INDEPENDENT AUDITORS' REPORT

To the Trustees of
Hope for Youth, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hope for Youth, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hope for Youth, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hope for Youth, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hope for Youth, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hope for Youth, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hope for Youth, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOPE FOR YOUTH, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1. DESCRIPTION OF PLAN

The following description of the Hope for Youth, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. GENERAL:

The Plan is a defined contribution plan covering eligible employees of Hope for Youth, Inc., (the “Organization”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Plan was amended effective January 1, 2022, in order to bring the Plan into compliance with the legislative and regulatory changes set forth in ITS Notice 2017-37 (i.e., the 6-year pre-approved plan restatement cycle).

The Plan was amended on October 7, 2022 in order to adopt the provisions of the CARES Act. See Note 2F.

B. ELIGIBILITY:

An employee of the Organization becomes eligible to participate in the Plan upon reaching age 20½ and completing one year of service. A year of eligible service is based on 1,000 hours of service in the first twelve months of employment, or any subsequent calendar year. Employees not eligible include employees whose employment is governed by the terms of a collective bargaining agreement, non-resident aliens, and any person who is considered a leased employee. A participant enters the Plan on January 1st or July 1st following the date after the service requirement has been met, and must be employed on the last day of the plan year in order to be eligible for the employer contribution.

C. CONTRIBUTIONS:

The Plan does not permit employee contributions, except for those contributions representing distributions from other defined benefit and defined contribution plans. The Organization’s contributions are allocated on the last day of the Plan year based on seven allocation groups. The amount is determined by multiplying a ratio set in the employee handbook by participants’ yearly compensation.

The following ratios are used to calculate the Organization’s contributions:

Group	Years of service	Percentage of compensation contributed
1	1-4	3.33%
2	5	5%
3	6	6%
4	7	7%
5	8	8%
6	9	9%
7	10	10%

NOTE 1. DESCRIPTION OF PLAN (continued)

D. PARTICIPANT ACCOUNTS:

Each participant's account is credited with the Organization's contributions and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. VESTING:

Participants are vested immediately in their rollover contributions plus actual earnings thereon. A participant's vested interest in his or her account balance of the Organization's contributions is determined by the vesting schedule below.

<u>Years of Service</u>	<u>Vested Interest</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

F. PAYMENT OF BENEFITS:

Upon leaving the Organization for any reason including termination, death, disability, or retirement, participants may elect to receive the vested balances in their accounts as a single lump-sum payment or in partial withdrawals if the participant is 100% vested or the distribution is a required minimum, over a certain period that does not extend beyond the participant's life, or the life of his or her designated beneficiary; if the participant's account balance is in excess of \$5,000, the participant and the participant's spouse must consent. If a participant's vested account balance is less than \$5,000, it will be distributed as a lump sum. If a participant's vested account balance is between \$1 and \$1,000, and the participant makes no election, then the amount will be automatically rolled over into an IRA. Participants may request in-service withdrawals upon reaching the normal retirement age. The Plan does not permit hardship withdrawals.

G. PARTICIPANT LOANS:

Loans to participants are not permitted.

H. FORFEITED ACCOUNTS:

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,251 and \$19,527, respectively. Under the terms of the Plan, forfeited balances will be added to any employer contributions and reallocated in the same manner.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING:

The financial statements are prepared on the accrual basis of accounting.

B. ESTIMATES:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. PAYMENT OF BENEFITS:

Benefits are recorded when paid.

E. OPERATING EXPENSES:

Certain expenses of maintaining the Plan, such as administrative and investment management fees paid to the third party administrator, are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the processing of benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

F. COVID-19 PANDEMIC:

The Plan's operations have been affected by the recent and ongoing outbreak of the coronavirus disease 2019 (COVID-19) which in March 2020, was declared a pandemic by the World Health Organization. The ultimate disruption which will be caused by the outbreak is uncertain; and management, at this time, cannot reasonably estimate the amount of impact it will have on the Plan's net assets and changes in net assets. Possible areas that may be affected include, but are not limited to, the possible decline in value of investments owned by the Plan and the possible decline in employer contributions to the Plan.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed in to law. The CARES Act includes several relief provisions available to the Plan and its participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increases in the amount a participant may borrow from his or her retirement account to the lesser of \$100,000 or 100% of the participant's vested balance. Extend the period for loan repayments, if applicable, up to one year.
- Temporary suspension of the required minimum distributions for 2020.

In accordance with the CARES Act, the Plan was amended to retroactively adopt these provisions on October 7, 2022.

G. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through September 29, 2023, the date the financial statements were available to be issued.

NOTE 3. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Charles Schwab Bank ("Schwab"), the custodian of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

HOPE FOR YOUTH, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active;
- Inputs other than quoted prices that are observable for the asset or liability and;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Assets at Fair Value as of December 31, 2022:		
	Level 1	Total
Mutual funds	\$ 4,125,071	\$ 4,125,071
Money market funds	1,251	1,251
Total	\$ 4,126,322	\$ 4,126,322
Investment measured using net asset value per share practical expedient		100,789
Total investments		\$ 4,227,111

Assets at Fair Value as of December 31, 2021:		
	Level 1	Total
Mutual funds	\$ 4,644,862	\$ 4,644,862
Money market funds	18,382	18,382
Total	\$ 4,663,244	\$ 4,663,244
Investment measured using net asset value per share practical expedient		110,167
Total investments		\$ 4,773,411

The Plan invests in a collective investment trust which trades at the net asset value (NAV) per share practical expedient of the fund. This fund is not categorized within the fair value hierarchy.

NOTE 5. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Organization by a letter dated March 21, 2011, that the Plan and related trust are designated in accordance with applicable sections of the Internal Revenue Code (the "Code"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
