INDEPENDENT AUDITORS' REPORT

*To the Board of Trustees and Plan Administrator of
Common Cause Education Fund 401(k) Retirement Plan*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Common Cause Education Fund 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan ability to continue as a going concern for a period of one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMON CAUSE EDUCATION FUND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Common Cause Education Fund 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan, as restated, is a defined contribution plan covering substantially all employees of Common Cause Education Fund (the Sponsor), with the exception of the following ineligible classes: (a) non-resident aliens with no U.S. source of income and (b) part-time, temporary or seasonal employees. Employees are eligible to participate in the Plan immediately upon date of hire and are eligible to receive employer contributions after they have completed one year of service. The Investment Committee, which consists of representatives from the Sponsor, is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Sponsor's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

PLAN CHANGES

Effective July 1, 2022, the Plan Administrator adopted an updated prototype plan document. The plan was also amended to update for hardship conditions and expanded the list of expenses that would qualify for hardship distributions.

ELIGIBILITY

There is no minimum age an employee must attain to become a participant in the Plan for purposes of making voluntary deferrals. Employees are eligible to participate in the employer contributions to the Plan once they have attained age 21 and have completed one year of service. Years of service under the Plan are calculated by counting actual hours of service. An employee is credited with a year of service for each 12-month period during which the employee completes 1,000 or more hours of service.

PLAN SPONSOR AND PLAN ADMINISTRATOR

Common Cause Education Fund is the plan sponsor and plan administrator.

CONTRIBUTIONS

Participants may contribute up to 90% of pre-tax annual compensation, as defined in the Plan. Participants are also permitted to contribute Roth after-tax deferrals to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Sponsor may make matching contributions, at its discretion, in an amount equal to a uniform percentage

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

of an employee's salary deferrals. The amount of the discretionary percentage contributed is determined annually by the Board of Directors. The Sponsor's contribution percentage was 150% of the first 4% of employee's salary deferrals during the years ended December 31, 2022 and 2021. The Sponsor may also make discretionary profit-sharing contributions to the Plan. There were no profit-sharing contributions for the years ended December 31, 2022 and 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and the Sponsor's discretionary matching contributions, as well as allocations of any profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Sponsor's contributions plus actual earnings thereon based on years of continuous service. A participant is 100% vested after three years of service. Any participant reaching the normal retirement age of 65 under the Plan will automatically become 100% vested in all contributions under the Plan. In addition, participants who become disabled, die or attain early retirement age of 55 while employed with the Sponsor shall automatically be 100% vested.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the plan administrator in 1% increments. Participants may change their investment options daily.

PAYMENT OF BENEFITS

The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed. If the participant's vested interest in his or her account is less than \$5,000 (including rollover contributions made to the account) upon terminating, the balance shall be paid in a single, lump sum payment as soon as practicable. If the participant's vested interest in his or her account is more than \$5,000, the participant must consent to any distribution before it may be made.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In accordance with the IRC, participants that have reached the age of 72 or older may be required to receive Minimum Required Distributions from the plan.

FORFEITURES

Forfeitures may be used to pay administrative expenses of the Plan and to reduce employer contributions. No forfeitures were used to pay administrative expenses during the years ended December 31, 2022 and 2021. Forfeitures used to reduce employer contributions to the Plan totaled \$6,296 and \$5,554 for the years ended December 31, 2022 and 2021, respectively. The Plan had a forfeited, non-vested account balance of \$2,222 as of December 31, 2022. The Plan had no forfeited, non-vested account balance as of December 31, 2021.

NOTES RECEIVABLE FROM PARTICIPANTS

Under certain conditions, participants may borrow a portion of their participant account at a minimum of \$1,000, up to a maximum of the lesser of (a) \$50,000 reduced by the participant's highest outstanding loan balance in the preceding 12 months or (b) 50% of the participant's vested account balance. Loan transactions are treated as transfers between the investment accounts and the loan accounts. The maximum loan term is generally five years, unless the loan funds are used to purchase a primary residence. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined monthly by the plan administrator. These rates range from 4.25% to 6.00% on loans outstanding at both December 31, 2022 and 2021, and the loans mature through 2026. Principal and interest are paid ratably through monthly payroll deductions. The amount of loans outstanding was \$42,542 and \$64,187 as of December 31, 2022 and 2021, respectively. A loan will be considered to be in default if a scheduled loan repayment is not received by Custodian within 90 days after it is due. Under certain circumstance, a loan that is in default may be considered a distribution from the Plan and could be considered taxable income in the hands of the participant.

