Independent Auditors' Report

To the Plan Administrator of Fund Evaluation Group, LLC
401(k) Profit Sharing Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fund Evaluation Group, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Fund Evaluation Group, LLC 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report
(Continued)**

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fund Evaluation Group, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fund Evaluation Group, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audits of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fund Evaluation Group, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fund Evaluation Group, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

BARNES DENNIG

**Independent Auditors' Report
(Continued)**

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Fund Evaluation Group, LLC 401(k) Profit Sharing Plan (the "Plan") have been prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to interest rate, credit, and overall market volatility. Market risks includes global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Related-Party Transactions

Several employees of the Fund Evaluation Group, LLC (the "Company") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

Charles Schwab Bank is the trustee as defined by the Plan and, therefore, some transactions qualify as party-in-interest, including investments in funds managed by Charles Schwab Bank.

The Company is the plan sponsor and manages multiple hedge funds in which some participants elect to invest their funds; these activities qualify as party-in-interest transactions. Fees paid by participants on such investments are refunded by the Company to individual participant accounts.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets during the period. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Payments

Benefit payments are recorded when paid.

Expenses

Certain expenses and costs of the Plan were paid by the Company and, accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Company has evaluated subsequent events to the balance sheet date of December 31, 2022, through October 2, 2023, which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of Fund Evaluation Group, LLC 401(k) Profit Sharing Plan provides only general information. Participants should refer to their Fund Evaluation Group, LLC 401(k) Profit Sharing Plan document for a more complete description of the Plan's provisions.

General

The original effective date of the Plan was January 1, 1991. The Plan is a defined contribution plan. Substantially all employees of the Company are currently eligible for participation in the Plan if they have completed 1 hour of service and have attained the age of 21 years old. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100 percent of pre-tax or post-tax annual compensation, as defined by the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$20,500 at December 31, 2022). For 2021, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of \$6,500. Effective January 1, 2016 the Plan added an auto enrollment feature for participants who become eligible on or after the effective date. The automatic enrollment is 3%. Effective January 1, 2017, the plan added an auto escalation feature increasing deferral elections by 1% annually until they have reached 6%. Participants may change the percentage of contribution invested in each account and may make transfers between accounts anytime during the year. In 2022, the Company contributed a safe harbor qualified non-elective employer contribution of 100% of the first 3% of compensation.

The Company may also make a profit sharing contribution to the Plan. The Company elected not to make a profit-sharing contribution in 2022.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified employee benefit plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based upon each participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become immediately vested at the time of participation in the Plan for all employee and employer contributions plus actual earnings thereon.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account may be distributed as a lump sum. Account balances below \$1,000 are automatically distributed as a lump sum upon termination or retirement. Account balances above \$1,000 but below \$5,000 are distributed in a direct rollover to an individual retirement arrangement designated by the plan administrator.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2.

In conditions of "financial hardship", as defined, a participant may apply to the Plan administrator for approval to withdraw that portion of his or her 401(k) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Notes Receivable from Participants

Notes receivable are available on amounts in the participant's account. The minimum note amount is \$1,000 and the maximum is the lesser of one-half of the participant's vested account balance or \$50,000. The vested participant account balance will be used as collateral for any note. All notes shall bear a reasonable rate of interest as determined by the Plan administrator. All notes must be repaid within five years except in the case of a note for the purpose of acquiring a home. Participants may only have one note outstanding at a given time.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued using quoted market prices of the shares of each applicable mutual fund.

Common collective trust: Valued based on the NAV of units of a collective trust as published by the trustee.

Hedge funds: Valued based on the NAV as a practical expedient. The NAV is based on fair value of the underlying investments held by its fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

FUND EVALUATION GROUP, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The hedge funds calculate their members' capital as of the close of business on the last business day of each calendar month and the last day of each fiscal period. In determining its members' capital, the hedge funds value their investments as of such month-end or as of the end of such fiscal period, as applicable. The members' capital of the funds equals the value of the total assets of the funds less liabilities, including fees and expenses, each determined as of the date the fund's net assets are calculated. The net asset value per unit equals members' capital divided by units outstanding.

Certain underlying investments may hold a portion of their assets as side-pocket investments which have restricted liquidity, potentially extending over a much longer period of time than the typical liquidity of an investment in a mutual fund may provide. Should the hedge fund seek to liquidate this type of investment the value of its investment could fluctuate based on adjustments to the fair value of these type of underlying investments.

Participants, pursuant to a written request, will be approved by the board of the funds to withdrawal funds and this will take place twice a year, effective June 30th and December 31st. The withdrawal amount will be determined by the board but is expected to be no more than approximately 25% of the Company's outstanding units.

On November 24, 2020 the hedge fund manager determined to close and liquidate the hedge fund. As soon as possible after all of the hedge fund's investments in portfolio securities are converted to cash, the hedge fund will make to each member a final liquidating distribution. The hedge fund's ability to convert its portfolio securities to cash is subject to the redemption restrictions of the portfolio securities in which the hedge fund invests. As a result, the hedge fund's final liquidating distribution to members may not occur for several quarters.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 48,944,502	\$ -	\$ -	\$ 48,944,502

Hedge funds *				11,934
Total investments				<u>\$ 51,687,299</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation to the line items presented in the statements of net assets available for benefits.

NOTE 4 TAX STATUS

The Plan Sponsor has received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since adoption of the prototype plan. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The following information provided by Charles Schwab Bank for the years ended December 31, 2022 and 2021 was certified to be accurate and complete:

- (a) The assets held by Charles Schwab Bank as of December 31, 2022 and 2021, as well as the transactions involving these assets for the year ended December 31, 2022.
- (b) The amount of investment income (loss) for the year ended December 31, 2022.
- (c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2022.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 COMMON/COLLECTIVE TRUST

The Plan entered into a common/collective trust investment with Galliard Stable Return Fund (the "Fund"). Certain events limit the ability of the Plan to transact at contract value with Allspring Collective Investment Trust. Such events include the following: (1) material amendments to the Fund's structure or administration; (2) changes to the participating plan's competing investment options including the elimination of equity wash provisions; (3) complete or partial termination of the Fund, including merger with another fund; (4) the failure of the Fund to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; (5) the redemption of all or a portion of the interest in the Fund held by a participating plan at the discretion of the plan sponsor, including withdrawals due to the removal of a specifically identifiable group of employees from coverage under the participating plan (such as a group layoff or early retirement incentive program), the closing or sale of a subsidiary, employing unit, or affiliate, the bankruptcy or insolvency of a plan sponsor, the merger of the plan with another plan, or the plan sponsor's establishment of another tax qualified defined contribution plan; (6) any changes in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Fund or participating plans; (7) the delivery of any communication to plan participants designed to influence a participant not to invest in the fund. At this time, the Fund does not believe that the occurrence of any such market value event, which would limit the Fund's ability to transact at contract value with participants, is probable.
