Independent Auditors' Report

To the Administrative Committee of the Hughes Hubbard & Reed Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hughes Hubbard & Reed Defined Contribution Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hughes Hubbard & Reed Defined Contribution Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hughes Hubbard & Reed Defined Contribution Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hughes Hubbard & Reed Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hughes Hubbard & Reed Defined Contribution Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hughes Hubbard & Reed Defined Contribution Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hughes Hubbard & Reed Defined Contribution Retirement Plan

Notes to Financial Statements Years Ended December 31, 2022 and 2021

1. Description of the Plan

The following is a description of the Hughes Hubbard & Reed Defined Contribution Retirement Plan (the "Plan"), which is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan was established effective October 1, 1968 and amended and restated effective January 26, 2022 and is a defined contribution plan covering partners, non-legal staff and certain eligible counsel, as defined in the Plan document, of Hughes Hubbard & Reed LLP (the "Firm" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by a committee which consists of individuals appointed by the Firm (the "Administrative Committee").

Eligibility

Partners, non-legal staff and certain counsel are eligible to contribute to the Plan upon commencement of employment, as defined in the Plan document. Participants are eligible to receive a profit sharing contribution on the first day of the calendar quarter after completing one year of service.

Contributions

The Plan provides each participant with an opportunity to make pre-tax and Roth contributions to the Plan of at least 1% but not greater than 25% of eligible compensation, as defined in the Plan document, subject to the limitations of the Internal Revenue Code ("IRC"). Participants age 50 or older can make additional "catch-up" contributions. New hires and those rehired are automatically enrolled in the Plan as soon as administratively feasible at a 3% pre-tax contribution rate unless they elect not to contribute to the Plan or make a different contribution election.

The Firm is required to make annual profit sharing contributions on behalf of eligible participants who are employed on the last day of the plan year or who died, retired after completing 10 years of service and attaining the age of 60 or became disabled during the plan year. For the plan year ended December 31, 2022, the Firm contributed 7.5% of eligible compensation for non-partners. The profit sharing contribution for partners is 15% of eligible compensation but not more than the limitation under IRC Section 415(c)(1)(A) (\$61,000 for 2022) minus the limitation under IRC Section 402(g)(1) (\$20,500 for 2022). The total profit sharing contributions for the plan year ended December 31, 2022 for both partners and non-partners were \$4,232,527.

Participant Accounts

Each participant's account is credited with their contributions, the Firm's profit sharing contributions made on their behalf, and the earnings thereon. Contributions to the Plan are invested by the trustee as directed by the participants. Each participant may elect from one or more of the investment options offered under the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon and become vested in the Firm's profit sharing contributions, plus actual earnings thereon based on years of service as follows: 2 years of service – 20%, 3 years of service – 40%, 4 years of service – 60% and 5 years of service – 100%.

Forfeitures

The Plan provides for terminated participants who resume employment within five years to have any forfeited amounts reinstated ("reinstatement period"), if the participant timely repays the full amount of the distribution attributable to vested profit sharing contributions. Plan participants' forfeitures may be used to reduce the Firm contributions for the year, and if applicable, any remaining amounts shall be applied toward succeeding plan years until fully utilized. The Firm's profit sharing contributions for 2022 and 2021 were reduced by forfeiture amounts of approximately \$284,000 and \$169,000, respectively. Forfeitures from participants for the year ended December 31, 2022 were approximately \$45,000. Transfers from the

Hughes Hubbard & Reed Defined Contribution Retirement Plan

Employees' Pension Plan of Hughes Hubbard & Reed (the "EPP") into the forfeiture account totaled approximately \$194,000 (See Note 2). The available balance of forfeitures as of December 31, 2022 and 2021 were approximately \$267,000 and \$179,000, respectively.

Benefits

A participant's vested interest in his or her Plan account is distributable upon termination from the Firm or death. Participants may take in-service withdrawals from their vested account balances under certain circumstances pursuant to the specific guidelines as set forth in the plan document.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum term of a loan is five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate. Notes receivable from participants are repaid through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance, plus any accrued and unpaid interest. As of December 31, 2022, the interest rates on the outstanding notes receivable from participants ranged from 3.25% to 7.00%. Effective September 27, 2017, a participant may have no more than one loan outstanding at any time and loans cannot be taken from profit sharing accounts (pre-existing loans are grandfathered).

Administrative Expenses

Administrative expenses of the Plan are paid from the Plan or by the Company as provided in the Plan document.

All transaction fees for loan requests are paid from participants' accounts. Effective January 1, 2018, administrative expenses are paid by participants in proportion to their account balances.