HARDSHIP DISTRIBUTIONS

Distributions will be deemed an immediate and heavy financial need for the following reasons, which make the participant eligible for a hardship distribution:

- Expenses for medical care, as defined under the Internal Revenue Code (the IRC) Section 213(d).
- Costs directly related to the purchase of a principal residence for the employee.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

HARDSHIP DISTRIBUTIONS (CONTINUED)

- Qualified education expenses, as defined under the IRC Regulation Section 1.401(k)-1.
- Payments necessary to prevent eviction from or foreclosure on the employee's principal residence.
- Burial or funeral expenses for the employee's deceased parents, spouse, children or dependents.
- Expenses for the repair of damage to the employee's principal residence, as defined under the IRC Section 165.

Effective July 1, 2022, the participants can also receive hardship distributions to cover expenses and losses (including loss of income) if their principal residence or place of employment at the time of a disaster was in an area FEMA designates as qualifying for individual assistance in connection with a federally declared disaster.

PLAN TERMINATION

Although they have not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its operations at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, the Plan provides that the amounts credited to the accounts of each member will be nonforfeitable and the plan trustee will either (a) continue to administer the trust fund and pay account balances in accordance with a stipulated agreement until the trust fund has been liquidated, or (b) distribute the assets remaining in the trust fund to the members, inactive members and beneficiaries in proportion to their respective account balances.

ENACTED LEGISLATION

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting.

COMMON CAUSE EDUCATION FUND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. If a participant ceases to make the scheduled repayments and the plan administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. Deemed distributions totaled \$1,270 and \$29,976 for the year ended December 31, 2022 and December 31, 2021, respectively, and are included in benefit payments and distributions to participants in the accompanying statements of changes in net assets available for benefits. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and

certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution. As of December 31, 2022 and 2021, no amounts were allocated to the accounts of participants who had elected to withdraw from the Plan but had not yet been paid.

NOTE 3 – INVESTMENT INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The trustee holds the Plan's investment assets and executes transactions therein. The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Reliance Trust Company, has certified that the information related to investments included in the accompanying financial statements and supplemental schedule is complete and accurate.

The following tables summarize the information included in the Plan's financial statements, which was prepared by the trustee for the years ended December 31, 2022 and 2021, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate as of and for each of the years then ended.

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 11,209,067	\$ 13,146,376
Interest and dividend income	\$ 23,659	\$ 37,661
Net (depreciation) appreciation in fair value of investments	\$ (2,209,382)	\$ 1,372,222

NOTE 4 – FAIR VALUE MEASUREMENT

In accordance with the accounting standards for fair value measurement for those assets and liabilities that are measured at fair value on a recurring basis, the Plan has categorized its applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

COMMON CAUSE EDUCATION FUND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENT (CONTINUED)

If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest-level input that is significant to the fair value measurement of the instrument.

Applicable financial assets and liabilities are categorized based on the inputs to the valuation techniques as follows:

LEVEL 1 – Inputs based on quoted prices (unadjusted) in active markets for identical assets or liabilities accessible at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Unobservable inputs for the asset or liability and significant to the fair value measurement.

The asset and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

REGISTERED INVESTMENT COMPANIES (MUTUAL FUNDS)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

COMMON CAUSE EDUCATION FUND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENT (CONTINUED)

COMMON COLLECTIVE TRUSTS

Valued at the NAV of shares in each account held by the Plan at year end. The NAV is not a public-quoted price in an active market. The NAV, as provided by the Trustee, is used as a practical expedient to estimating fair value.

COMMON COLLECTIVE TRUST STABLE VALUE FUND

A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following table summarizes the Plan's investments measured at fair value on a recurring basis as of December 31:

	2022			
		Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

** Participants can redeem without notice. However, in certain circumstances, the redemption notice period for the plan sponsor is 12 months.

NOTE 5 – INCOME TAX STATUS

The plan administrator is currently not required to submit the plan to the IRS for determination as it is a Prototype Non-standardized Profit Sharing Plan per opinion letter dated October 6, 2020. Effective July 1, 2022, the plan administrator adopted an updated prototype plan document. The plan administrator believe that the Plan is currently designed and operated in compliance with applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires the Plan's management to evaluate the Plan's uncertainty in income taxes and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST AND PROHIBITED TRANSACTIONS

Reliance Trust Company is the trustee of the Plan and Automatic Data Processing, Inc. (ADP) is recordkeeper for the Plan. Transactions with the trustee or the recordkeeper qualify as party-in-interest transactions. Fees paid by the Plan to the trustee and the recordkeeper totaled \$42,686 and \$42,578 for the years ended December 31, 2022 and 2021, respectively. The Sponsor also paid certain administrative expenses of the Plan. The Plan extends loans to participants who are considered parties-in-interest, therefore, these transactions qualify as party-in-interest transactions.

No prohibited transactions that are required to be reported on Schedule G of the federal Form 5500 occurred during the years ended December 31, 2022 and 2021.

COMMON CAUSE EDUCATION FUND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated events and transactions, for potential recognition or disclosure, through October 4, 2023, the date the financial statements were available to be issued. There were no other events identified requiring recognition or disclosure in the financial statements.
