Independent Auditors' Report

Opinion

We have audited the accompanying financial statements of HMF 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of HMF 401(k) Retirement Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of HMF 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HMF 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HMF 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HMF 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule, is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

HMF 401(k) RETIREMENT PLAN

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of HMF 401(k) Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan covering all employees of Hickey Metal Fabrication & Roofing Co. (Company), who are 19 years of age or older, have completed 1,000 hours and have completed six months of service for eligibility purposes. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Amendment - Effective January 1, 2021, the Company restated the Plan to include provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act. The SECURE Act allows for any employee working at least 500 hours of service during each of three consecutive 12-month periods to become an "eligible participant." This allows the employee to make elective deferrals on the date specified in the Plan provided that he or she has met the other eligibility provisions of the Plan. Each 12-month period for which the employee has at least 500 hours of service is treated as a year of service for vesting purposes.

Contributions - Under the Plan's provisions, each participant may contribute an amount up to the elective deferral dollar limit and the Section 415 limitation of the Internal Revenue Code, as defined in the Plan. Participants may also roll over amounts representing distributions from other qualified defined-benefit or contribution plans. The Company makes a matching contribution to the Plan which equals 100% of the first 3% of the participant's compensation contributed to the Plan, plus 50% of any additional salary deferrals above 3% up to 5% of compensation. The Company may elect to make an additional matching contribution or a discretionary employer contribution. Upon enrollment in the Plan, a participant may direct employee contributions and Company contributions to any of the available investment options. Participants may change their investment options at their discretion. All of the balances of the Plan represent participant-directed investments.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the appropriate matching contribution and (b) Plan earnings (losses), as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting - Vesting in participants' accounts relating to the Company discretionary contribution is based on years of continuous service. A participant is 100% vested after five years of credited service. Participants are immediately vested in their deferrals and contributions rolled over from other qualified defined-benefit or contribution plans, the Company safe harbor contribution, plus actual earnings thereon.

Payment of benefits - On termination of service, a participant will be entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited accounts - At December 31, 2022 and 2021, forfeited accounts totaled \$80,625 and \$70,603, respectively. Forfeitures may be used to pay Plan administrative expenses and/or reduce future Company contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates and subsequent events - The Plan Administrator makes estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparing the financial statements, including estimates and disclosures, management has considered the effects of subsequent events through September 22, 2023—the date the financial statements were available to be issued.

Investment valuation and income recognition - The Plan's investments are stated at fair value as of December 31, 2022 and 2021. Shares of mutual funds are valued at the net asset value of the shares and units held by the Plan at year end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See NOTE C for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits - Benefits are recorded when paid.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of significant observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of significant unobservable inputs that are not corroborated by market data and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were used or available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds held by the Plan is based on quoted net asset values of the shares as reported by the funds at year end. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

	FAIR VALUE MEASUREMENTS USING:			
	DECEMBER 31, 2021

Mutual funds	<u>\$ 8,453,261</u>	<u>\$ 8,453,261</u>	<u>\$ 0</u>	<u>\$ 0</u>

NOTE D - INVESTMENTS

During the Plan years ended December 31, 2022 and 2021, the Plan's investments, which consist of mutual funds, (depreciated) and appreciated in value by \$(1,915,035) and \$742,609, respectively.

NOTE E - ADMINISTRATION OF PLAN ASSETS, EXPENSES AND RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. Other administrative expenses are paid directly by Hickey Metal Fabrication & Roofing Co. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments on the accompanying statements of changes in net assets available for benefits. Distribution fees are paid by the respective participants.

Certain Plan investments are managed by Empower Annuity Insurance Company, the trustee and record keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

HMF 401(k) RETIREMENT PLAN

December 31, 2022 and 2021

NOTE F - TAX STATUS

Effective January 1, 2021, the Plan was amended and restated. The Company has not received a determination letter for the amended and restated Plan. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.
