Independent Auditors' Report

Plan Administrator
Vernet US Corporation 401(k) Retirement Savings Plan
Columbus, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Vernet US Corporation 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vernet US Corporation 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from The Standard Insurance Company as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Notes 5 and 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying financial statements related to assets held by and certified to by The Standard Insurance Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vernet US Corporation 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vernet US Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Vernet US Corporation 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vernet US Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Schedules Required by ERISA

The supplementary schedule H, Part IV – question 4i assets held for investment is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by The Standard Insurance Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VERNET US CORPORATION 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Vernet US Corporation 401(k) Retirement Savings Plan (the Plan), formerly the Caltherm Corporation 401(k) Retirement Savings Plan, provides only general information. Plan participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan sponsor is Vernet US Corporation (Company), which is the holding company of Caltherm Corporation (Employer).

In October 2019, Vernet US Corporation's shareholder, Magnum Corporation, purchased Rostra Vernatherm. The company, whose name was changed to Vernatherm by Vernet ("Vernatherm"), sponsored a 401(k) plan for its salaried employees that was merged with the Plan in September 2020.

GENERAL

The Plan is a defined contribution plan that includes salary deferral features and is intended to meet the requirements of a qualified plan under Section 401(k) of the Internal Revenue Code. The Plan provides for retirement benefits and is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA) as amended. All employees who are at least 18 years of age and have completed 3 months of service may elect to participate in the Plan. The Plan was established April 1, 1993 and amended at various times. The assets of the Plan are held and recordkeeping services are provided by The Standard Insurance Company, Inc. (The Standard).

CONTRIBUTIONS

The Employer may make matching contributions equal to a discretionary percentage, to be determined annually by the Company, of the participants' salary reductions. The Employer may also make a discretionary contribution, which is not limited to its current or accumulated net profit.

Participants may elect to contribute up to an annual maximum prescribed under the Internal Revenue Code (IRC). Participants may also contribute amounts distributed from other qualified plans. Participants over age 50 may make additional contributions as provided by the IRC. Participants who do not complete a salary deferral agreement upon Plan eligibility will automatically be enrolled in the Plan with salary deferrals of 5% of eligible earnings contributed to the Plan.

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each participant and are credited with each participant's contributions and allocation of: (a) Employer contributions and (b) Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct investments in their accounts into several investment options and are allowed to change investment selections on a daily basis.

BENEFITS

Distribution of a participant's interest in the Plan may occur due to death, disability, retirement or other reasons. A participant will receive a lump-sum amount equal to the value of the participant's account balance. Benefits are recorded when paid.

VERNET US CORPORATION 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

VESTING

Participants are always 100% vested in their contributions plus actual earnings thereon. Employer contributions vest at 25% per year and are 100% vested after 4 years of service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to the lesser of \$50,000 less than the highest outstanding loan balance in the last 12 months, or 50% of the participant's vested account balance. Participants are limited to two outstanding loans at any given time. Loans must be repaid ratably as to principal and interest over a period not to exceed five years through payroll withholdings, unless used to acquire or construct the primary residence of the participant. The loan is secured by the 100% vested portion of the participant's account balance and bears interest at a fixed rate that is comparable to commercial lending rates. Outstanding notes receivable from participants totaled \$179,787 and \$137,084 at December 31, 2022 and 2021, respectively.

PLAN TERMINATION

Although the Employer has not expressed intent to discontinue participation in the Plan, they may do so at any time upon resolution by the Company's Board of Directors subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in Employer contributions.

