INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Participants
Ed Voyles Employees' Incentive
Savings and Retirement Plan
Marietta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Ed Voyles Employees' Incentive Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Ed Voyles Employees' Incentive Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ed Voyles Employees' Incentive Savings and Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ed Voyles Employees' Incentive Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ed Voyles Employees' Incentive Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplementary Schedule Required by ERISA

The supplementary schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan was established January 1, 1984, and is a multiple employer defined contribution plan covering all full-time employees of the following employers, collectively, the Company:

Ed Voyles Automotive Group, Inc.
Voyles Imports, Inc. d/b/a Ed Voyles Honda

Pride Imports, Inc. d/b/a Ed Voyles Acura
Ed Voyles Kia of Chamblee
VBT Motors, LLC d/b/a Voyles Chrysler Dodge Jeep Ram of Birmingham

After six months of service, employees are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), as well as applicable sections of the Internal Revenue Code (IRC). The Plan is administered by a trust, the trustee of which is Empower Trust Company, LLC.

Contributions

Participants may contribute from 1% to 100% of their annual compensation as defined in the Plan, subject to limitations under the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily. The Plan currently offers mutual funds and self-directed brokerage accounts. The Company may make, without regard to current or accumulated profits, matching and discretionary contributions to the Plan. The Company contributes an amount equal to 25% of the first 6% of the base compensation deferred as a participant's contribution. Contributions may not exceed the maximum amount allowable as a deduction under the IRC.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions and allocations of (a) the Company's contribution, if applicable, (b) Plan earnings, and (c) charged with an allocation of administrative expenses, if the plan sponsor does not pay Plan expenses on behalf of the Plan. Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 – PLAN DESCRIPTION (Continued)

Notes Receivable from Participants

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of the vested interest in the participant's account balance reduced by any outstanding loan balance. Repayment of participant loans is over five years unless the loan is used for the purchase of a primary residence. The loans are secured by the balance in the participant's accounts and bear interest at the market rate in effect at the time the loans are issued. Interest rates for the receivables range from 3.25% to 7.00%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The employer portion of participant balances resulting from matching and discretionary contributions and earnings/losses thereon are subject to a progressive vesting schedule: 25% upon completion of two years of service, 50% at three years, 75% at four years, and 100% at five years of service. The Plan provides for 100% vesting for any participant whose termination is attributable to death, normal retirement, or permanent disability.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. For the year ended December 31, 2022, administrative expenses paid for by Plan assets totaled \$64,200.

Forfeited Accounts

Any non-vested portion of the Company's contributions credited to a participant's account who withdraws prior to becoming vested is forfeited and will be used to reduce future employer contributions or pay plan expenses. For the year ended December 31, 2022, forfeitures used to reduce employer contributions totaled \$20,488. The forfeiture account balance at December 31, 2022 and 2021 was \$390 and \$243, respectively.

NOTE 1 – PLAN DESCRIPTION (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefit of participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported by the trustee, Empower Trust Company, LLC. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The fair value of the fixed income fund is based on the net asset value of the underlying securities in the fund. The fair value of the investments is determined using the net asset value of the underlying securities in the fund.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by the trustee.

	2022	2021
Investments, at fair value	\$ 36,992,342	\$ 41,845,734
Notes receivable from participants	571,986	569,545
Investment income (loss):		
Dividends and interest	1,307,946	
Net depreciation in fair value of investments	(7,826,456)	
Interest from participant loans	21,159	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan follows FASB (ASC Topic 820, *Fair Value Measurement*). ASC Topic 820 defines fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 values are based on quoted prices in active markets for identical securities; Level 2 values are based on significant observable market inputs corroborated by market data but not quoted on active markets; Level 3 values are based on significant unobservable inputs and include situations where there is little, if any, market activity for the securities. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

At December 31, 2022 and 2021, the Plan's investments were classified as follows:

December 31, 2022	(Level 1)	(Level 2)	Total
Mutual funds	\$ 34,427,021	\$ -	\$ 34,427,021
Self-Directed Brokerage Accounts	<u>2,565,321</u>	<u>-</u>	<u>2,565,321</u>
Total investments	<u>\$ 36,992,342</u>	<u>\$ -</u>	<u>\$ 36,992,342</u>

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

The Plan pays investment fees and other administrative expenses to Empower Trust Company, LLC, a party-in-interest to the Plan. Some investment fees are netted against investment returns.

NOTE 6 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2019 through December 31, 2022, the years that remain subject to examination by major tax jurisdictions as of December 31, 2022.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2022, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$7,936,304. Of those balances, the amount that had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end, was \$6,951.

NOTE 8 – EXCESS CONTRIBUTIONS REFUNDABLE

At December 31, 2022 and 2021, payables of \$58,755 and \$76,964, respectively, are recorded for amounts refundable by the Plan to participants for excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.
