## INDEPENDENT AUDITOR'S REPORT

The Plan Administrator  
Guggenheim Services Retirement Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Guggenheim Services Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank the trustee and custodian for the Plan, a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the Guggenheim Services Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**(a) General**

The Plan is a defined contribution plan covering eligible employees of Guggenheim Services, LLC (the Plan Sponsor) and adopting employers, subject to certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Charles Schwab Trust Bank (Schwab) is the trustee and custodian for the Plan.

**(b) Contributions**

Each year, participants may contribute 1% to 75% of eligible compensation on a pretax and a post-tax basis, within certain specified limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan permits an annual employer discretionary matching contribution. The Plan Sponsor funded the 2022 matching contribution in 2023, as reported in the statement of changes in net assets available for benefits. Employer discretionary matching contributions are allocated to participants based upon each participant's contribution. Participants may also roll over to the plan amounts representing distributions from other qualified defined benefit or defined contribution plans.

Plan participants have the right to direct the investment of their account balances among various investment options offered by the Plan. The Plan offers 24 investment options as well as a self-directed brokerage option. Upon termination of a participant, the unvested portion of employer discretionary matching contributions and the earnings thereon become subject to forfeiture. Forfeitures were \$585,255 and \$586,284 as of December 31, 2022, and 2021, respectively. Forfeitures may be used to reduce employer contributions. The Plan Sponsor used forfeitures of \$300,000 to fund a portion of the discretionary employer matching contribution in 2022.

**(c) Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the employer discretionary matching contributions and Plan earnings. Participants are entitled to the vested portion of the matching contributions credited to their accounts.

**(d) Vesting**

Participant contributions, and earnings thereon, vest immediately. Employer discretionary matching contributions, and earnings thereon, vest 100% after two years of service.

**(e) Payment of Benefits**

Benefits are recorded when paid. At retirement, participants generally receive single-sum payments.

**(f) *Hardship Withdrawals***

Participants may withdraw funds from their vested account after meeting certain criteria as defined in the Plan.

**(g) *Notes Receivable from Participants***

Loans are available to Plan participants at interest rates based on prevailing market rates. Once an interest rate is established, the interest rate on the loan will not change over the duration of the loan. Loans to Plan participants are secured by their vested balance, may not exceed the lesser of 50% of their vested balance or \$50,000 and must be repaid within five years unless grandfathered in under an acquired plan. Participant loans are repaid through payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, then the participant loan balance is reduced, and a benefit payment is recorded. Participant loans held at December 31, 2022 and 2021 bear interest at rates that range from 4.11% to 9.50% with varying maturity dates through January 9, 2041.

**(h) *Termination of the Plan***

Although the Plan Sponsor has not expressed any intent to terminate the Plan, it may do so at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer matching contributions and related earnings thereon.

**(i) *Risks and Uncertainties***

The Plan provides for various investment fund options for which the underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participants' individual account balances.

**(j) *Self-Directed Brokerage Accounts***

Participants have the option to participate in self-directed brokerage accounts, which allow the participants to invest in stocks, bonds, and other funds outside of the Plan's core funds. Participants are allowed to select investments and place trades in their individual accounts. Schwab is the custodian of the accounts, and there is no fee to participate.

**(k) *Related-Party Transactions***

At December 31, 2022, the Plan's assets included investments in 7 Schwab investment funds. Schwab is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees for investment management services are included in determining the net appreciation in fair value of the investments.

**(2) Summary of Significant Accounting Policies**

**(a) *Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

**(b) *Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(c) *Notes receivable from Participants***

Notes receivables from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses when they are incurred.

No allowance for credit losses has been recorded as of December 31, 2022, or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, then the participant loan balance is reduced, and a benefit payment is recorded.

**(d) *Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for further discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and is net of fees.

**(e) *Transfer of Plan Assets***

In 2022, no assets held in the Plan were transferred out of the Plan.

**(3) Federal Income Taxes**

The Internal Revenue Service (IRS) has determined and informed the trustee's prototype plan by a letter dated June 19, 2014, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan adopted the prototype plan in 2014. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's ERISA tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as

**GUGGENHEIM SERVICES  
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**(4) Administrative Expenses**

The Plan Sponsor pays audit fees and a portion of the administrative expenses on behalf of the Plan. The Plan Sponsor does not intend to obtain reimbursement from the Plan for these payments.

**(5) Investment Information Certified by Trustee**

The Plan's Independent Certified Public Accountant did not perform audit procedures with respect to the following investment information provided by the trustee except for comparing such information to the related information in the accompanying financial statements and supplemental disclosure.

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained for derived from information provided to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank.

**(6) Fair Value Measurement**

Accounting Standards Codification Topic 820 (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels in the hierarchy used to measure fair value are:

- |         |                                                                                                                                                                                                                                                                                                                 |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Unadjusted quoted prices in active markets accessible at the reporting date for identical assets and liabilities.                                                                                                                                                                                               |
| Level 2 | Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets and liabilities in markets that are not considered active; or financial instruments for which all significant inputs are observable, either directly or indirectly; and                        |
| Level 3 | Prices or valuations that require inputs that are significant to the valuation and are unobservable but based on what market participants would use. The presentation must disclose a rollforward of investment balances including total gains or losses attributable to changes in unrealized gains or losses. |

The hierarchy requires the use of observable market data when available. As required by ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Notes to Financial Statements

December 31, 2022 and 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Money market funds* – Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds* – Valued at the closing price reported on the active market on which the individual securities are traded.

*Common stocks, preferred stocks, mutual funds, and U.S. government securities held in self-directed brokerage accounts* – Valued at the closing price reported on the active market on which the individual securities are traded.

*Corporate bonds held in self-directed brokerage accounts* – Value determined through the use of models or broker-quote based applications. .

*Unit investment trusts held in self-directed brokerage accounts, limited partnerships, and common/collective trust funds* – Valued at the net asset value of shares held by the Plan at year-end. NAV is used as a practical expedient for measuring the fair value of these investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a summary of the levels within the fair value hierarchy for the Plan's assets as of December 31, 2022:
