## **Independent Auditor's Report**

RSM US LLP

Plan Administrator and Board of Trustees  
Jay Industries, Inc. Profit Sharing & 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Jay Industries, Inc. Profit Sharing & 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Emphasis of Matter—Subsequent Event**

As discussed in Note 9 to the financial statements, in October 2022, the Plan was amended to remove Nanogate North America, LLC and JTR Resins, LTD, as participating employers of the Plan, effective January 1, 2023. In April 2023, approximately \$8,281,000 of participant balances of the unrelated employers was transferred to the Techniplas, LLC 401(k) Plan.

Our opinion is not modified with respect to this matter.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Notes to Financial Statements

#### Note 1. Description of Plan

The following description of the Jay Industries, Inc. Profit Sharing & 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan sponsored by Jay Industries, Inc. (JII or plan sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan allows employees of Nanogate Jay Systems, LLC (Nanogate) and JTR Resins, LTD. (JTR) as unrelated employers to participate in the plan. Effective July 1, 2021, Nanogate was acquired by Techniplas US, LLC (Techniplas), an unrelated employer. Nanogate Jay Systems, LLC has been renamed Nanogate North America, LLC.

Each employee, with the exception of collective bargaining employees and leased employees of Nanogate, JTR, and JII is eligible to participate in the Plan following the attainment of age 21. Participants are automatically enrolled in the Plan immediately upon hire with an initial pretax deferral rate of 3% unless the participant affirmatively elects out of the automatic deferral feature, elects a different deferral rate or elects not to participate in the Plan.

In order to participate in any employer discretionary matching, the employee must be employed on the last day of the plan year and 1,000 hours of service during the plan year. For employer discretionary matching contributions, the plan entry dates are immediate upon meeting the eligibility requirements. In order to participate in any profit sharing contributions, the employee must be employed on the last day of the plan year, have completed six months of service and 1,000 hours of service during the plan year. For discretionary profit sharing contributions, the plan entry dates are January 1, April 1, July 1 and October 1. Participants direct the investments of contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds (registered investment companies) and a money market fund as investment options.

**Contributions:** Plan participants may authorize payroll deductions up to 100% of their compensation as a pretax contribution. The amount of a participant's contributions for any plan year may not exceed certain limits set by the plan document and the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to contribute additional catch-up contributions, as allowed under the IRC. In addition, participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employers, at their discretion, will match participant contributions (excluding catch-up contributions) not to exceed 2% of the participant's eligible compensation. The employers may also make a discretionary profit sharing contribution to the Plan; no such profit sharing contribution was made for the year ended December 31, 2022.

**Participant accounts:** Each participant's account is credited with the participant's contributions and an allocation of: (a) matching contributions, (b) profit sharing contributions and (c) plan earnings and losses. Allocations are based on participant compensation or account balances, in accordance with the method described in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contributions along with the earnings thereon is based on years of continuous service; where a year is defined as one where an employee works 1,000 or more hours.

**Payment of benefits:** A participant may receive the value of his or her vested account upon retirement, disability or termination in a lump sum distribution. Upon death or disability of a participant, the beneficiary shall be entitled to the full value of the account.

**Forfeitures:** As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$59,627 and \$65,982, respectively. Forfeitures of \$35,048 were used to pay plan expenses or reduce the employer contribution as stated in the plan document for the year ended December 31, 2022. Accumulated forfeitures will be applied to pay Plan expenses or reduce the employer contribution in 2023.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions:** Participant contributions are recognized when the participant contributions are withheld from the participant's earnings. Discretionary employer contributions are recognized when declared by the employer.

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** The Plan is responsible for certain administrative expenses, which are recognized when incurred. A portion of the administrative expenses are paid by JII at their discretion.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Risks and uncertainties:** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Subsequent events:** The Plan Administrator has evaluated subsequent events through October 4, 2023, on which the date the financial statements were available to be issued.

