403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Item 4i Schedule of Assets (Held at End of Year) and Schedule H Item 4a Schedule of Delinquent Participant Contributions, are presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information's, we compare such information to the related certified investment function

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR EMPLOYEES OF
PRESBYTERIAN CHILDREN'S HOMES AND SERVICES
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN

The 403(b) Thrift Plan for Employees of Presbyterian Children's Homes and Services (the Plan) became effective January 1, 1987. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which covers all eligible employees of Presbyterian Children's Homes and Services (the Organization). All employees are eligible to enroll in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees the governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Participant Investment Options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature.

Contributions

As defined by the Plan, participating employees are allowed to contribute a percentage of their pretax earnings up to \$20,500 in 2022. Investments are selected by the participant. Participants who are age 50 or older may elect to defer additional amounts (called catch-up contributions) to the Plan. The maximum catch-up contribution allowed is \$6,500 in 2022.

All employees are eligible to make salary reduction contributions and there is no minimum age requirement. Employees are included as a participant in the plan on the first day of the month coinciding with or immediately following their date of hire. Employees are always vested in their own contributions.

Participants with one year of service and 1000 hours of service, as defined by the plan document, are eligible to receive employer matching contributions in an amount equal to the lesser of (1) 200% of employee elective deferrals or (2) 6% of the employee's compensation, during the plan year in which the one year requirement is satisfied. Distributions to participants from other qualified trusts, retirement accounts or bonds may be applied as rollover contributions.

Participants with one year of service and 1000 hours of service, as defined by the Plan document, are eligible to receive an allocation of employer base contributions in an amount equal to 3% of compensation received during the plan year in which the one year requirement is satisfied whether or not the employee has made elective deferrals to the Plan.

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's matching contribution, the Organization's base contribution and any earnings or losses on their individual selected investments. Earnings, gains and losses are allocated to each participant's account on a daily basis in proportion to the ratio of the participant's investment in each fund to all participants' total investment in each fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their contributions plus earnings thereon. Vesting in the Organization's contributions and related earnings is based on years of continuous service, with 20 percent vested beginning after 1 year of credited service and 100 percent vested after 5 years of credited service. That portion, if any, of a terminated participant's matching contribution account which is not vested in the employer contribution account will be forfeited.

Payment of Benefits

Under the terms of the Plan, participants are eligible for benefit payments upon actual retirement on or after the participant's normal retirement date. The Plan also provides for distributions to participants, or their beneficiaries, upon death, disability and termination of employment. Benefit payments may be subject to federal income taxes.

Administrative Expenses

The Plan's administrative expenses are paid from Plan assets as provided by the Plan document. Certain expenses incurred in the administration of the Plan are paid directly by the Organization.

Participant Hardship Withdrawals

Under certain conditions of financial hardship, a participant may withdraw all or any portion of their contributions during employment. Financial hardship expenses include deductible medical expenses, funds for the purchase of a principal residence, tuition and related educational expenses for a participant, spouse or dependents, and funds to prevent eviction or mortgage foreclosure on a principal residence.

Forfeited Accounts

Forfeited non-vested accounts may be applied to reduce the aggregate amount the Organization must contribute in employer matching contributions for the plan year during which the forfeiture occurs. During the year ending December 31, 2022, \$62,218 was applied to reduce Organization contributions.

At December 31, 2022 and 2021 there were \$4 and \$3 unallocated forfeitures, respectively, that had not yet been applied to reduce employer contributions.

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Investment Options

The assets of the Plan are allocated to the various funds at the direction of the participant.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The investments in all of the funds are presented at fair value based on the quoted market prices of the underlying securities within each fund at December 31, 2022 and 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of loans to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Subsequent Events

We continue to monitor economic uncertainties of the last few years. The economy has presented some volatility that could impact investment performance. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

403(b) THRIFT PLAN FOR EMPLOYEES OF
PRESBYTERIAN CHILDREN'S HOMES AND SERVICES
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and may impact participants' account balances and the amounts reported in the financial statements.

