Independent Auditor's Report

The Plan Administrator
RCL Wiring L.P. 401(k) Plan
Fort Worth, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RCL Wiring L.P. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RCL Wiring L.P. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

General

The following description of RCL Wiring L.P. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of RCL Wiring L.P. (the Company or Employer) who have three months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan administrator is responsible for the oversight of the plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective June 22, 2022, the Plan was amended and restated for regulatory purposes. There were no significant changes to the Plan provisions as part of the restatement.

Contributions

Participants may elect to contribute on a pre-tax or after-tax Roth basis, not less than 1% and not more than 90% of their compensation each year. Total deferrals in any taxable year may not exceed a dollar limit which is set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan includes an automatic enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan at 5% unless they affirmatively elect not to participate or elect a different deferral rate.

The Company makes a Safe Harbor matching contribution of an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. Additional profit-sharing amounts may be contributed at the discretion of the Company. During the year ended December 31, 2022, the Company did not elect to make a profit-sharing contribution to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company Safe Harbor matching contributions, as well as allocations of the Company's profit-sharing contribution and investment earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's prior matching and profit-sharing contribution portion of their accounts was based on years of service. A participant whose service terminated for reasons other than death, disability, or attainment of normal retirement age was 100% vested after three years of credited service. Participants are 100% vested immediately in the Safe Harbor matching contribution.

RCL Wiring L.P. 401(k) Plan

Notes to Financial Statements

Payment of Benefits

Participants are eligible to receive a lump-sum distribution of benefits equal to the participant's deferral balance upon termination of employment, reaching the age of 59 ½, or death, and of the employer matching and profit-sharing contribution balance upon termination of employment, retirement, death, or disability. The Plan also allows participants to take hardship withdrawals, subject to certain limitations, as defined by the Plan.

Forfeitures

For participants who joined the plan prior to January 1, 2019, if they terminate employment prior to becoming fully vested, the forfeited portion of the Company's matching and profit-sharing contributions are used to offset employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$894 and \$438. During 2022, there were no forfeitures used to offset employer contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses paid to investment advisors, transfer agents, and others described in each fund prospectus or other published documents are deducted by the investment funds or accounts prior to the allocation of the Plans' investment earnings activity and are therefore included in net appreciation of fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Contributions

Contributions from the Employer and the participants are accrued as they become obligations of the Company, as determined by the Plan administrator, which is when they are deducted from participant earnings, in accordance with salary deferral agreements.

RCL Wiring L.P. 401(k) Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net depreciation in fair value of its investments which consists of realized gains and losses and unrealized appreciation and depreciation on these investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Notes to Financial Statements

Registered Investment Companies

Investments in registered investment companies are valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Common Collective Trust

The fair value participation units held in the collective trust are based on the net asset values (NAV) reported by the fund manager as of the financial statement dates and recent transaction prices. The investment objective of the common collective trust is to provide preservation of capital and provide relatively stable returns consistent with a low risk profile. The common collective trust provides for daily redemptions by the Plan at reported NAV per share, with no advance notice requirement. These investments held by the Plan provide for daily redemptions by the Plan at reported NAV with advance notice requirement of 12 months. There are no unfunded commitments. The common collective trust is a direct filing entity with the Department of Labor.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$6,147,292	\$ -	\$ -	\$ 6,147,292
Investments measured at NAV*				1,037,307
Total Investments, at fair value	\$6,147,292	\$ -	\$ -	\$ 7,184,599

December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 6,932,439	\$ -	\$ -	\$ 6,932,439
Investments measured at NAV*				984,103
Total Investments, at fair value	\$ 6,932,439	\$ -	\$ -	\$ 7,916,542

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The amounts presented in this table are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Notes to Financial Statements

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

<i>Year ended</i>	Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2022	Invesco Stable Asset Fund	\$ 1,037,307	None	Daily	12-months
December 31, 2021	Invesco Stable Asset Fund	984,103	None	Daily	12-months

4. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedules, including assessing whether the supplemental schedules are in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

5. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

6. Related Party and Party-In-Interest Transactions

Administrative fees were paid to ADP, the recordkeeper of the Plan, from Plan assets. ADP may also receive certain revenue sharing from the mutual funds. Reliance Trust Company was paid fees for investment advisory services and also receives certain indirect fees. These transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules.

RCL Wiring L.P. 401(k) Plan

Notes to Financial Statements

7. Tax Status

The Plan uses a pre-approved plan document sponsored by ADP, LLC. ADP, LLC received an opinion letter from the IRS, dated October 10, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in the Company contribution portion of their accounts.

9. Investment Concentrations

As of December 31, 2022 and 2021, the Plan held 25% of its investments in two investments.

10. Delinquent Participant Contributions

During the Plan year ended December 31, 2022, participant contributions totaling \$5,275 were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute non-exempt party-in-interest transactions or prohibited transactions as defined by ERISA. The Employer is in the process of correcting these transactions. The related lost earnings are expected to be remitted to the Plan during 2023.

11. Subsequent Events

The Plan has evaluated subsequent events through September 19, 2023, the date the financial statements were available to be issued.
