Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, as of the date of this letter, the following representations made to you during your audit:

### **Our Responsibilities**

- We understand that the limited scope audit does not eliminate our responsibility to understand the nature of the investments in the Plan, the methodologies and assumptions used in determining fair value and contract value and the related financial statement disclosures.

- We acknowledge that we have fulfilled our responsibilities for:
  - The preparation and fair presentation of the financial statements in accordance with US GAAP, and the notes include all disclosures required by laws and regulations to which the Plan is subject, including DOL Rules and Regulations for Reporting and Disclosure under ERISA;
  - Administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
  - The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and
  - The design, implementation, and maintenance of internal control to prevent and detect fraud.
- We understand that the term "fraud" refers to intentional acts by one or more individuals among Plan management, those charged with governance, employees, or third parties, involving the use of deception that results in a misstatement in financial statements. Two types of intentional misstatements are relevant to your audit – misstatements resulting from fraudulent financial reporting and misstatements resulting from misappropriation of assets. Fraudulent financial reporting involves intentional misstatements, including omissions of amounts or disclosures in financial statements to deceive financial statement users. Misappropriation of assets involves the theft of an entity's assets.
- We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
  - The circumstances permit an ERISA Section 103(a)(3)(C) audit.
  - A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
  - The certification meets the 29 CFR 2520.103-5 requirements.
  - The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
- In regard to the preparation of the financial statements and related disclosures, preparation of the supplementary schedule, review of the Plan's Form 5500, assistance with trial balance preparation and Plan management's adjusting journal entries non-attest services performed by you, we have:
  - Assumed all management responsibilities;
  - Designated Carl Graves, COO/CFO, who has suitable skill, knowledge, or experience to oversee the services;
  - Evaluated the adequacy and results of the services performed; and
  - Accepted responsibility for the results of the services.
- We have obtained and reviewed relevant service auditors' report/s and are performing the applicable user controls.
- We are further responsible for reviewing, accepting and processing the standard, adjusting, or correcting journal entries that you proposed during the course of your engagement. We confirm that we designated a suitably qualified individual who understands the nature and impact of the proposed entries to the financial statements, and we accept responsibility for the proposed entries that we authorized and processed.
- We acknowledge our responsibility for presenting the supplemental schedule in accordance with DOL Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the supplemental schedule, including its form and content, is fairly presented in accordance with DOL Rules and

Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

### **Financial Statements and Supplemental Schedule**

- The financial statements referred to above are fairly presented in conformity with US GAAP and include all disclosures necessary for such fair presentation. In that connection, we specifically confirm that:
  - The Plan's accounting policies, and the practices and methods followed in applying them, are appropriate and are as disclosed in the financial statements.
  - There have been no changes during the period audited in the Plan's accounting policies and practices.
  - All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- Methods and significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- The following, where they exist, have been appropriately disclosed to you and accounted for and/or disclosed in the financial statements and/or supplemental schedule:
  - Related party transactions, including non-exempt transactions with parties-in-interest, as defined by ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, guarantees, and amounts receivable from or payable to related parties.
  - Significant estimates and material concentrations. We understand that concentrations refer to the nature and type of investments held by the Plan, or markets for which it is reasonably possible that events could occur which would significantly disrupt normal finances within the next year.
  - Guarantees, whether written or oral, under which the Plan is contingently liable, including guarantee contracts and indemnification agreements.
  - Financial instruments with concentrations of credit risk.
  - Amendments to the plan instrument, if any.
  - Investments or loans in default or considered to be uncollectible.
  - Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section).
  - The effects of all known actual, possible, pending or threatened litigation, claims, and assessments.
  - Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.
- We have not consulted a lawyer concerning litigation, claims, or assessments.
- The Plan does not have any uncertain tax positions that require disclosure or recognition in the financial statements.
- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

- There are no non-exempt party-in-interest transactions (as defined by ERISA Section 3(14) and regulations under the section) that were not disclosed in the supplemental schedule or financial statements.
- We have evaluated events subsequent to the date of the financial statements through the date of this letter, and no such events have occurred which would require adjustment or disclosure in the financial statements.
- We have assessed the Plan's ability to continue as a going concern and note that the Plan was terminated by the Plan's sponsor, Rizing, LLC, effective May 18, 2022. We filed the application for determination for terminating the Plan with the Internal Revenue Service in a letter dated November 28, 2022.
- The supplemental schedule or financial statements disclose the following:
  - All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations thereunder.
  - Investments or loans in default or considered to be uncollectible.
  - Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

### **Information Provided**

- We have provided you with:
  - Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements and supplemental schedule, such as records, documentation, and other matters.
  - A substantially complete draft of Form 5500.
  - All documents and records provided electronically are accurate and complete reproductions of the original documents and records.
  - Access to all minutes of the meetings of Board of Directors, or summaries of actions of recent meetings for which minutes were not yet prepared.
  - Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
  - Additional information that you have requested from us for the purpose of the audit.
  - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
- We have disclosed to you our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance. Furthermore, we have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- There are no deficiencies in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect the Plan's ability to initiate, authorize, record, process, and report financial data reliably in accordance with US GAAP.
- We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
  - Management,

- Employees who have significant roles in internal control, or
- Others where the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.
- We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and IRS regulations) whose effects should be considered when preparing financial statements, including those that could result in recording of a loss contingency.
- The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue it as a qualified plan (and trust). The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. We note, as disclosed in Note 1 to the financial statements, that the Plan was terminated effective May 18, 2022.
- The Plan obtained its latest opinion letter on October 20, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified as of the financial statement date.
- All required filings of plan documents with the appropriate agencies have been made and provided to you. We do not anticipate any changes to these documents that would have an effect on the audit of the Plan or related financial statement disclosures.
- The Plan has complied with the fidelity bonding requirements of ERISA.
- Amendments to the Plan instruments, if any, have been properly recorded or disclosed in the financial statements.
- The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We understand that the determination as to whether to pay a particular expense from Plan assets is a fiduciary act governed by ERISA. Administrative expenses paid from Plan assets are considered appropriate Plan expenses and are not considered prohibited transactions (as defined by ERISA section 406 and regulations under that section).
- We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

- The Plan had satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- We will notify you in advance of intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason and you will have the opportunity to review such matter before its filing or issuance.
