## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees, the Administrative Committee, and participants of the Fox Factory, Inc. 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Fox Factory, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institutions in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. # Fox Factory, Inc. 401(k) Profit Sharing Plan

## Notes to Financial Statements

December 31, 2022 and 2021

---

### 1. Description of Plan

The following description of the Fox Factory, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan sponsored by Fox Factory, Inc. (the Company, or Sponsor). The Plan allows substantially all employees who have met the age requirement and have completed one month of service to participate in the Plan. The Plan was restated effective February 1, 2022. Effective February 1, 2022, the Plan was amended to reduce the eligibility age requirement to 18 years from 21 years. Eligible employees may enter the Plan on the first day of the month after which eligibility has been attained. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following participating employers of the Company participated in the Plan during 2022 and 2021:

- Fox Factory, Inc.
- ST USA Holding Corp.
- RFE Holdings (US) Corp.
- RT Acquisition Corp.
- FF US Acquisition Corp. dba Tuscany Motor Company
- SCA Performance, Inc.
- Rocky Ridge Trucks, Inc.
- Rocky Mountain Truckworks, Inc.
- OutsideVan LLC, effective August 1, 2021
- Shock Therapy, effective February 21, 2022

Subsequent to year end, the Plan was amended effective March 21, 2023 to include Custom Wheel House, LLC as a participating employer.

#### Contributions

Participants may make pre-tax and/or Roth contributions of up to 100% of their eligible compensation as defined by the Plan document, not to exceed a maximum of \$20,500, plus catchup contributions of \$6,500 for those qualifying participants who are at least 50 years of age in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). All eligible employees are automatically enrolled in the Plan at a rate of 1% of eligible compensation, unless the participant elects otherwise. This automatic contribution rate will increase by 1% annually, up to a maximum of 6% of eligible compensation, unless the participant elects otherwise.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

---

The Sponsor may make discretionary matching contributions to eligible participants. For 2022, the discretionary matching contribution was 50% of amounts contributed by participants, up to 6% of eligible compensation. The Sponsor may also make a discretionary nonelective profit sharing contribution. The Sponsor elected not to make a discretionary nonelective profit sharing contribution in 2022.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions, rollovers, the Sponsor's contributions, and earnings and losses on the investments in their account and is charged with certain administrative expenses and individual transaction fees. Upon enrollment in the Plan, a participant may direct contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are immediately vested in their contributions and rollovers plus earnings and losses thereon. Participants vest 20% per year in the Sponsor's discretionary nonelective profit sharing contributions after the second year of service and are fully vested after five years of service. The Sponsor's discretionary matching contributions vest 33% after one year of service, 66% after two years of service and 100% after three years of service.

### **Payments of Benefits**

At the time of death, disability, termination of service or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum distribution. If a participant terminates employment and has a balance of less than \$5,000, the participant will automatically receive a lump-sum distribution equal to the value of their account. In-service withdrawals from all vested account balances are also permitted for participants who have attained age 59½. The participant's contributions may also be withdrawn for certain hardship situations.

### **Forfeited Accounts**

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$590, respectively, and are included in the guaranteed interest contract on the statements of net assets available for benefits. Forfeitures may be used to pay Plan expenses or to reduce any future employer contributions. In 2022, forfeitures of \$137,720 were used to reduce discretionary matching contributions.

### **Administrative Expenses**

The Plan document permits certain administrative expenses to be paid by the Plan. All other expenses are paid by the Sponsor. The Sponsor does not expect reimbursement from the Plan for these expenses. Administrative fees paid by participants include distribution fees. Additionally, participants are charged a fee based on the balance in their accounts for investment management and administrative services. This fee is netted with investment returns in each participant's account. These expenses are paid to a service provider of the Plan and therefore qualify as party-in-interest transactions.

The Plan has an ERISA account where the qualified institution deposits revenue sharing payments that can be used to pay administrative expenses or allocated to participant accounts. In 2022, the qualified institution deposited \$93,314 of revenue sharing credits into the account, and administrative expenses totaling \$71,249 were paid from the account. Deposits to this account and earned interest of \$282 during 2022 are included in net change in contract value of guaranteed interest contract in the accompanying statement of changes in net assets available for benefits. At December 31, 2022 and 2021, the balance in this account was \$40,723 and \$18,376, respectively, which is included in the guaranteed interest contract on the statements of net assets available for benefits.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates, and such differences may be material to the financial statements.

### **Contributions**

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer discretionary matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan and approved by the administrative committee. The discretionary nonelective profit sharing contributions are considered payable to the Plan after approval by the administrative committee. Any unfunded participant or employer discretionary matching contributions are included in the employee or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2022 and 2021.

## **Notes to Financial Statements December 31, 2022 and 2021**

---

### **Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value, except for the guaranteed interest contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net change in fair value of mutual funds includes realized and unrealized gains and losses on those investments. Interest income is recorded when received. See Note 4 for a discussion of fair value and contract value measurements.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to participant contributions. The Plan distributed the 2022 excess contributions to the applicable participants in February 2023.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Subsequent Events**

The Plan's management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 25, 2023, which is the date the financial statements were available to be issued.

### **3. Information Certified by the Qualified Institutions**

All information in the accompanying financial statements and supplemental schedule, Schedule of Assets (Held at End of Year), including investments held at December 31, 2022 and 2021, and net change in fair value and contract value of investments for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan's administrator and certified as complete and accurate by Empower Trust Company, LLC (formerly, Great-West Trust Company, LLC), and Empower Annuity Insurance Company of America (formerly, Great-West Life & Annuity Insurance Company) (collectively, Empower), the Plan's qualified institutions.

### **4. Investments**

The Plan's investments include shares of a guaranteed interest contract managed by Empower. Empower is a service provider for the Plan; therefore, transactions in this investment qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are

**December 31, 2022 and 2021**

---

included in net change in fair value of mutual funds and contract value of guaranteed interest contract, as they are paid through revenue sharing rather than a direct payment.

Investments are exposed to several risks, such as interest rate, market, currency, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, and other similar events. It is at least reasonably possible that changes in fair value will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments in mutual funds are based on quoted market prices for the identical asset in an active market (Level 1).

The Plan invests in an Empower guaranteed interest contract. The guaranteed interest account is considered to be a fully-benefit responsive investment contract issued by Empower. The guaranteed interest contract is backed by the general account assets of Empower. The Plan's investment in this account is stated at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Contract value is the relevant measure for fully-benefit responsive contracts because contract value is the

---

amount participants would receive if they were to initiate permitted transactions under the terms of the contracts. Investment income of this account is presented on a contract value basis.

The following table summarizes the Plan's investments at fair value based on the inputs used to determine their values as of December 31, 2022 and 2021:

|                                        | Level 1              |                      |

| <b>Total investments at fair value</b> | <b>\$ 45,486,515</b> | <b>\$ 47,795,385</b> |

### 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

### 6. Income Tax Status

The Plan uses a non-standardized pre-approved plan document prepared by Great-West Trust Company, LLC (now Empower Trust Company, LLC). The Internal Revenue Service has determined and informed Great-West Trust Company, LLC by a letter dated June 30, 2020 stating that the non-standardized pre-approved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter and has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.
