INDEPENDENT AUDITORS' REPORT

To the management of Publishers Clearing House 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of Publishers Clearing House 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Publishers Clearing House 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Publishers Clearing House 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Publishers Clearing House 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Publishers Clearing House 401(k) Retirement Savings Plan's internal control. Accordingly, no opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Publishers Clearing House 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) - December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

Background - The Publishers Clearing House 401(k) Retirement Savings Plan (the "Plan") is a defined contribution plan as described in the Internal Revenue Code ("IRC") section 401(k) sponsored by Publishers Clearing House (the "Company" or "plan sponsor"). The Plan was adopted on July 1, 1999 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The trustee of the Plan is Fidelity Management Trust Company (the "trustee"). Aon Investments USA Inc. provides investment advisory services to the Plan.

Plan Amendments - Effective December 15, 2022, the plan sponsor adopted Fidelity pre-approved prototype documents, which incorporate recent tax law changes. Such prototype plan documents replaced the tailored plan documents, as amended, which were in effect through December 15, 2022 and on which the most recent determination letter had been issued by the Internal Revenue Service during February 2013.

The Plan has implemented certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), which was signed into law on December 20, 2019. The SECURE Act raised the age for minimum distributions from 70 1/2 to 72 effective January 1, 2020.

Pandemic and Related Law Changes - During March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic was a significant factor which exacerbated volatility in financial markets and affected the market value of the Plan's investments. During April 2023, the President of the United States signed into law a congressional joint resolution which terminates the national emergency related to the COVID-19 pandemic.

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. For the year ended December 31, 2020, the CARES Act allowed certain eligible individuals to take COVID-19 related distributions, temporarily increased participant loan borrowing limits, allowed for the suspension of repayments on participant loans, and suspended required minimum distribution rules.

1. PLAN DESCRIPTION (continued)

Written amendments to the Plan to reflect the operational changes in the SECURE and CARES Acts will be adopted in accordance with applicable law and IRS guidance.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

Eligibility - Eligible employees are defined as employees of the Company or wholly-owned subsidiaries of the Company, who work at a place of business owned or leased by the Company or its subsidiaries, excluding leased employees, independent contractors, and nonresident aliens with no U.S. source income. To participate in the Plan, eligible employees must be employed on a "full-time" basis (regularly scheduled to work at least 30 hours per week), and must be credited with 1,000 hours of service during their first year of employment or during any calendar year that begins on or after their first day of employment. Participation in the Plan commences on the first day of the month on or immediately following the date the eligibility requirements are satisfied.

Contributions and Vesting - The Plan has a 3 percent automatic enrollment feature for employee pre-tax contributions. Participants may opt out of the Plan. Participants may make salary deferral contributions in the form of employee pre-tax contributions or Roth after-tax contributions, subject to section 401(k) maximum limitations (\$20,500 in 2022). Employees who attain age 50 are permitted to make catch-up contributions of up to \$6,500.

An eligible employee may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as rollover contributions, with certain restrictions.

The Plan provides for employer safe harbor matching contributions equal to 100 percent of aggregate employee contributions (traditional pre-tax and/or Roth contributions) up to 3 percent of eligible compensation, and 50 percent of aggregate employee contributions above 3 percent and up to 6 percent of eligible compensation.

Employer contributions receivable in the amount of \$148,757 as of December 31, 2022 represent an employer matching contribution true-up applicable to the year then ended, which was funded by the Company during May 2023. Employer contributions receivable as of December 31, 2021 in the amount of \$162,893 represent an employer matching contribution true-up applicable to the year then ended. Such amount was funded by the Company during April 2022.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

1. PLAN DESCRIPTION (continued)

Participants are immediately vested in the portion of their accounts related to employee contributions, rollover contributions, and employer matching contributions, including investment earnings thereon.

The Plan also provides for discretionary employer supplemental contributions. Participants become vested in supplemental contributions, if any are made by the Company, at the rate of 20 percent after completion of two years of service, as defined, and an additional 20 percent vested for each additional year of service, until fully vested upon completion of six years of service. Participants while in the employ of the Company also become fully vested in supplemental contributions upon attainment of age 65, disability, or death. No such discretionary employer supplemental contributions were made for the year ended December 31, 2022.