Other Income

Other income represents revenue from certain investments as described in Note 7.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates and assumptions.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Cost of securities sold is determined by the specific identification method. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Transfers

Along with the Plan, the Firm also sponsors the Hughes Hubbard & Reed Associates' Section 401(k) Plan (the "Associates' Plan"). Upon becoming a Partner in the Firm, the associate's account balance in the Associates' Plan is transferred to the Plan. In certain circumstances, the participant balance is transferred from the Plan to the Associates' Plan. For the year ended December 31, 2022, net transfers from the Associates' Plan to the Plan were \$821,923.

Hughes Hubbard & Reed Defined Contribution Retirement Plan

The Firm also sponsored the EPP, which was terminated effective June 30, 2022. Excess plan assets after distributing all required amounts to participants totaled \$194,231 and were transferred to the Plan's forfeiture account (See Note 1).

Subsequent Events

Management has evaluated subsequent events for the Plan through September 29, 2023, the date the financial statements were available to be issued.

3. Information Certified by the Trustees

The following is a summary of the investments and cash regarding the Plan as of December 31, 2022 and 2021, and for the year then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Information relating to investments and notes receivable from participants held by the trustees at December 31, is as follows:

	2022	2021
Mutual funds	\$ 110,434,778	\$ 131,438,349
Common collective trusts	119,703,354	158,625,553
Interest-bearing cash	269,559	160,701
Notes receivable from participants	559,982	796,416
	<u>\$ 230,967,673</u>	<u>\$ 291,021,019</u>

The following was also certified by the trustees for the year ended December 31, 2022:

Net depreciation in fair value of investments	\$ (57,770,440)
Dividends and interest income	4,479,481
Other income	68,357
Interest income on notes receivable from participants	24,775
	<u>\$ (53,197,827)</u>

4. Fair Value Measurement

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies during 2022 and 2021.

- *Mutual funds*: valued at quoted prices reported in an active market at year end.
- *Interest-bearing cash*: valued at cost plus accrued interest, which approximates fair value
- *Common collective trusts*: the fair value of the common collective trusts is determined based on the underlying assets, which represent the net asset value, a practical expedient to fair value of units held by the Plan. The common collective trusts do not have any unfunded commitments relating to their investments. Redemptions can be made on any business day and do not have a redemption notice period except as provided in the trust documents.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no transfers between level 1, 2 and 3 for the year ended December 31, 2022.

Investments as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 110,434,778	\$ -	\$ -	\$ 110,434,778
Interest-bearing cash	269,559	-	-	269,559
Common collective trusts -				
measured at net asset value (a)	-	-	-	119,703,354
Total investments at fair value	<u>\$ 110,704,337</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 230,407,691</u>

Hughes Hubbard & Reed Defined Contribution Retirement Plan

Investments as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 131,438,349	\$ -	\$ -	\$ 131,438,349
Interest-bearing cash	160,701			160,701
Common collective trust - measured at net asset value (a)	-	-	-	158,625,553
Total investments at fair value	<u>\$ 131,599,050</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 290,224,603</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

5. Plan Termination

Although it has not expressed any intention to do so, the Firm has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the entire balance in their respective accounts.

6. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan's administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and the plan document.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan's administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan's management believes it is no longer subject to income tax examinations for years prior to 2019.

7. Related Party Transactions

Fidelity is the trustee, investment advisor and record keeper for the Plan and therefore, these services qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for trustee, record keeping and administrative services amounted to \$90,834 for the year ended December 31, 2022. Services rendered by the auditor and investment adviser also qualify as party-in-interest transactions. Fees paid by the Plan to the auditor and investment adviser amounted to \$65,189 for the year ended December 31, 2022.

Fidelity or its affiliates receive revenue from certain investments in the Plan, which may be used to pay Plan expenses. Fidelity and the Company have agreed that these amounts are to be credited to a Revenue Credit Program ("RCP") account, which is maintained by Fidelity. During the year ended December 31, 2022, the Plan received \$68,357 and utilized \$65,189 to pay for certain plan expenses. Such amounts are reflected as other income and included in administrative expenses, respectively, in the accompanying statement of changes in net assets available for benefits. The available balance in the RCP was \$6,007 and \$2,637 as of December 31, 2022 and 2021, respectively.

8. Risks and Uncertainties

The Plan invests in various investment instruments, including mutual funds and common collective trusts. Such securities are subject to various risks such as interest rate, market and credit risks. Due to the level of risk associated with Plan investments and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect the value of investments reported in the financial statements.
