INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
J. Frank Schmidt & Son Co. 401(k) Profit Sharing Plan
Boring, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of J. Frank Schmidt & Son Co. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audits of the Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), and Schedule H, Line 4j - Schedule of Reportable Transactions, Series of Transactions as of and for the year ending December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

J. FRANK SCHMIDT & SON CO. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of the Plan

The following description of the J. Frank Schmidt & Son Co. 401 (k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all regular full-time employees of J. Frank Schmidt & Son Co. and Northwest Shade Trees, LLC (the Companies) who are age 21 or older and have completed 12 months of service. Effective January 1, 2022, the Plan was amended to allow employees to enter the Plan monthly after becoming eligible (previously entry was on January 1 or July 1). The Plan provides participants with a salary deferral option pursuant to Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was formed on June 1, 1960, and originally held only nonparticipant-directed investments representing profit sharing contributions from the Companies. Effective July 1, 2017, the Plan was modified to include 401(k) plan provisions for employees to make contributions from their eligible compensation and the Companies replaced the discretionary profit sharing contribution with a safe harbor match. The Plan engages Milliman Retirement Services to hold and invest these participant-directed Plan assets in Matrix Trust Company and execute Plan transactions. Nonparticipant-directed investments are held separately and are invested by the Companies.

On April 1, 2022, Northwest Shade Trees, LLC was acquired by J. Frank Schmidt & Son Co. At this time, all Northwest Shade Tree, LLC employees became employees of J. Frank Schmidt & Son Co. and the Plan is no longer a multi-employer plan. This acquisition had no impact on the employees of either entity with respect to Plan eligibility or vesting.

The Plan's investment in real estate was sold in June 2022 for net proceeds of \$2.24 million. After this transaction was completed, all remaining nonparticipant-directed investments were revalued, all participant account balances were updated to reflect these new values, and all balances were transferred into Matrix Trust Company on July 7, 2022. As of that date, all assets of the Plan are now participant-directed and are held by Matrix Trust Company.

Contributions

Each year, participants may contribute up to 100% of annual compensation not to exceed the maximum allowed under the IRC, which was \$20,500 for the Plan year ended December 31, 2022. Contributions include employee pre-tax salary deferral contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 for the Plan year ended December 31, 2022. Participants may also contribute amounts representing distributions from other qualified plans. If the amount deferred is pre-tax, it will not be subject to income tax until it is distributed to the participant. The amount deferred is, however, subject to Social Security tax at the time of deferral.

The Companies contributed a safe harbor match in 2022 to all participants in an amount equal to 100% of deferrals that do not exceed 3% of eligible compensation, plus 50% of deferrals between 3% and 5% of eligible compensation. This match was calculated each payroll period and was automatically 100% vested. The Companies may also contribute separate profit-sharing contributions at their discretion. No profit-sharing contribution was made in 2022.

Investment Elections

Participants direct the investment of their contributions and the Companies' safe harbor matching contributions into various investment options offered by the Plan. Participants have the opportunity to change their investment combinations on a daily basis.

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of the Plan, continued

Participant Accounts

Each participant's account is credited with the participant's contribution, the Companies' safe harbor matching contribution, and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are made in a manner which recognizes each participant's account balance, investment selection and timing of contributions and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Companies' discretionary profit share plus actual earnings thereon is based on the number of years of service. A participant becomes 20% vested at the end of two years of credited service and is 100% vested after six years of credited service. A participant becomes 100% vested upon attainment of normal retirement age, permanent disability, or death. Any amount not vested upon a participant's separation from service is forfeited and may be used to reduce administrative expenses paid by the Plan.

Payment of Benefits

On termination of service due to any reason, participants with vested account balances of \$1,000 or less receive an automatic lump-sum distribution. Participants with vested account balances of \$1,000 or more may elect to receive a single lump-sum amount or choose to rollover their balance into another qualified retirement plan or Individual Retirement Account.

Benefits Payable

As of December 31, 2022, there were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been fully paid. As of December 31, 2021, the amount payable was \$67,320.