Forfeitures - When participants terminate employment prior to full vesting, the nonvested amounts in their individual accounts, referred to as forfeitures, may be used to pay administrative expenses of the Plan or reduce future Company contributions. As of December 31, 2022, unallocated forfeitures approximated \$10,300.

Distributions to Participants - Distributions to participants are available upon the following events: termination of employment, retirement, attainment of age 65, death, or disability. A participant's benefit, consisting of his/her entire account balance, is paid in the form of a lump sum payment. Payment shall be made as soon as administratively feasible following the date on which the event occurs, provided, however, that the participant's consent is obtained for distributions of amounts in excess of \$1,000. For terminated participants with account balances between \$1,000 and \$5,000, in the absence of a payment election by the participant, the plan administrator may elect to distribute their account balance to an individual retirement account set up in his or her name. A participant with an account balance in excess of \$5,000 may elect to defer payment until April 1 following the calendar year in which the participant attains age 72 or terminates employment, whichever is later.

The Plan also provides for hardship withdrawals to participants meeting certain requirements as described in the Plan agreement.

Upon enrollment in the Plan, participants are directed to designate a beneficiary or beneficiaries by completing a designation form. If a married participant designates someone other than their spouse as primary beneficiary, then the spouse must consent to this designation by signing the form and his/her signature must be witnessed by a Plan representative or a notary public. A participant's entire account balance is payable to the designated beneficiary upon his/her death.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

1. PLAN DESCRIPTION (continued)

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, which is the prime rate as of the last business day of the previous calendar month, remains fixed for the duration of the loan. Interest rates ranged from 3.25 percent to 7.0 percent per annum on loans outstanding during the year ended December 31, 2022. Principal and interest is paid ratably through payroll deductions over periods of 1 to 5 years. The repayment period may be extended for loan proceeds used for the purchase of a primary residence.

Administrative Expenses - Net of Revenue Credits - Fidelity Investments Institutional Operations Company, Inc., an affiliated company of the trustee (collectively, "Fidelity"), credits back to participant accounts as "revenue credits" a portion of the investment management fees deducted from certain mutual funds as indirect expenses. Such revenue credits, which ranged from 0.10 percent to 0.15 percent per annum, were allocated to participant accounts on a pro-rata basis according to their balances in such funds. The fee arrangement also includes charging participant accounts with per-capita recordkeeping fees paid to Fidelity. Administrative expenses - net in the statement of changes in net assets available for benefits for the year ended December 31, 2022 consist of the following:

Recordkeeping and participant loan fees charged to participant accounts	\$ (72,922)
Revenue credits allocated to participant accounts	<u>15,687</u>
Administrative expenses - net	<u><u>\$ (57,235)</u></u>

The Company continues to pay a substantial portion of administrative expenses incurred in connection with the management of the Plan. In accordance with Plan provisions, the Company may, at any time, elect to have some or all of such expenses paid by the Plan.

Termination - The Company intends to continue the Plan indefinitely, but reserves the right to modify or discontinue it at its discretion, subject to applicable provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America for defined contribution plans.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Risks and Uncertainties - The Plan provides for various participant-directed investment options in securities including mutual funds and collective investment trust funds. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. As a result of the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

Subsequent Events - The Plan has evaluated subsequent events through September 29, 2023, the date the financial statements were available to be issued.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

3. INCOME TAX STATUS

In June 2020, the Internal Revenue Service stated in an opinion letter that the prototype plan adopted by the Plan administrator was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter, however, the Plan administrator and management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, they believe that the Plan was qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that would likely not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods.

4. INVESTMENTS CERTIFIED BY TRUSTEE (continued)

The following Plan receivable, which is classified as an investment for purposes of the Form 5500, was also obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	December 31, 2022	December 31, 2021
Notes receivable from participants	\$ 1,072,072	\$ 1,235,127

The following information included in the accompanying statement of changes in net assets available for benefits was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	Year Ended December 31, 2022
Investment income (loss):	
Interest and dividend income on mutual funds	\$ 1,685,788
Net depreciation in fair value of mutual funds	\$ (27,289,920)
Net investment loss on collective investment trust funds	\$ (13,941,807)
Other income:	
Interest income on notes receivable from participants	\$ 43,324

Investments in mutual funds - The participant-directed mutual funds offer various investment options ranging from conservative funds which principally seek to preserve capital and provide fixed income to aggressive funds invested principally in common stocks which seek growth of capital over the long term. See Note 5 for a description of mutual funds stated at fair value.