#### Note 3. Tax Status

The Plan has adopted a non-standardized form of a preapproved plan. The preapproved plan provider, Fidelity Management & Research Company, has received on June 30, 2020, an opinion letter from the Internal Revenue Service as to the preapproved plan's qualified status. The preapproved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

#### Note 4. Information Certified and Provided by Fidelity Management Trust Company

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (Fidelity), the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets.

|                                 | 2022                 | 2021                 |
|---------------------------------|----------------------|----------------------|

| Registered investment companies | \$ 15,934,462        | \$ 21,410,103        |
| Money market fund               | 1,747,164            | 1,645,285            |
| Total investments               | <u>\$ 17,681,626</u> | <u>\$ 23,055,388</u> |

The trustee also certified to the completeness and accuracy of the net depreciation in fair value of investments of \$5,042,848 and interest and dividend income of \$1,098,086 related to the aforementioned investments for the year ended December 31, 2022.

#### Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**Registered investment companies:** Valued by published market sources at the net asset value of shares held by the Plan at year end.

**Money market fund:** Valued at the closing price reported on the active market on which the fund is traded, generally at \$1 per share.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| Investments at fair value       | <u>\$ 23,055,388</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 23,055,388</u> |

#### Note 6. Plan Termination

Although it has not expressed any intent to do so, JII has a right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

#### Note 7. Party-In-Interest Transactions

Certain plan investments held during the year are shares of registered investment companies managed by Fidelity. As the trustee, these transactions qualify as party-in-interest transactions. During 2022, the Plan paid administrative fees in the amount of \$45,974 to the trustee and plan service providers.

#### Note 8. Financial Status of Plan Sponsor

During 2022 and 2021, plan sponsor has incurred significant losses from operations which creates uncertainty about the plan sponsor's ability to continue as a going concern, creating uncertainty about future participation and contributions for employees of JII. The plan sponsor's ability to continue as a going concern does not impact the Plan's ability to continue as a going concern.

#### Note 9. Subsequent Event

In October 2022, the Plan was amended, effective January 1, 2023, to separate the unrelated employers, Nanogate and JTR, as participating employers from this Plan. Approximately \$8,281,000 was transferred in April 2023 to the Techniplas, LLC 401(k) Plan representing the participant balances of the unrelated employers.

## **Independent Auditor's Report**

RSM US LLP

Plan Administrator and Board of Trustees  
Jay Industries, Inc. Profit Sharing & 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Jay Industries, Inc. Profit Sharing & 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Emphasis of Matter—Subsequent Event**

As discussed in Note 9 to the financial statements, in October 2022, the Plan was amended to remove Nanogate North America, LLC and JTR Resins, LTD, as participating employers of the Plan, effective January 1, 2023. In April 2023, approximately \$8,281,000 of participant balances of the unrelated employers was transferred to the Techniplas, LLC 401(k) Plan.

Our opinion is not modified with respect to this matter.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Jay Industries, Inc. Profit Sharing & 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Description of Plan

The following description of the Jay Industries, Inc. Profit Sharing & 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan sponsored by Jay Industries, Inc. (JII or plan sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan allows employees of Nanogate Jay Systems, LLC (Nanogate) and JTR Resins, LTD. (JTR) as unrelated employers to participate in the plan. Effective July 1, 2021, Nanogate was acquired by Techniplas US, LLC (Techniplas), an unrelated employer. Nanogate Jay Systems, LLC has been renamed Nanogate North America, LLC.

Each employee, with the exception of collective bargaining employees and leased employees of Nanogate, JTR, and JII is eligible to participate in the Plan following the attainment of age 21. Participants are automatically enrolled in the Plan immediately upon hire with an initial pretax deferral rate of 3% unless the participant affirmatively elects out of the automatic deferral feature, elects a different deferral rate or elects not to participate in the Plan.