Forfeitures

As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,337 and \$1,791, respectively. These accounts are used to pay Plan expenses or reduce employer contributions. No forfeitures were used in 2022 to pay Plan expenses or reduce employer contributions.

Subsequent Event

The Plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued. In July 2022 the decision was made to replace Milliman Retirement Services with Fisher Investments. The resulting transfer of assets of the Plan is expected to take place in 2023.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Companies. No such officer or employee receives compensation from the Plan. Other expenses are paid by the Companies. The Plan permits the payment of remaining Plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or specifically to a participant account for transactions specifically related to that participant.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 3 - Information Certified by a Custodian

Certain Plan investments are held by Matrix Trust Company, one of the Custodians of the Plan. Investments in funds held by Matrix Trust Company are made at the direction of the participants. The investments are credited for earnings thereon and reduced for participant withdrawals and expenses charged by the Custodian.

The Plan Administrator has obtained certifications from Matrix Trust Company as of December 31, 2022 and 2021 and for the year ended December 31, 2022, that the following information provided to the Plan Administrator by Matrix Trust Company is complete and accurate:

	2022	2021
Investments, at fair value - registered investment companies	\$ 10,805,004	\$ 6,682,792
Non-interest bearing cash	37,356	37,356
Net depreciation in fair value of investments	(1,205,058)	-
Interest and dividends	307,810	-

Note 4 - Fair Value Measurements

Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

Note 4 - Fair Value Measurements, continued

The Plan follows a fair value hierarchy to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Three levels of inputs may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Interest Bearing Cash and Equivalents: Includes a money market account. Valued at the closing balance, plus accrued interest.

Registered Investment Companies (Mutual Funds) and Exchange Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds and exchange traded funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds and exchange traded funds held by the Plan are deemed to be actively traded.

Real Estate: The land and improvements are not actively traded and significant other observable inputs are not available. Thus, the fair value of these investments was determined using appraisals by real estate professionals, comparisons with similar recently sold parcels, and offers received for the land subsequent to the financial statement date, less any costs to sell the real estate.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,805,004	\$ -	\$ -	\$ 10,805,004
Total investments at fair value	\$ 10,805,004	\$ -	\$ -	\$ 10,805,004

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Interest bearing cash and equivalents	\$ 11,189	\$ -	\$ -	\$ 11,189
Registered investment companies	9,644,057	-	-	9,644,057
Real estate	-	-	2,000,000	2,000,000
Total investments at fair value	\$ 9,655,246	\$ -	\$ 2,000,000	\$ 11,655,246

Note 4 - Fair Value Measurements, continued

Level 3 Investment Reconciliation is as follows:

Beginning balance as of December 31, 2021	\$ 2,000,000
Sale of land	(2,000,000)
Ending balance as of December 31, 2022	\$ -

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the year ended December 31, 2022, there were no transfers in or out of level 3.

Note 5 - Nonparticipant-Directed Investments

Information about the net assets and significant components of the changes in net assets relating to the nonparticipant-directed investments as of December 31, 2022 and 2021 and for the year ended December 31, 2022 are as follows:

	December 31:	
	2022	2021
Net Assets:		
Non-interest bearing cash	\$ -	\$ 137,982
Interest bearing cash	-	11,189
Registered investment companies	-	2,961,265
Real estate	-	2,000,000
	<u>\$ -</u>	<u>\$ 5,110,436</u>
	Year ended	
	December 31,	
	2022	
Changes in Net Assets:		
Net depreciation in fair value of investments	\$ (159,423)	
Interest and dividends	14,765	
Benefits paid to participants	(178,690)	
Administrative expenses	(21,638)	
Net assets transferred to participant directed accounts	(4,765,450)	
	<u>\$ (5,110,436)</u>	

Note 6 - Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan's volume submitter sponsor by an opinion letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing/ Money Purchase/ CODA sponsored by FIS Business Systems LLC which has been adopted by the Plan, is acceptable pursuant to section 401 of the IRC and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Party-in-Interest Transactions

Plan cash accounts and investments were held with Matrix Trust Company. Fees paid by the Plan for recordkeeping services include \$32,530 paid to Milliman Retirement Services, the Plan's third-party administrator. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