Investments in collective investment trust funds - The T. Rowe Price Target Retirement Trusts invest in highly diversified portfolios of other T. Rowe Price stock and bond trusts that represent various asset classes and sectors. These collective investment trust funds are professionally allocated, managed, and automatically rebalanced with specific retirement dates in mind.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

4. INVESTMENTS CERTIFIED BY TRUSTEE (continued)

The Invesco Stable Value Trust Class B1 is a collective investment trust fund in the Invesco Stable Value Trust, a collective trust of Invesco Trust Company. The Trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The Trust has underlying investments in investment grade fixed and floating rate securities, as well as traditional and synthetic guaranteed investment contracts (GIC's). The Invesco Stable Value Trust provides annual audited financial statements which describe the nature of the underlying investment contracts. Withdrawals and transfers from this stable value fund can occur daily at the participant level, but as described in Note 5, a 12-month notification period is applicable if the plan sponsor were to elect to withdraw the Plan's participation in the fund.

Other collective investment trust funds held by the Plan during 2022 (EARNEST Partners Small-Mid Cap Core Fund, Aristotle Value Equity Collective Trust Class B, and Western Asset Core Plus Bond Fund CIF R2) provide participants with investment elections that function similar to mutual funds.

See Note 5 for a description of the collective investment trust funds stated at fair value.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

5. FAIR VALUE MEASUREMENTS (continued)

Level 2 – Inputs to the valuation methodology include:

- * quoted prices for similar assets or liabilities in active markets;
- * quoted prices for identical or similar assets or liabilities in inactive markets;
- * inputs other than quoted prices that are observable for the asset or liability;
- * inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no material changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds - Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

5. FAIR VALUE MEASUREMENTS (continued)

Collective investment trust funds - The Plan's investments in collective investment trust funds are valued at the net asset value of units of the collective investment trusts. The net asset value is used as a practical expedient to estimate the fair value. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the Invesco Stable Value Trust Class B1, the issuer reserves the right to require 12-months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no redemption restrictions at the Plan level for the T. Rowe Price Target Retirement Trusts or the other collective investment trust funds held by Plan as of December 31, 2022 (see Note 4).

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 83,437,014	\$ -	\$ -	\$ 83,437,014

Investments at fair value				<u>\$ 172,900,411</u>

PUBLISHERS CLEARING HOUSE 401(k) RETIREMENT SAVINGS PLAN

5. FAIR VALUE MEASUREMENTS (continued)

	Assets at Fair Value as of December 31, 2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 116,079,424	\$ -	\$ -	\$ 116,079,424

Investments measured at net asset value (a)				<u>108,313,057</u>
Investments at fair value				<u>\$ 224,392,481</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

6. RELATED-PARTY TRANSACTIONS

The Plan's investments consist primarily of mutual funds, including funds managed by Fidelity Investments Institutional Operations Company, Inc., an affiliate of Fidelity Management Trust Company, the trustee and recordkeeper of the Plan. Transactions with the trustee and its affiliates qualify as party-in-interest transactions; however, they are exempt from prohibited transaction rules under ERISA. Administrative expenses in the accompanying statement of changes in net assets available for benefits consist of net fees paid to the trustee in connection with its recordkeeping services and participant loan processing, net of revenue credits (see Note 1). Amounts paid as indirect compensation to the trustee are treated as a reduction of the investment return on the related mutual funds and collective investment trust funds.

7. SUBSEQUENT EVENTS

During December 2022, the SECURE 2.0 Act of 2022 ("SECURE 2.0") was signed into law. SECURE 2.0 contains numerous retirement plan provisions, the majority of which go into effect for plan years beginning after 2023. The provision to raise the age for minimum distributions from 72 to 73 (and eventually to 75) begins to phase in during 2023.
