INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.)

Opinion

We have audited the accompanying financial statements of Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.) as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.)'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STRUNK HR, LLC 401(K) PLAN (V.I.P. MORTGAGE, INC.)
Notes to Financial Statements
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of the Strunk HR, LLC 401(k) Plan (V.I.P. Mortgage, Inc.) (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan became effective January 1, 2015 with approval of the Board of Directors of V.I.P. Mortgage, Inc. (“Company”). The Plan is a defined contribution plan covering all employees of the Company that and are age twenty-one or older. An eligible employee is defined as, an employee that is not a bargaining employee, not a leased employee, and not an independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute up to 90% of pretax annual compensation (as defined in the Plan) up to the limits defined by law. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into the investment options offered by the Plan. The Plan currently offers selected mutual funds as investment options for participants. There is also a discretionary profit sharing portion of the Plan. The Company did not elect to contribute to the Plan for the year ended December 31, 2022.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Employer contributions are based on the following vesting schedule:

Years	Employer Contributions
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits – On termination of service due to reasons other than death, vested interest will be received by the participant as a lump distribution as soon as administratively feasible after employment is terminated. Distributions upon death can be elected, by the beneficiary, as lump sum or equal installment payments.

Notes Receivable from Participant – Subject to certain limitations in the plan document, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. As of December 31, 2022 participant loans have maturities through 2027 at interest rates ranging from 5.25% to 9.00%.

Forfeited Accounts – Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See “Note G Fair Value Measurements” for discussion of Fair Value Measurements. In accordance with the policy of stating investments at fair value, the Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Purchase and sales of securities are recorded on a trade-date basis.

Payment of Benefits – Benefits are recorded when paid.

Administration Expenses – Certain administrative expenses of maintaining the Plan are paid by the Company. Fees related to distribution and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of whole or partial plan termination; participants would become fully vested as to the amount credited to their accounts after deductions for estimated liquidation and distribution expenses.

NOTE D – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term would materially affect participants' account balances as well as the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Notes to Financial Statements
December 31, 2022 and 2021

NOTE E – TAX STATUS

The Plan uses a non-standardized pre-approved profit sharing plan document sponsored by CCH Incorporated DBA ftwilliam.com and has received an opinion letter dated June 30, 2020 from the Internal Revenue Service which states that the pre-approved plan's form satisfies the applicable provisions of the Internal Revenue Code. The pre-approved plan's opinion letter has been relied upon by the Plan. The Plan administrator believes the Plan is being operated in compliance with the applicable requirement of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress.

NOTE F – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the custodian as defined by the Plan. These transactions are considered exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each respective fund. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

NOTE G – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* (ASC 820), provides the framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE G – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Total
Mutual funds	\$ 20,434,917	\$ -	\$ 20,434,917
Total Investments at fair value	<u>\$ 20,434,917</u>	<u>\$ -</u>	<u>20,434,917</u>
Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Total
Mutual funds	\$ 21,983,698	\$ -	\$ 21,983,698
Total Investments at fair value	<u>\$ 21,983,698</u>	<u>\$ -</u>	<u>21,983,698</u>

Transfers between Levels – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances the transfer is reported at the beginning of the reporting period.

NOTE H – PARTICIPANT CONTRIBUTIONS TRANSFERRED LATE TO THE PLAN

For the year ended December 31, 2022, the Company had remitted certain participant contributions totaling \$199,430 to the Plan, later than the time frame required by DOL Regulations 2510.3-102. The amount of investment earnings, had the participant contributions been remitted on a timely basis, is not material to these financial statements and has not been recorded as a receivable as of December 31, 2022.

NOTE I – PLAN RESTATEMENT

Effective January 1, 2022, the Plan Sponsor adopted a restated plan document to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37 (The Six-Year Pre-Approved Plan Restatement Cycle). The restated plan document is based on a Non-Standardized Pre-Approved Profit Sharing Basic Plan Document of Standard Retirement Services which received an opinion letter dated June 30, 2020.