NOTE C - LOANS TO PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. As permitted by the Department of Labor, loans must be repaid over a period of up to five years unless the loan is used for the purchase of a participant's primary residence in which the repayment period is extended up to ten years. Loans are secured by a portion of the participant's vested account in the interest accumulation account not to exceed 50% and bear interest at a reasonable rate of interest that may not exceed the legal limit. Loan repayments must be made at least quarterly and repayment schedules must result in substantially level amortization of the loan over the applicable term. Loans to participants are carried by the plan provider at their unpaid principal balance plus accrued interest.

The Plan allows for group annuity loans where the participant's account balance is not reduced by the loan, but rather the participant maintains a loan reserve in the interest accumulation account in the amount of the loan plus 20%. A participant may only have one outstanding loan.

At December 31, 2022 and 2021, the Plan had loans outstanding to Plan participants for a total of \$73,129 and \$21,635, respectively that are not recorded on the Plan's financial statements and Schedule H because of the group annuity nature explained in the preceding paragraph. Loans bear an interest rate of 4.00%, and maturity period ranged from one year to 10 years.

NOTE D - ASSET INFORMATION CERTIFIED BY THE TRUSTEES (UNAUDITED)

As of December 31, 2022 and 2021, and for the year ended December 31, 2022, the investment and related activity from which the statement of net assets available for Plan benefits, the statement of changes in net assets available for Plan benefits, and the supplemental schedule were derived, has been certified by Mutual of America Life Insurance Company, the Trustee of the Plan, as being complete and accurate as required by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN FOR EMPLOYEES OF
PRESBYTERIAN CHILDREN'S HOMES AND SERVICES
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE D - ASSET INFORMATION CERTIFIED BY THE TRUSTEES (UNAUDITED) - CONTINUED

The fair value of investments at December 31, 2022 and 2021, as reported by the Trustees are summarized as follows:

	2022	2021
Participant directed investments		
Interest accumulation fund	\$ 2,229,973	\$ 2,163,557
Separate account funds	15,601,718	18,074,314
	<u>\$ 17,831,691</u>	<u>\$ 20,237,871</u>

During 2022 the Plan's investments (including gains and losses on investments bought, sold, as well as held during the year) decreased in value by \$2,993,350.

NOTE E - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. These hierarchies consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair values using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 2 Fair Value Measurements

The interest accumulation account is valued at face value.

Investments Measured at Net Asset Value

Separate Account Funds: valued at the net asset value of units of the underlying investments. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant's transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the separate account, no notification is required.

NOTE E - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth the fair value measurements of the Plan's assets as of December 31, 2022:

	Quoted Prices for Similar Assets (Level 2)	Total
Interest accumulation fund	\$ 2,229,973	\$ 2,229,973
Total assets in the fair value hierarchy	2,229,973	2,229,973
Investments measured at net asset value (a)	-	15,601,718
	<u>\$ 2,229,973</u>	<u>\$ 17,831,691</u>

The following table sets forth the fair value measurements of the Plan's assets as of December 31, 2021:

	Quoted Prices for Similar Assets (Level 2)	Total
Interest accumulation fund	\$ 2,163,557	\$ 2,163,557
Total assets in the fair value hierarchy	2,163,557	2,163,557
Investments measured at net asset value (a)	-	18,074,314
	<u>\$ 2,163,557</u>	<u>\$ 20,237,871</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Separate Accounts as of December 31, 2022

Separate Accounts with Mutual of America	\$ 15,601,718	Daily	None

Separate Accounts as of December 31, 2021

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE F - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71.

The Plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b).

The Plan administrator and management believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations three years after filing.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling items between the net assets available for benefits per the financial statements and the Form 5500.

NOTE I - PARTIES-IN-INTEREST

Certain plan investments are shares of pooled separate accounts managed by the asset custodians; therefore, the Plan's investment transactions in these funds qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code. Fees paid by the Plan for the investment management services amounted to \$2,819 for the year ended December 31, 2022.

NOTE J - RECLASSIFICATIONS

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.