FORFEITED ACCOUNTS

At December 31, 2022 and 2021, forfeited nonvested accounts were \$1,820 and \$-0-, respectively. According to Plan provisions, these accounts will be used to pay administrative expenses or reduce future employer contributions. For the years ended December 31, 2022 and 2021, forfeited nonvested accounts of \$4,166 and \$5,448 were used for administrative expenses, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounts of the Plan are maintained and the accompanying financial statements have been prepared on the modified cash basis. Investment income is recognized when received; disbursements are recognized when paid; and contributions are recorded when received. Additionally, investments are reflected at fair value.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

ESTIMATES

The Plan Administrator uses estimates and assumptions in preparing modified cash basis of accounting financial statements which require the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

VERNET US CORPORATION 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

INVESTMENT VALUATION AND INCOME RECOGNITION

The Standard Insurance Company, Inc. maintains the Plan's investment funds. The Plan's investments held in the insurance company's general account are reported at contract value. Pooled separate accounts are valued at fair value at the net asset value (NAV) of the pooled separate accounts as provided by the custodian. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as received.

EXPENSES OF THE PLAN

Certain expenses of maintaining the Plan are paid by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

3. INCOME TAXES

The Plan is based on a prototype plan sponsored by The Standard Insurance Company, Inc., the Custodian of the Plan, which has received a favorable opinion letter from the Internal Revenue Service that the prototype plan is designed to qualify as being exempt from federal income taxes. The Plan Administrator has not separately applied for a determination letter from the Internal Revenue Service. The prototype plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRC. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

4. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such a person.

VERNET US CORPORATION 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

At December 31, 2022 and 2021, certain investments of the Plan were held in investment funds managed by The Standard. Agresta, Storms & O'Leary, PC served as the Plan's auditors. Transactions with these parties qualify as party-in-interest transactions. The Employer provides certain accounting, recordkeeping and administrative services to the Plan, for which it is not compensated.

5. INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, The Standard, the Custodian of the Plan at December 31, 2022 and 2021, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) at December 31, 2022 and 2021, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

The following is a summary of the Plan's unaudited financial information certified by the Plan's Custodian, The Standard Insurance Company, Inc., as complete and accurate as of and for the years ended December 31, 2022 and 2021, in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA:

	2022	2021
Pooled separate accounts, at fair value	\$ 4,489,198	\$ 5,350,278
Guaranteed interest contracts, at contract value	1,079,552	896,315
Total investments	<u>\$ 5,568,750</u>	<u>\$ 6,246,593</u>

6. INVESTMENT IN GUARANTEED INTEREST ACCOUNT

The Plan had an investment in the Standard Stable Asset A Fund (the Fund) as of and for the years ended December 31, 2022 and 2021. The fund is a fully benefit-responsive investment fund for the collective investment of qualified plans. Because the investment is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fully benefit-responsive contracts. Such contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawal or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

VERNET US CORPORATION 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract value of the investment in the Fund was \$1,079,551 and \$896,315 at December 31, 2022 and 2021, respectively.

7. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in accordance with FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* (ASC 820) in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and expands disclosures about fair value measurements. ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the inputs used to measure fair value are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than quoted prices in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

VERNET US CORPORATION 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	2022	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Pooled Separate Accounts	\$ 4,489,198	\$ -0-	\$ 4,489,198	\$ -0-
	<u>\$ 4,489,198</u>	<u>\$ -0-</u>	<u>\$ 4,489,198</u>	<u>\$ -0-</u>
Description	2021	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Pooled Separate Accounts	\$ 5,350,278	\$ -0-	\$ 5,350,278	\$ -0-
	<u>\$ 5,350,278</u>	<u>\$ -0-</u>	<u>\$ 5,350,278</u>	<u>\$ -0-</u>

8. OTHER DISCLOSURES

During the Plan years ended December 31, 2022 and 2021, there were no leases or obligations in default which would require disclosure under the Department of Labor Rules and Regulations for Reporting and Disclosures.

9. RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Plan's financial statements and could affect participants' account balances.

10. SUBSEQUENT EVENTS

In accordance with ASC Topic 855, Subsequent Events, the Plan has evaluated events through September 20, 2023, which is the date these financial statements were available to be issued, and has determined that, other than the item noted below, there are no subsequent events that require disclosure in the financial statements.
