee, which has certified that the following information regarding investments held in their custody is complete and accurate:

- Investments, at fair value
- Investment loss
- Schedule of assets (held at end of year)
