## Independent Auditor's Report

Retirement Plan Committee  
Fairfield Glade Community Club Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fairfield Glade Community Club Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Retirement Plan Committee

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Retirement Plan Committee  
Fairfield Glade Community Club Retirement Plan

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Retirement Plan Committee  
Fairfield Glade Community Club Retirement Plan

**Other Matter - Supplemental Schedule Required by ERISA (continued)**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Fairfield Glade Community Club Retirement Plan

## Notes to Financial Statements

December 31, 2022

### **1. Description of the Plan**

The following description of Fairfield Glade Community Club Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. Copies of this publication are available from Fairfield Glade Community Club (the Club).

#### **General**

The Plan is a defined contribution plan sponsored by the Club. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees who are age 21 and above are eligible to become participants in the Plan. Prior to October 3, 2022, eligible employees could enter the Plan on the first day of each quarter after meeting eligibility requirements. Effective October 3, 2022, the Plan was amended to allow eligible employees to enter the Plan immediately after meeting eligibility requirements.

#### **Plan Contributions**

Participants may defer 401(k) contributions up to 100% of their pre-tax or after-tax annual compensation, as defined in the Plan Document, subject to certain Internal Revenue Service (IRS) limitations. In addition, participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change the investment options previously elected at any time.

In February 2021, the Plan was amended to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of compensation, as defined by the Plan Document.

The Club contributes a matching contribution of 50% of each participant's elective salary deferrals, up to 10% of compensation, as defined by the Plan Document. Participants must have worked in excess of 1,000 hours during the calendar year in order to receive a Club contribution.

Cash contributions receivable, if any, are unsecured.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and Club contributions, investment earnings and losses that are allocated based on each participant's relative account balance within the respective fund, and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**1. Description of the Plan (continued)**

**Vesting**

Participants are immediately vested in their contributions, rollover contributions, plus actual earnings thereon. For Club matching contributions, vesting is based on years of credited service as follows. In the event of death, normal retirement (age 65), or disability, a participant becomes 100% vested.

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 2 years       | 0%                        |
| 2 years                 | 20%                       |
| 3 years                 | 40%                       |
| 4 years                 | 60%                       |
| 5 years                 | 80%                       |
| 6 or more years         | 100%                      |

**Payment of Benefits**

Upon reaching age 59½, termination of service, death, disability, or retirement, a participant (or his or her beneficiaries) may receive a lump sum amount equal to the vested value of his or her account. Partial withdrawals or installments are only permitted for participants who must receive required minimum distributions in accordance with the Internal Revenue Code (IRC). In-service hardship withdrawals are also available in certain circumstances.

**Plan Termination**

Although it has not expressed any intent to do so, the Club has the right to under plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

**2. Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

#### **2. Significant Accounting Policies (continued)**

##### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the Plan's financial statements. Accordingly, actual results may differ from those estimates.

##### **Investments**

Principal Life Insurance Company (the Custodian) holds the Plan's investments in its guaranteed interest accounts, various collective investment trusts, or various pooled separate accounts. The Plan's investments in collective investment trusts and pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends, if any, are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments is reflected in the Statements of Changes in Net Assets Available for Benefits. This includes all investments bought or sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis.

The Principal Guaranteed Interest Accounts (GIA) held by the Custodian are part of a flexible investment annuity contract, which is not considered fully benefit responsive, recorded at fair value, as reported to the Plan by the Custodian. The GIA provides a guaranteed interest rate for a specified period of time as determined or allowed by the Club. The rate credited is the rate in effect on the day each deposit is directed to the GIA. The interest rates are reviewed periodically for resetting. The GIA promises contract value for a benefit event, i.e., termination, death, disability, and retirement; however, there is a possible market value adjustment when funds are withdrawn prior to their maturity.

Generally, the Plan's investments are collateralized by the proportionate share of the respective fund's underlying net assets. The maximum loss, if any, incurred by the Plan if the counterparties to the Plan's investments failed to perform and any collateral was insufficient, would be the recorded amount of such investment.

##### **Excess Contributions Payable**

Amounts payable to participants totaling \$5,498 and \$13,270 as of December 31, 2022 and 2021 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to cash contributions. The Plan distributed the excess contributions to the applicable participants during March 2023 and March 2022, respectively.

##### **Benefit Payments**

Benefits are recorded when paid.

