INDEPENDENT AUDITORS' REPORT

Plan Administrator
W. L. Gore & Associates, Inc 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of W.L. Gore & Associates, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of W.L. Gore & Associates, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of W.L. Gore & Associates, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about W.L. Gore & Associates, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of W.L. Gore & Associates, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about W.L. Gore & Associates, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 Description of Plan

The following description of the W.L. Gore & Associates, Inc. ("the Company") 401(k) Plan ("the Plan"), which was established on May 1, 2000 and amended and restated January 1, 2023, provides only general information. The Plan is designed to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), and qualifies under section 401(a) and 401(k) of the Internal Revenue Service Code. Interested parties should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a Section 401(k) defined contribution plan that covers all associates who have been employed by the Company for at least thirty days. Once eligible, admission into the Plan starts on the first day of the payroll period following the initial thirty-day period.

B. Contributions

The Plan permits participants to make both pre-tax and certain after-tax (Roth) deferral contribution amounts. Each Plan participant may authorize the employer to withhold from his or her compensation up to the lesser of $20,500 ($27,000 for participants over fifty years of age) or 100% of annual compensation as defined in the Plan document ($19,500 and $26,000 in 2021). The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan at 3% on a pre-tax basis unless they affirmatively elect not to participate in the Plan or choose a different rate within the first thirty days. Their contributions are invested in a designated fund until changed by the participant. The Company elects to make a contribution for each participant equal to 3% of each participant's compensation regardless of the level of participant contributions subject to safe-harbor rules.

C. Participant Accounts

Each participant's account is credited with his or her participant-directed contributions and the employer's contribution. Participants' accounts are adjusted for their proportionate share of earnings, expenses, gains, and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct their investments from a selection of mutual funds, a common collective trust, and a self-directed brokerage option managed by the Fidelity Group. The net assets of all self-directed brokerage accounts were $84,394,308 and $91,272,895, at December 31, 2022 and 2021, respectively.

D. Vesting

Participants are immediately 100% vested in all contributions plus actual earnings thereon.

Note 1 Description of Plan (continued)

E. Participant Loans

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balances. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balances in the participants' accounts and bear interest at the prevailing rate in effect at the inception of the loan, and the interest rate is fixed during the life of the loan. Principal and interest are paid ratably through monthly payroll deductions.

F. Payment of Benefits

On termination of service due to death or retirement, a participant or his or her beneficiary may elect to receive either a lump sum amount equal to the participant's vested interest in his or her account, or in substantially equal amounts over a period of time specified by the participant or beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan allows for partial lump sum distributions which must be made in accordance with procedures established by the Administrator. A lump sum payment is automatic for account balances of $1,000 or less.

G. Administration of Plan Assets

The Plan's assets, which consist principally of mutual funds, are held by the Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan.

Contributions are held and managed by the trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company who receive no compensation from the Plan.

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits.

H. Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, and the trustee shall distribute all of the assets of the Plan to the participants.

I. SECURE Acts

Certain provisions of the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) became effective January 1, 2020. The plan document has been amended and restated effective January 1, 2023 to reflect operational changes related to the SECURE Act in accordance with applicable law and IRS guidance.

Note 1 Description of Plan (continued)

I. SECURE Acts (continued)

SECURE 2.0 Act of 2022 (SECURE 2.0) was signed into law on December 29, 2022. Written amendments to the Plan to reflect operational changes related to SECURE 2.0 will be adopted at a later date in accordance with applicable laws and IRS guidance.

Note 2 Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

B. Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held at year end.

D. Participant Loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded at such time as permitted under the Plan. The deemed distributable participant loans totaled $231,200 and $217,467 at December 31, 2022 and 2021, respectively.

E. Distributions

Distributions to participants are recorded when paid.

Note 2 Summary of Significant Accounting Policies (continued)

F. Subsequent Events

Plan management has evaluated all subsequent events through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

Note 3 Fair Value Measurements

In accordance with the accounting for fair value measurements and disclosures, a three-level hierarchy prioritizes the inputs used to calculate the fair value of assets and liabilities. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Money market fund - Valued at the net asset value of the shares held by the Plan at year end. The fund is deemed to be actively traded.

Note 3 Fair Value Measurements (continued)

Self-directed brokerage funds – Valued at the closing price reported on the active market on which the underlying assets are traded.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust - A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022	2021
Money market fund	$ 422,026	$ 364,639

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If currently eligible)	Redemption Notice Period
Common collective trust	$81,101,501	N/A	Daily	12 months

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If currently eligible)	Redemption Notice Period
Common collective trust	$79,955,704	N/A	Daily	12 months

Note 4 Information Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company, the trustee.

	2022	2021
Investments, at fair value:		
Money market fund	$ 422,026	$ 364,639
Self-directed brokerage	84,394,308	91,272,895

Investment activity for the year ended December 31:		
Net appreciation (depreciation) in fair value of investments	($ 400,909,861)	$ 144,607,117
Interest and dividends	$ 54,478,351	$ 85,647,280

Note 5 Party-In-Interest Transactions

The Plan engages in investment transactions with funds managed by an affiliate of Fidelity. Therefore, these transactions qualify as party-in-interest transactions

Fidelity provides certain administrative services to the Plan pursuant to a service agreement between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. Fidelity remits certain excess revenue to the Plan's trust on a quarterly basis.

Such amounts may be applied to pay Plan administrative expenses or be allocated to participant accounts. During 2022 and 2021, excess amounts totaled $0 and $2,721, respectively, and are netted with expenses on the statements of changes in net assets available for benefits. The Plan or Company may directly pay Fidelity for administrative expenses not covered by revenue sharing.

Note 6 Concentration of Credit Risk

Financial instruments which potentially subject the Plan to significant concentrations of credit risk consist of investments in mutual funds, a common collective trust, and uninsured money market funds held in the custody of one financial institution under an unsecured nondiscretionary trust agreement. The Plan seeks to place its investments with a high quality financial institution and continually monitors the financial strength of the institution to minimize the Plan’s risk.

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 Income Tax Status

The Internal Revenue Service has determined and informed the Company in a letter dated October 10, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan follows professional standards which clarify the accounting for uncertainty in income taxes recognized in the Plan’s financial statements and prescribe a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. The standards also provide guidance on derecognition and measurement of a tax position taken or expected to be taken on a tax return.

Note 8 Income Tax Status (continued)

The Plan files an annual return/report of employee benefit plan in the U.S. federal jurisdiction. The Plan's returns for tax years 2019 and beyond remain subject to examination by the Internal Revenue Service.

The Plan did not have any unrecognized tax benefits as of December 31, 2022 and does not expect this to change significantly over the next twelve months. The Plan will recognize interest and penalties on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2022, the Plan has not recognized interest or penalties related to uncertain tax positions.
