Independent Auditors' Report

To the Administrative Committee of the
El Clasificado 401 (k) Plan

Scope and Nature of the ERISA Section 103(1)(3)(C) Audit
We have performed audits of the financial statements of El Clasificado 401 (k) Plan, an employee benefit plan subject to the Employment Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of El Clasificado 401 (k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules an Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on the audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in

all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of El Clasificado 401 (k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained Is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the El Clasificado 401 (k) Plan's ability to continue as a going concern for the period then ended.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan' transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the befits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made be a reasonable user based on the financial statements.

In performing and audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or vents, considered in the aggregate, that raise substantial doubt about El Clasificado 401 (k) Plan's ability to continue as a going concern for a reasonable amount of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at end of the year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether

the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Administrative Committee of the
El Clasificado 401 (k) Plan

Scope and Nature of the ERISA Section 103(1)(3)(C) Audit
We have performed audits of the financial statements of El Clasificado 401 (k) Plan, an employee benefit plan subject to the Employment Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of El Clasificado 401 (k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules an Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on the audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in

all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of El Clasificado 401 (k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained Is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the El Clasificado 401 (k) Plan's ability to continue as a going concern for the period then ended.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan' transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the befits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made be a reasonable user based on the financial statements.

In performing and audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or vents, considered in the aggregate, that raise substantial doubt about El Clasificado 401 (k) Plan's ability to continue as a going concern for a reasonable amount of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at end of the year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether

the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EL CLASIFICADO 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

(1) Description of Plan

This following description of El Clasificado 401 (k) Plan ("the Plan") is provided only for general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of El Clasificado ("the Company") who have attained age 18 and completed three months of service and 250 hours per quarter or 1,000 hours per year of service. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan. The contributions made by participant may be from pretax compensation, or they may also choose Roth deferrals in which case the contributions are made after tax. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a pooled separate account as investment options for participants. The Company contributes 50% of the participants contributions up to a maximum of 2% of base compensation. Addditional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments, as directed by the Company. No profit-sharing contributions were made for the year ended December 31, 2022. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) **Description of Plan (Continued)**

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest 20% per year of service, and are fully vested after six years of credited service.

The Company may also make profit sharing plan contributions. For these contributions, a participant is not vested until two years of credited service are completed. Thereafter, 20% per year is vested and is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at 2% above the prime interest rate, as defined. Principal and interest is paid ratably through weekly payroll deductions. Interest charged to participants ranges from 5.25% to 7.50% per annum.

Payment of Benefits

On termination of service due to death, disability, termination, retirement or any other reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested account interest in their account as a lump sum distribution.

Forfeited Accounts

At December 31, 2022 and 2021 there were $5,326 and $12,408, respectively of forfeited nonvested accounts. No employer contributions were reduced by forfeited nonvested accounts in either year.

Plan Custodian

Voya Retirement Insurance and Annuity Company was acting in the capacity of Plan custodian.

EL CLASIFICADO 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

(2) **Summary of Accounting Policies**

Basis of Accounting

The accompanying financial statements are prepared on the cash basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully-benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

(2) **Summary of Accounting Policies (continued)**

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

Subsequent events

The plan has evaluated subsequent events through October 3, 2023, the date the financial statements were available to be issued.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

(3) **Investments**

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. As permitted under such election, the following investment information was certified by both Matrix Trust Company and Voya Retirement Insurance and Annuity Company, custodians of the Plan and was not subjected to any auditing procedures performed by the independent public accountants:

a. Total investments as shown in the accompanying statements of net assets available for benefits of $7,413,424 and $8,895,364 for the years ended December 31, 2022 and 2021, respectively.

(3) **Investments (continued)**

b. Net investment gains (losses) as shown in the accompanying statement of changes in net assets available for benefits of $(1,424,836) for the year ended December 31, 2022.

(4) **Custodial Information**

The following is a summary of the plan's investment information as of December 31, 2022, and 2021, and for the years then ended, included in the plan's financial statements and supplemental schedules, that was prepared by, or derived from, information prepared by Voya Retirement Insurance and Annuity Company, the custodian of the plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodians that such information is complete and accurate.

Dividends	433	3,607
Interest	11,520	15,247
Net appreciation (depreciation) in fair value of investments	(1,424,836)	927,854

(5) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement* are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets/liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs to the valuation methodology include:

  - quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the assets or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means

  If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation technology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. There have been no changes in methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

(5) **Fair Value Measurements (continued)**

Common/Collective Trusts – valued at daily closing price as reported to the fund. Funds are held by a trust that is registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and is only available to employer sponsored group retirement plans.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at fair value as of December 31, 2022:

	Level 1	***Level 2***	***Level 3***	***Total***
Money-market/cash funds	$ 18,168	-	-	$ 18,168
Common/collective trusts	-	-	-	7,391,801
Mutual funds - Registered investment companies	3,455	-	-	3,455
	$ 21,623	-	-	$7,413,424

Assets at fair value as of December 31, 2021:

	Level 1	***Level 2***	***Level 3***	***Total***
Money-market/cash funds	$ 259,637	-	-	$ 259,637
Common/collective trusts	-	-	-	7,756,914
Mutual funds - Registered investment companies	878,813	-	-	878,813
	$1,138,450	-	-	$8,895,364

(6) **Related-Party Transactions and Party- In- Interest Transactions**

A party-in-interest is defined under Department of Labor regulations as any fiduciary (including, but not limited to, any administrator, officer, trustee or custodian), counsel or employee of the Plan, any party rendering services to the Plan, the employer and certain others. The independent auditor of the plan's financial statements is a service provider to the plan and a party in interest. Certain plan investments were managed by Voya Retirement Insurance, acting as the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions. Administrative functions were performed by Voya Retirement Insurance and Annuity Company. No officers or employees received compensation from the Plan.

(7) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(8) **Tax Status**

The Internal Revenue Service has determined and informed the Plan administrator by a letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by IRS, however, there are currently no audits for any of the tax periods in progress.

(9) **Plan Non-Compliance and Resolution**

During 2022, the Plan's management and its administrator discovered errors that originated in 2021, and made the necessary corrections:

The Plan Sponsor became aware of an error having to do with Plan deposits. Specifically, there was an error on the Plan Sponsor's part to properly submit auto-enrolled new participants contributions to the Plan. This only affected new participants during the period May to October 2021. In May 2022, the Company deposited $16,574 to the Plan, which included $7,759 for the plan year 2021 and $8,815 for the plan year 2022. Affected participants were notified in writing of this error and its resolutions during May 2022. As the average rate of return on assets was negative during these missed periods, no additional adjustment was needed.

There was an error in the matching contribution by the Plan Sponsor. The Plan Sponsor was submitting the company match at .5% instead of the agreed to 1% of eligible compensation from April 15, 2021 to October 15, 2021. The rate should have been changed on October 16, 2001 until May 6, 2022 when the new match rate was 2%, and instead the company matched at 1%. In July, 2022 the Company deposited a total of $51,433 to the Plan, which included $30,253 for the plan year 2021 and $21,180 for the plan year 2022. Affected participants were notified in writing of this error and its resolutions during July 2022. As the average rate of return on assets was negative during these missed periods, no additional adjustment was needed.

The Company also identified some issues with auto-escalation rates for participants relating to participant deferral rates. Some participants over-funded their accounts during 2022 and were given the option of a refund or leaving the funds in the Plan.

The Company's management believes these errors, were in part, due to communication and initial set-up issues with the new plan administrator that originally took over the Plan in May 2021 and that all issues have now been rectified.