Notes to Financial Statements (continued)

**2. Significant Accounting Policies (continued)**

**Forfeitures**

Forfeitures are created when participants terminate employment before becoming fully vested in the Club matching contributions. Forfeitures of terminated participants' non-vested accounts may be used to reduce future Club contributions to the Plan or to pay expenses of the Plan. If a terminated participant is rehired by the Club, the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan Document.

**Administrative Expenses**

Certain plan administrative expenses are paid by the Club and are excluded from these financial statements. Certain investment related expenses are included in net realized and unrealized appreciation or depreciation in the fair value of investments.

**Subsequent Events**

Plan management has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.

**3. Income Tax Status**

The Club adopted a prototype plan sponsored by the Custodian, which had received a favorable opinion letter from the IRS dated March 31, 2014, which states the prototype plan is designed in accordance with applicable sections of the IRC.

Effective February 17, 2022, the Club adopted a prototype plan sponsored by the Custodian, which received a favorable opinion letter from the IRS dated June 30, 2020, which states the form of the prototype plan is acceptable for use under applicable sections of the IRC.

The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

**4. Certified Information (Unaudited)**

The Custodian holds the Plan's investments assets and executes transactions therein. Financial information relating to those assets disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held as of December 31, 2022 and 2021, net realized and unrealized depreciation in the fair value of investments, and investment income from the GIAs of the Custodian, is based upon information provided to the Plan Administrator and agreed to or derived from information certified as complete and accurate by the Custodian.

#### 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement (Topic 820)*, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.
- Level 2 Inputs to the methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

*Pooled separate accounts and collective investment trusts:* Valued at fair value using the net asset value practical expedient as determined by the issuer based on the current fair values of the underlying mutual funds and other securities of the fund which have publicly quoted pricing inputs.

*Guaranteed interest accounts:* Valued at fair value by the market value adjustment technique based on current market interest rates only to the extent such market rates exceed crediting rates.

There have been no changes to the methodologies used as of December 31, 2022 and 2021

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments measuring at fair value based on NAV per share as December 31:

#### 5. Fair Value Measurements (continued)

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investments (guaranteed interest accounts) for the year ended December 31:

|                              | <u>2022</u>               | <u>2021</u>        |

| Balance at beginning of year | <b>\$1,070,804</b>        | \$1,060,140        |
| Interest income              | <b>9,462</b>              | 10,330             |
| Realized/unrealized losses   | <b>(61,914)</b>           | (22,428)           |
| Purchases                    | <b>38,165</b>             | 49,681             |
| Settlements                  | <b>(31,093)</b>           | (26,919)           |
| Balance at end of year       | <b><u>\$1,025,424</u></b> | <u>\$1,070,804</u> |

Realized/unrealized losses included in the above schedule are included in net depreciation in fair value of investments in the statements of changes in net assets available for benefits.

#### Qualitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2022 and 2021, and the significant unobservable inputs and the ranges of values for those inputs:

| Instrument                      | Fair Value<br>12/31/2022 | Fair Value<br>12/31/2021 | Valuation<br>Technique  | Unobservable<br>Inputs         | Range of<br>Input Values |
|---------------------------------|--------------------------|--------------------------|-------------------------|--------------------------------|--------------------------|
| Guaranteed Interest<br>Accounts | <b>\$1,025,424</b>       | \$1,070,804              | Discounted<br>cash flow | Risk-adjusted<br>discount rate | 0.11% - 2.00%            |

In estimating fair value of investments in level 3, Plan management may use third-party pricing sources or appraisers. In substantiating the reasonableness of the pricing data provided by third parties, the Plan management evaluates a variety of factors including review of methods and assumptions used by external sources, recently executed transactions, existing contracts, economic conditions, industry and market developments, and overall credit ratings.

#### 6. Other Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by the Custodian for the Plan; therefore, these transactions qualify as party-in-interest transactions.

The Custodian provides certain administrative services to the Plan pursuant to a Plan Expense Agreement (PEA) between the Club and the Custodian. The Custodian receives revenue from service providers for services the custodian provides to the funds. This revenue is used to offset certain amounts owed to the Custodian for its administrative services to the Plan.

Fairfield Glade Community Club Retirement Plan  
Notes to Financial Statements (continued)

**6. Other Related-Party Transactions and Party in Interest Transactions (continued)**

If the revenue received by the Custodian from such service providers exceeds the amount owed under the PEA, the Custodian remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses. During 2022 and 2021, there were no excess amounts. The Plan or Club may make a payment to the Custodian for administrative expenses not covered by revenue sharing.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