In order to participate in any employer discretionary matching, the employee must be employed on the last day of the plan year and 1,000 hours of service during the plan year. For employer discretionary matching contributions, the plan entry dates are immediate upon meeting the eligibility requirements. In order to participate in any profit sharing contributions, the employee must be employed on the last day of the plan year, have completed six months of service and 1,000 hours of service during the plan year. For discretionary profit sharing contributions, the plan entry dates are January 1, April 1, July 1 and October 1. Participants direct the investments of contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds (registered investment companies) and a money market fund as investment options.

**Contributions:** Plan participants may authorize payroll deductions up to 100% of their compensation as a pretax contribution. The amount of a participant's contributions for any plan year may not exceed certain limits set by the plan document and the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to contribute additional catch-up contributions, as allowed under the IRC. In addition, participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employers, at their discretion, will match participant contributions (excluding catch-up contributions) not to exceed 2% of the participant's eligible compensation. The employers may also make a discretionary profit sharing contribution to the Plan; no such profit sharing contribution was made for the year ended December 31, 2022.

**Participant accounts:** Each participant's account is credited with the participant's contributions and an allocation of: (a) matching contributions, (b) profit sharing contributions and (c) plan earnings and losses. Allocations are based on participant compensation or account balances, in accordance with the method described in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contributions along with the earnings thereon is based on years of continuous service; where a year is defined as one where an employee works 1,000 or more hours.

Forfeitures of \$35,048 were used to pay plan expenses or reduce the employer contribution as stated in the plan document for the year ended December 31, 2022. Accumulated forfeitures will be applied to pay Plan expenses or reduce the employer contribution in 2023.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions:** Participant contributions are recognized when the participant contributions are withheld from the participant's earnings. Discretionary employer contributions are recognized when declared by the employer.

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** The Plan is responsible for certain administrative expenses, which are recognized when incurred. A portion of the administrative expenses are paid by JII at their discretion.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Risks and uncertainties:** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Subsequent events:** The Plan Administrator has evaluated subsequent events through October 4, 2023, on which the date the financial statements were available to be issued.

#### Note 3. Tax Status

The Plan has adopted a non-standardized form of a preapproved plan. The preapproved plan provider, Fidelity Management & Research Company, has received on June 30, 2020, an opinion letter from the Internal Revenue Service as to the preapproved plan's qualified status. The preapproved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

#### Note 4. Information Certified and Provided by Fidelity Management Trust Company

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (Fidelity), the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets.

|                                 | 2022                 | 2021                 |

| Money market fund               | 1,747,164            | 1,645,285            |
| Total investments               | <u>\$ 17,681,626</u> | <u>\$ 23,055,388</u> |

The trustee also certified to the completeness and accuracy of the net depreciation in fair value of investments of \$5,042,848 and interest and dividend income of \$1,098,086 related to the aforementioned investments for the year ended December 31, 2022.

#### Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**Registered investment companies:** Valued by published market sources at the net asset value of shares held by the Plan at year end.

**Money market fund:** Valued at the closing price reported on the active market on which the fund is traded, generally at \$1 per share.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### Note 6. Plan Termination

Although it has not expressed any intent to do so, JII has a right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

#### Note 7. Party-In-Interest Transactions

Certain plan investments held during the year are shares of registered investment companies managed by Fidelity. As the trustee, these transactions qualify as party-in-interest transactions. During 2022, the Plan paid administrative fees in the amount of \$45,974 to the trustee and plan service providers.

#### Note 8. Financial Status of Plan Sponsor

During 2022 and 2021, plan sponsor has incurred significant losses from operations which creates uncertainty about the plan sponsor's ability to continue as a going concern, creating uncertainty about future participation and contributions for employees of JII. The plan sponsor's ability to continue as a going concern does not impact the Plan's ability to continue as a going concern.

#### Note 9. Subsequent Event

In October 2022, the Plan was amended, effective January 1, 2023, to separate the unrelated employers, Nanogate and JTR, as participating employers from this Plan. Approximately \$8,281,000 was transferred in April 2023 to the Techniplas, LLC 401(k) Plan representing the participant balances of the unrelated employers.
